

NEWPORT SURF LIFE SAVING CLUB INC.

103rd Annual Report 2011/12 Season

Mal French- Clubman of the Year

"catch the spirit"

Vales

On behalf of Newport SLSC we extend our deepest sympathies to the families and friends who have lost loved ones during the past season.

Our eternal thanks for the time, support and years of service they have given our Club.

John Illingsworth

Newport Surf Club Life Member John Illingsworth passed away in late January. John was a highly respected member of the club and was very active in the 1930s, 40s and 50s. He was a regular Surf Boat crew member and sweep of the double ended boats of the time and his wife Billie, who survives him, was also active in the Ladies Club.

John was involved in many rescues having gained his Bronze Medallion in 1937 with Laurie Payne as his instructor. John also served in World War II and was Club Captain in 1946/47. He met his wife Billie at the beach when she sought treatment for bluebottle stings.

For our History Book published in 2009 John wrote "it goes without saying that to spend the weekends on duty in the sun and surf while helping the Community and to save lives was a very rewarding feeling". To those who knew John Illingsworth he was a genuinely good bloke who served the Club with distinction. His sage advice as a Life Member was sought on many issues and he will be deeply missed.

John Harrison

Newport Club member, John 'Horsey' Harrison, passed away earlier this year. John, who was 87, was one of Newport's most successful competitors - winning two Aussie Open Beach Sprint Titles, a Silver in Aussie Boat Titles and he was also an Olympic rower,

John Harrison was born in Sydney on 23 October 1924, and attended the Sydney Church of England Grammar School on Sydney's North Shore - the Shore School. At Shore he demonstrated particular proficiency in physics and mathematics, then between 1943 and 1947 completed his Bachelor of Mechanical and Electrical Engineering degree at Sydney University.

John's early sporting success came as a member of the Newport Surf and Lifesaving Club on Sydney's Northern Beaches, for which, in 1946, he designed and built a new surfboat as he himself was a rower. He will be fondly remembered.

Len Goldsbro

Newport Surf Club members sadly farewelled Len "The Legend" Goldsbro in April this year. He was 82 years young.

Len had joined the Club, following a long stint as a member of Bondi SLSC, in the late 90s. He was a wonderful body surfer, in even the biggest surf, a mentor to many in the surf, and a consistent year round member of the "Knackers" early morning swimmers.

Len helped out at Club Pool to Peak Swims, After Fives, and functions, and was always a cheerful, interesting companion in the club. He also helped out at Avalon SLSC, as Assistant Secretary.

His exceptional knowledge, and wise advice, helped many members with their private financial affairs. He is deeply missed by his many friends within the Club.

Newport Surf Life Saving Club Objectives

Objectives are an important part of any organisation. The objectives of the Newport Surf Life Saving Club are as follows:

1. To provide life saving patrols upon Newport Beach for the protection and safety of swimmers, surfers and members of the public generally.
2. To foster support, teach and encourage surf life saving, resuscitation and first aid techniques to Club members and the public, in accordance with the principles and guidelines of SLSA and to the standards required by SLSA for the various life saving awards.
3. To foster, support, teach and encourage surf safety, swimming, water sports and water safety.
4. To conduct and participate in inter-club races and carnivals.
5. To affiliate with SLSA.
6. To arrange youth activities and functions for members and encourage their physical and social welfare.

James Brooks with the Under 17 Water Team

President's Report

It is my pleasure to present the 2011/12 Annual Report of Newport Surf Life Saving Club, in our one hundred and third year of patrolling Newport Beach.

This season has been another enormously successful season for our Club and as I have suggested previously,

I consider the the 2011/12 season as probably the best season ever for Newport SLSC and the following exceptional results across all aspects of the Club are provided to reinforce my best ever claim.

- It was the best season ever if you wanted to be trained to become a surf life saver with Newport as our wonderful instructors trained a record number of 99 people achieving their bronze medallions this season.
- It was a great season for our young members attaining their Surf Rescue Certificate, 49 young members now on patrol and the future of our club in good hands. 38% of our patrolling membership are under 18 years old, which in itself is a fantastic result for our Club.
- It was the best season ever for our Ocean swim with a record number of swimmers and blessed with beautiful conditions for the day
- Our One Club philosophy identified in the "One Club" paper was adopted by both the Management Committee and the Junior Activities Sub-Committee and is gaining positive significant momentum in improving the culture of our Club, One Club.
- It was the best season ever if you were a nipper. We had over 500 nippers involved at Newport SLSC which is a record number of smiling nippers having fun and learning about surf safety and surf life saving each Sunday on our beach
- It was the best season ever for the Powercraft Captain as we purchased a new ATV and commenced the planned replacement program for IRB outboard motors
- We have had some great social events throughout the season culminating in the Gala Dinner which was attended by a record number of Newport members whom I am sure all enjoyed a wonderful night of celebration.
- It was the best season ever for Club membership numbers. The Club now has a staggering 1330 members (12% increase from last year)
- Newport SLSC Life Member June King was recognised for the years of substantial effort to assist Surf Life Saving in our Branch being awarded Life Membership of Sydney Northern Beaches Branch which is a fantastic acknowledgement of June's tremendous service.

- Doug and Sandy Menzies were awarded Pittwater Council's Volunteers Award for their contribution to the Newport Special Nippers Program over the previous 10 years
- Financially as a Club we have achieved a positive balance sheet
- As a Club we have successfully assisted with the "Reef to Reef" the "Pool to Peak" and the "Newport Boat carnival"

We had the best season ever for competition

- Newport had a home grown A crew in the surfboats after many years of absence at this level and for the first time our Club was represented in the televised professional Ocean Thunder surf boat series and our boys achieved very good results and great coverage.
- 7 of our younger competitor's were selected for the Sydney Northern Beaches Interbranch team.
- Max Brooks and Jake Lynch achieved selection in the NSW team.
- Max Brooks was selected in the National High Performance Squad and Marty Lynch was appointed the beach coach in this National Squad.
- We had the best season ever in the Open Branch Carnival, Newport finishing with our best ever results, 2nd in the point score only behind Manly, and at the NSW Open Championships carnival we finished 6th, the best ever State Open Championship result for our Club.
- For the first time in my memory with the Club all competitors from nippers through to masters attending the State and Australian Championships wore the one competition shirt and we looked great. Thankyou Temperzone.
- 4 Gold, 2 Silver and 3 Bronze medals were won at the Australian Championships, by far the best ever result for our Club at the Australian Championships and therefore the best season ever.

Team Competiton shirts sponsored by Temperzone

We have taken the first steps on the long process of developing a masterplan with the Council, for the Club's future accommodation needs.

Patrolling members provided a massive 10,194 patrol hours on Newport Beach and most importantly our patrols have been well attended and undertaken to a very high standard and the magnificent record of No Lives Lost at Newport Beach during a Newport Patrol remains intact for the 103rd season of patrols.

Additionally at the Sydney Northern Beaches Branch Awards Presentation Evening, Newport SLSC won many awards for a range of categories which is fantastic recognition for our members efforts over the 2011/12 season including:

- Lionel MacDonald – Branch Championship Handicap Point Score Award winners
- Bennett Overall Carnival Handicap Point Score winners
- Brian "Woggles" Mason Trophy Sydney Northern Beaches Surfboat Premiers U19's Award winners
- Max Brooks was named Athlete of the Year
- Our all conquering Under 17 water team was named Competitor Team of the Year
- Ted Smithies was named Masters Athlete of the Year
- We achieved 4th Place in the Patrol Assessment Competition
- Newport won the Westpac Most Outstanding Club for Administration
- We achieved 2nd Place in the Westpac Most Outstanding Club Overall Competition

I would also like to take the opportunity to acknowledge this years Newport SLSC award winners, they are all wonderful Club members who have contributed significantly to our Club's success and are all well deserving of this recognition.

JAC Chairman's Nipper of the Year
Jackson Borg

To the hard working committee members of both the Management Committee and Junior Activities Sub-Committee, thank you for your efforts in the management of our Club. These people have done an excellent job this year and work extremely hard to ensure our ongoing success.

So for the success of the season just past, I congratulate and thank every one of our members that spent time on patrol, represented our Club in competition, undertook an additional award, nurtured our nippers, trained new members, coached our athletes, worked at a social function or just bought a beer over the bar you have all contributed to the success of our Club, it was the best season ever and hopefully next season will be even better.

Finally on behalf of all the Newport SLSC members I would like to thank the generosity of all our highly valued sponsors, without their assistance our Club would not be the successful Club we are today

Rob Emerson
President

Newport's Interbranch Representatives

Honorary Secretary's Report

It has been a pleasure to compile the Annual Report for the 2011/2012 season - the season aptly named by our President Rob Emerson as the Best Season Ever!

Our achievements have covered all aspects of the Club - Competition, Lifesaving, Nippers, Administrative functions as well as Membership awards for some of our members. Truly an amazing achievement, and truly whole of Club.

Our Club has moved towards being fully integrated through the 'One Club' policy and all areas are going from strength to strength because of this initiative. Many thanks must go to Rob Emerson, Peter Finn, Tom Kellaway and Dennis Englund for having the vision and making this vision a reality for the benefit of our members.

We have tried to make our meetings more effective by submitting reports one week prior to the meeting so I can compile them for circulation so our meeting time can be devoted to discussion and informed decision on the relevant items to ensure we continue to move forward

and are transparent in our decisions. This in itself has assisted to keep the Club running smoothly. Thank you to all of the Management Committee members who submitted reports on time and made my job easier.

Thank you also to our Administrator Bev Barnes who keeps everything running on a day to day basis and is always there to assist if needed. Where would we be without her? Thank you also Kieran for assisting with my sometimes frustrating 'technical difficulties' and with compiling this Annual Report.

It's hard to believe our 'off-season' has almost gone and that planning is already underway for the new season. We thank every member for their contribution to last season, and look forward to seeing you all again in 2012/13 - I'm sure we can make this one even better than the last.

Nippers Colour Party

Treasurer's Report

In the words of our Club President Rob Emerson "this was our best season ever"! The Club rebounded from posting a small loss in 2011, to posting a profit of \$41,700 in the 2012 season, a truly brilliant turn around. Our financial success has been the result of a number of Club based initiatives, an increase in community support, both through sponsorship and donations and the improved management of the Clubs resources.

Our major change this season came through the One Club Policy, under the direction of our Club President and our Nipper Chairman. The initiative saw the Nippers and Senior Club contribute equal amounts toward the maintenance and ongoing costs of the hall and building, as well as the administration services provided by the Club. For the first time in our history, every member contributed an equal amount toward the operation and maintenance of our Club!

The increase in Sponsorship for the season as well as an increase in Donations is largely to thanks for our profitable season. The support of our major sponsors - Coles, Temperzone, Sheldon Office Fit Outs, Jarvis Constructions, LJ Hooker Newport and ITZ Australia has been fantastic, and has allowed the Club to reach its full potential this season. The total income for the season rose by just over \$70,000 to \$435,000, and expenses increased by \$35,000 to be sitting at \$393,000, leaving the club with a net profit of \$41,700.

Special mention must go to three major groups this season. The Nippers efforts have been fantastic. Following the introduction of a budget program to assist with spending and income control, the nippers exceeded

their expected profit by close to \$17,000. This is a fantastic result and is a huge contribution toward the overall Club profit. The competition teams have made a great effort this season to become cost neutral and through fundraising, sponsorship and levies have largely been able to accomplish this and congratulations must go to the entire competition team on their efforts. Lastly, the lifesaving services management of Brett Budd, Craig MacDougall and Kieran Menzies as well as the Patrol Captains, Trainers and Assessors has been fantastic in their management of the Clubs gear which resulted in a large decrease in repair and maintenance costs which again has contributed to the Clubs success no end.

Thanks must also go to Bev Barnes for her work in managing the Clubs administration. It has been largely through Bev's work that we have been able to institute a number of new programs for the upcoming season, including across the board budgeting, capital expenditure planning and a significant review of the Clubs income streams, which we hope will allow the Club to continue to grow and provide a fantastic service to its members and the local community.

Newport is in its strongest financial position in recent memory. With the strong leadership shown by the Management Committee and the fantastic community we have at Newport, I have no doubts we have the perfect platform to continue our growth and success into the future.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2012

1 Statement of Significant Accounting Policies

The financial statements cover Newport Surf Life Saving Club Inc as an individual entity. Newport Surf Life Saving Club Inc is an association incorporated in NSW under the Associations Incorporation Act 2009 and the NSW Charitable Fundraising Act 1991.

Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with Accounting Standards, Australian Accounting Interpretations and the Associations Incorporation Act 2009.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in financial statements containing relevant and reliable information about transactions, events and conditions. Compliance with Australian Accounting Standards ensures that the financial statements and notes also comply with International Financial Reporting Standards as issued by the IASB. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless otherwise stated.

The financial statements have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

The financial statements were authorised for issue on by the members of the association.

Accounting Policies

Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of manufactured products includes direct materials, direct labour and an appropriate portion of variable and fixed overheads. Overheads are applied on the basis of normal operating capacity. Costs are assigned on the basis of weighted average costs.

These notes should be read in conjunction with the attached compilation report of W&D Financial Services Accountants.

Page 5

NEWPORT SURF LIFE SAVING CLUB INC
A.B.N: 56 603 611 439

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2012

Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

Property

Freehold land and buildings are shown at their fair value (being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction), based on periodic, but at least triennial, valuations by external independent valuers, less accumulated depreciation for buildings.

Any accumulated depreciation at the date of revaluation is eliminated against the gross carrying amount of the asset and the net amount is restated to the re-valued amount of the asset.

Plant and equipment

Plant and equipment are measured on the cost basis and are therefore carried at cost less accumulated depreciation and any accumulated impairment.

In the event the carrying value of plant and equipment is greater than the estimated recoverable amount, the carrying value is written down immediately to the estimated recoverable amount. A formal assessment of recoverable amount is made when impairment indicators are present.

The cost of fixed assets constructed within the association includes the cost of materials, direct labour, borrowing costs and an appropriate proportion of fixed and variable overheads.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the association and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the statement of comprehensive income during the financial period in which they are incurred.

Depreciation

The depreciation method and useful life used for items of property, plant and equipment (excluding freehold land) reflects the pattern in which their future economic benefits are expected to be consumed by the association. Depreciation commences from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements. The depreciation method and useful life of assets is reviewed annually to ensure they are still appropriate.

These notes should be read in conjunction with the attached compilation report of W&D Financial Services Accountants.

Page 6

NEWPORT SURF LIFE SAVING CLUB INC
A.B.N: 56 603 611 439

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2012

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at the end of the reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the statement of comprehensive income. When re-valued assets are sold, amounts included in the revaluation relating to that asset are transferred to retained earnings.

Financial Instruments

Initial Recognition and Measurement

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions to the instrument. For financial assets, this is equivalent to the date that the association commits itself to either purchase or sell the asset (i.e. trade date accounting adopted).

Financial instruments are initially measured at fair value plus transactions costs except where the instrument is classified 'at fair value through profit or loss', in which case transaction costs are expensed to profit or loss immediately.

Impairment of Assets

At the end of each reporting period, the association reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is recognised immediately in the income and expenditure statement.

Where it is not possible to estimate the recoverable amount of an individual asset, the association estimates the recoverable amount of the cash-generating unit to which the asset belongs.

These notes should be read in conjunction with the attached compilation
report of VW&D Financial Services Accountants.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 30 APRIL 2012

Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities on the statement of financial position.

Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest rate method, which for floating rate financial assets is the rate inherent in the instrument.

Revenue from the provision of membership subscriptions is recognised on a straight line basis over the financial year.

All revenue is stated net of the amount of goods and services tax (GST).

Trade and Other Payables

Trade and other payables represent the liabilities for goods and services received by the association that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of liability.

Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of assets that necessarily take a substantial period of time to prepare for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

These notes should be read in conjunction with the attached compilation
report of W&D Financial Services Accountants.

STATEMENT BY MEMBERS OF THE COMMITTEE

In the opinion of the committee the financial statements as set out on pages 1 to 13:

1. Presents a true and fair view of the financial position of Newport Surf Life Saving Club Inc as at 30 April 2012 and its performance for the year ended on that date in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) of the Australian Accounting Standards Board.
2. At the date of this statement, there are reasonable grounds to believe that Newport Surf Life Saving Club Inc will be able to pay its debts as and when they fall due.

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee by:

President: 
Rob Emerson

Treasurer: 
Tom Kellaway

Dated:

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF NEWPORT SURF LIFE SAVING CLUB INC
A.B.N: 56 603 611 439**

Report on the Financial Report

I have audited the accompanying financial report of Newport Surf Life Saving Club Inc (the association) which comprises the statement of financial position as at 30 April 2012 and the statement of comprehensive income, statement of changes in equity for the year ended on that date, a summary of significant accounting policies, other explanatory information and the statement by members of the committee.

Committee's Responsibility for the Financial Report

The committee of the association is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) the Association Incorporation Act 2009 and the Charitable Fundraising Act 1991 and for such internal control as the committee determines is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on the financial report based on my audit. I conducted my audit in accordance with Australian Auditing Standards. These Auditing Standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF NEWPORT SURF LIFE SAVING CLUB INC
A.B.N: 56 603 611 439**

Auditor's Opinion

In my opinion:

The financial report of Newport Surf Life Saving Club Inc is in accordance with the Associations Incorporation Act NSW 2009 and the Charitable Fundraising Act 1991 including:

- (i) giving a true and fair view of the Association's financial position as at 30 April 2012 and of their performance and cash flows for the year ended on that date; and
- (ii) complying with the Australian Accounting Standards.

**COMPILATION REPORT
TO NEWPORT SURF LIFE SAVING CLUB INC
A.B.N: 56 603 611 439**

We have compiled the accompanying general purpose financial statements of Newport Surf Life Saving Club Inc which comprise the statement of financial position as at 30 April 2012, and the statement of comprehensive income, statement of changes in equity for the year ended 30 April 2012, a summary of significant accounting policies and other explanatory notes.

These have been prepared in accordance with the financial reporting framework described in Note 1 to the financial statements.

The responsibility of the committee of management

The Committee of Management is solely responsible for the information contained in the special purpose financial statements and has determined that the basis of accounting adopted is appropriate to meet the needs of the committee of management for the purpose of complying with the association's constitution.

Our responsibility

On the basis of information provided by the committee of management we have compiled the accompanying general purpose financial statements in accordance with the basis of accounting and APES 315: Compilation of Financial Information.

Our procedures use accounting expertise to collect, classify and summarise the financial information, which the Committee of Management provided, in compiling the financial statements. Our procedures do not include verification or validation of procedures. No audit or review has been performed and accordingly no assurance is expressed.

The general purpose financial statements were compiled exclusively for the benefit of the committee of management. We do not accept responsibility to any other person for the contents of the general purpose financial statements.

Club Captain's Report

Yet another seven months of patrols all done and dusted for another season with a clean record on the beach.

Once again it was an enormous contribution from our patrolling members, to the community, in keeping the beach safe. Although it wasn't much of a summer, we still recorded 144 thousand people in our beach attendance statistics which was up 30 thousand on the previous year.

Our overall statistics for this season are;

- 10,194.75 hours patrolled being, an increase of 632 hours on the previous year
- 409 patrolling members, an increase of 40 on the previous year, recorded patrol hours made up with;

20	doing	> 50 hours
121	doing	30 to 49.9 hours
140	doing	15 to 29.9 hours
96	doing	5 to 14.9 hours
32	doing	< 5 hours
- We recorded xx hours of water safety at other events. This doesn't include the IRB effort provided to other Clubs and events
- 12% of patrolling members are 13-15 years of age
- 26% of patrolling members are 15-18 years of age
- 62% of patrollers are over 18 years of age
- 38.2% of patrolling members are female
- 61.8% of patrolling members are male

The 'First Aid and Rescue' stats are much lower than last year, but 'Preventions' are up significantly which helps understand why First Aid and Rescues were down.

The event that gets us all together before the start of the Patrolling Season is the Pub to Pub Fun Run, where we mostly don't run, but help as the work-party. Once again Ian Crutch organised us for a cold morning in the shade of the car park at the ARMS, but thankfully plenty of Newport helpers turned up to set up the finish line area, drink station, first aid, directing runners, clothing claims and pack-up. Thank-you Ian for getting us all there so early in the season, to help raise funds for the Club.

We keep playing with the process to get everyone through the annual proficiencies (which are essential in keeping us all up to date) in order to fine tune it. This is an enormous task given we had 400 + to get through and the largest effort needed is from the Trainers and Assessors. Rob Barkley our Chief Instructor, did an outstanding job with this, going out of his way many times to get people through. Thanks Rob, this was a huge effort.

The Pool to Peak Swims were extremely successful events as we didn't have any emergency issues in the water, which was no doubt due to the Club coming together to provide fantastic water safety. Thanks to Nick Carroll for coordinating board and ski paddlers which covered the course. I had a comment from a swimmer that she had stopped during the swim to clear her

goggles and a board paddler was beside her immediately checking that she was ok. This is the sort of vigilance that prevents emergencies. Thanks to Glen Borg for coordinating patrol and other club members with tubes in the break zone where they were kept busy. Thanks to Tom Kellaway for coordinating five surfboats, a luxury that we didn't have a conflict with a boat carnival. They provided perfect visual reassurance to the swimmers along the course. Huge thanks to Kieran Menzies for organising IRB's from Avalon (Nick Sampson & Mel Hall), Bilgola (Geoff Raper & Nigel Dawson), Long Reef (Andrew Selosse & Hayden Nelson), a Jetski from Branch and two from North Palm Beach (Warren Howard & Robert Cox). I've not seen any other swims with such a high ratio of water safety to swimmers that we have. Having six IRB's and three Jetski's makes all our jobs that much easier. The branch Jetski was ably driven by our Matt Halakas and although I first thought he had a spare lifejacket strapped to the safety mat, I was later told it was Stuart Blackburn-Smith! Thanks to all those helping with our water safety.

Many patrols received extra patrolling members from the large SRC and Bronze training efforts this season. These new members were welcomed by the Patrol Captains, especially those whose average patrol members age dropped by 10+ years with the new SRC members! Alan Channells was particularly pleased to gain some very social Nipper parents after they completed their bronze during the season. We are thankful that the successful Nippers program brings strength to our patrols, not just in numbers, but more importantly, energy, enthusiasm and potential. The character of the patrols changes slightly each year and mostly with more smiling faces.

We were short of IRB drivers and crew on some patrols at the start of this season. After some emails and calls to find members willing to move to another patrol where the resources were needed, I had a few volunteers – not to move – but to do an extra patrol ! Thank-you to Craig McDougal, Robert Timar and Nigel Leck all volunteering extra time to help out here.

Our Patrol Log book records the effort and statistics for the hours that a patrol is rostered on. Only a few years ago, it would have been extraordinary for a patrol to need more than one page, but it is now almost normal, such is the strength and participation at our Club.

It is always gratifying to receive emails from other Clubs thanking Newport patrolling members for helping them out. There were quite a few this year for, IRB assistance at swims, and one of our patrolling members relaxing at another beach and seeing the patrol needing help, just pitched in. Another from Bilgola thanking us for letting Nic and Susie Mills go around and help them on Christmas afternoon when they were short. It is no wonder that we have such a good reputation amongst the other Clubs. Thank-you for always representing Newport well.

Fifty six members turned up on Christmas day to help with patrols. Wow, a great result and lessened the burden on us all. Thanks to Jessica Menzies for helping convince our patrolling members in giving up time to tough it out at the beach on a glorious day.

Nantucket Shield, what a fantastic day, perfect weather, easy conditions, lots of fun, healthy cheating and bribery attempts, good food and great feedback from you regarding the format. More in the report later.

Craig McDougal has done a fantastic job to keep our patrol gear in excellent working order this season. We are due to retire some old gear that is beyond repair, but Craig has worked with it extremely well to keep it in use for the season. Thanks Craig.

Thank-you, Patrolling members, Club members, the Club's Committee, and Families for all helping in your own way, making the patrolling effort easier for us all.

Lastly, I would like to especially thank the Vice Club Captains, Jess Menzies putting in another solid year of patrol log entries, Lauren Budd, Alana Smithies and Josh Hayward for helping me through this season. Thanks also to Kieran Menzies for keeping the IRB gear in great working order for our patrols. Also the Patrol Captains, Patrol Vice Captains and Patrol Managers, without their continued effort and support organising their patrols, we wouldn't be the healthy and successful Club we are.

100% Patrol Attendance

When this award started it was a manual process to work out who had 100% patrol attendance, and in that first year we had only 2 people awarded with what was then a blue cap. This year the prize of the coveted Red Cap has motivated 44 members to be 100%, 12 more than last year.

The Nantucket Shield was held on our last patrolling day of the season, which was also ANZAC day, the 25th April.

This was the third year of the "Patrol vs Patrol" format and the improving turnout of patrol teams - 10 Patrols were represented this time - and members has clearly shown it as a successful event to close the season.

Conditions on the day were perfect which made the water events somewhat easier, although less helpful on the way back to the beach with small waves. Still, it was of no surprise that Nick Carroll's Patrol 2 won both of the water events of the Taplin and Board Relay. Alana Smithies Patrol 14 won the Beach Relay and Matt Edwards Patrol 9 won the Water Flags.

There was a healthy level of controversy during and after these highly competitive events which is just how I like it. As usual the unusual scoring system with penalties and rewards leaves everyone guessing until the results are announced. The winning patrol this season was Patrol 2 – Nick Carroll's patrol, well done team.

All of this was followed by a fantastic lunch, a few drinks and plenty of smiles that showed everyone enjoyed the day.

Big thanks to Jan Proudfoot, Karen Burns and Susie Mills for their efforts organising the day, Guyren Smith for set up, Peter Tierney for running the bar and my co-conspirator Officials Doug Menzies and Ian Storey.

The Patrol Captains have provided a summation of their season on Patrol showing some of the individual character of each patrol. The dedication of our Patrol Captains and their teams are an asset we couldn't be without. So congratulations on another successful season keeping the beach a safe place for our extended community.

Brett Budd
Club Captain

Patrol Captain Reports

Patrol 1 'Cupcake Patrol' - Matt Halakas

Congratulations Patrol 1, once again we have somehow managed to have an incident free season on the beach despite our obsession with scoffing cupcakes and coffee.

This year we had some really good weather and as such enjoyed a fun year both in and out of the water while on patrol.

During the summer we had a shark sighting - maybe, a patrol inspection, very few rescues and we got some valuable new members to patrol. Sophie and Tara completed their Bronze Medallions!!, Andrew Elliot continued to try and muscle his way onto the #1 Patrol and Rob and Craig joined our patrol as our IRB team while still being on another patrol (legends).

Our gold coin donations for Taras' wonderful cupcakes helped raise some money for a charity that is close to our Vice Captains heart. Thanks to our Vice Captain who continues to be a great leader on patrol even if he did abandon one patrol after doing a 65km fun run - soft.

Bec popped out Kobe at the start of the season and congrats to Brent and Lillian who had Rhys in April. Two new boys to grow up and do coffee runs for the patrol.

As patrol captain I would like to thank everyone who comes to patrol. We have a great time on each patrol and I hope everyone backs up next year.

Alana Smithies & Ryan Smithies

Patrol 2 'Love Patrol' - Nick Carroll

This was an extraordinary season for Patrol Number Two. Not only did we manage a thrilling victory in the acid test of the Nantucket Shield; we came through over 40 hours of patrol time without needing to accomplish a single significant rescue. Not one person was hauled from the ocean via IRB, board, tube, or any other means during the Love Patrol's year, and for me as Patrol Captain, that is a great source of pleasure. It shows our gentle and subtle yet highly committed crowd management techniques, otherwise known as "good shepherding", are working just as they're intended, and preventing trouble before it starts.

Want to know how "good shepherding" works? It involves constant water time by at least two and often more patrol members at a time. The members take it in turns to swim broad perimeter lines around the patrol area, going into the water just outside one flag, tracking out then swimming slowly just along the back of the surf zone, then cruising back to the beach just beyond the opposite flag, with four or five minutes spent at either end of the patrol area each time. This creates a clear perimeter for both swimmers and for people on craft near the swim zone, and causes swimmers in particular to "self-correct" – in other words, move themselves back into safer water. It has a number of secondary effects: the patrollers get close to the water and understand what's happening much quicker; patrol members get direct water contact with members of the public, who feel reassured by our presence not just on land but in the surf; it's an auto check system for bluebottles; and it's excellent training. Plus it keeps younger patrol members working and occupied during longer patrols.

Love Patrol good shepherd stars this year included Tyler Adam and Cody Chockman, whom we couldn't keep out of the water anyway, and Sally Chockman, Kate Kilpatrick and Bill Washington, all of whom lend an air of adult dignity to the proceedings. Sal leaped into play as stand-in captain at one point and did a fine job. Barry Cooper had another superb year at the helm of the IRB, putting in numerous hours of crew instruction with Ben Matthews Cody Chockman and Ryleigh Bennetts, and handling a couple of busy Nipper Sundays with aplomb. When unfortunately absent, his place was taken by Bernie Howard and by the magnificent Alan Channels. Thanks a million to both gentlemen.

A range of supergrommets played a part in the year off the backs of their SRC and Bronze qualifications and we anxiously await their return in 2012/13, along with that of Greg McHugh and Jennifer Reddan with their ARTCs and their ongoing oxy/defib checks. And also John Lo Schiavo, who was forced to miss much of the year due to some kerfuffle in Afghanistan, but who had bravely put up his hand as a trainee pilot in anticipation of the SLSA's hinted-at drone beach patrol program.

Hurray!

Patrol 3 - Tom Kellaway

Patrol 3 set out on another strong campaign, picking up a few new faces along the way. We endured our share of rough conditions, packed summer days, and the odd bizarre incident that kept everyone on their toes. A massive credit to the patrol in the way they handled themselves in all conditions, including a number of water rescues. We managed to escape without the ambulance being required this season which was a pleasant change. A special thank you to Nigel Leck who has done double duties all year and has helped us as our IRB driver. He has been needed on a number of occasions and we would have been in deep strife without him! Another congratulations to Darienne Ansiewicz on being awarded the Rookie of the Year for our Club. We look forward to another great season next year and thank you to all of our regulars, plus any of those who joined us at any stage during 2011/2012!

Patrol 2's Cadets

Patrol 4 'Regal Patrol' - Ray Bratton

Another quiet season for the Regals with the most exciting rescue happening after the beach had been cleared late one afternoon. Rory Janssens (with a lot of help and direction from the After Five team – some of it undoubtedly useful) took a tube out until Nick arrived on a board and brought the patient in - in front of the audience.

The weather was again no better than patchy for many patrols, and on the good days, with a few people on the beach, the surf was super small and super safe. Must be that good beach management by the patrol.

One of the highlights of the season was the quiet day late in the season when ten – yes ten members did a 'round the reef' swim. (That is out from the flags, South through the gap, left around the reef and back to the flags.) Much better exercise than just swimming Kylie! That includes several of our new bronze members who were doing one of their first patrols!. We now have eleven patrol members who have done the swim. Should we change our name to the "Round the Reef Regals"?

With the new members we feel that we have a good range of additional skills and enough members to give us good depth for the unavoidable absences. Looking forward to getting to know our new team members as we head for next season.

Patrol 10 - Ever vigilant

Patrol 5 - Brett Budd

Patrol 5 started the season with Adrian and Kieran leading the patrol, but as Adrian had significant commitments with SNB Branch, he decided to hand over.

I was fortunate to step in when the patrol received a 'youth boost' with a bunch of new smiling energetic SRC qualified members who immediately had an effect on the patrol. Thank-you Max Ambler, Harry Hewitson, Tenny James, Saxon Witton and Max Newey for making the patrol feel younger.

On one of the fine patrolling days we had, the Branch Jetski was at Newport and coincidentally Adrian was filming a training video of the Jetski picking up swimmers – well the new SRC guys volunteered to help before we asked for volunteers and had a great time in the water and on the Jetski.

I think they found the whole Jetski experience a very easy part of patrolling, especially compared to another challenge given to them by Jill Matthews (previously their teacher at school). Jill tried to convince them to call her 'Jill' instead of 'Mrs Matthews', but maybe after another season they'll find that easier !

Big thanks to all of the regular team for helping through the season and hope to see you all back again next season.

Patrol 6 'Storm Patrol' - Michael Rosic

Wow what a year !

We would like to start by welcoming our new patrol members – Nick, Sam, Will and Wayne at the beginning of the season and Scott, Kevin, Terese , Adam, Brianna and Bridget mid season. We had the good fortune this year of a good number of sunny patrols – almost, not quite but almost, making folly of our patrol name "Storm Patrol".

Up until Christmas our season was relatively quiet with just one "exciting" day, and then the skeleton patrol of the 2nd January had a very very "exciting" day trying to keep the New Year crowds safe whilst the large surf played

havoc with its new found friends. During this patrol the team pulled off an amazing 15 rescues shared equally amongst some of the younger and older Patrol Team members and with some members (well done guys!) pulling off 3 or 4 recues each. Also thanks to Tony Hayes for helping our patrol out.

There was a marked injection of enthusiasm when the new blood joined the patrol mid season. Never have we been so entertained by the antics of the old and not so old bulls mastering the boards in the surf, and occasionally getting mastered by the boards and the surf (or was it the other way around?). We have a very friendly patrol and it is not uncommon to see our members talking with the public. Crutchie sets a high standard in friendliness and public empathy, and is good to see that attitude continue - yes the whistle and the flag got a workout this year.

We would like to thank the senior members of our patrol (yes even Crutchie) for providing the patrol with mentoring and guidance. It seems odd that we now have three age brackets in our patrol. To our new younger patrol members, thank for your efforts. To the youngsters (that's anyone under 21) your involvement and participation has been thankfully received. We have had to perform more patrols than in recent years and the young guys have really come to the fore this season, even in very tricky conditions early in the season. It is also good to see the young ladies in the patrol play such an active and important role in our patrol. Their keenness to do every task asked of them (no matter how mundane) inspired us all, and their willingness to swim in any (and I mean ANY) weather embarrassed the rest of us into the water.

Lastly we must provide a special mention to our Patrol 6 Nantucket Shield Team this year (mainly because we don't normally field a team for this event!). This year's team headed up by Mitch and consisting Carla, Melody, Briana, Jett and Adam posted a very respectable 6th place against some pretty experienced competitors. Given the guys had no practice runs this is a great first up result and we are looking forward to bigger and better results against the other patrol teams next year, after practicing relay changes we will do even better!

Thanks for last season guys and see you all next year!

Patrol 7 'The Premier Patrol'

- Alan Channells

The newly named 'Premier Patrol', so named after a season when we were honoured with responsibility of protecting Newport Beach on the most significant days of the season, really displayed the essences of the Surf Life Saving tradition this year.

Busy and exciting patrols included Nippers Start Day, Nippers Twilight Christmas Party and Break Up Day, Newport Pool to Peak Ocean Swim, New Years Day Public Holiday and Australia Day. All these events provided plenty of opportunity to put into action many of the skills developed over years of training.

The pace and teamwork required to provide the level of service required for our various events really brought out the best in our patrol and certainly provided me with the most rewarding season I have experienced.

New members to the patrol early in the season, including Jon Warner and James Oxenham added willing and skilful support to the patrol. Ted Bruce continued providing IRB Driver support with the assistance of various patrol members willing to take on IRB Crew training under Teds' expert guidance.

Lise and Gordon Layard used their first hand experience with spinal injuries to convince the parent of a child, with a suspected spinal injury, to not remove the child from our care until Paramedics arrived. A difficult job well done.

The patrol also provided assistance to one particular member of the public, thought to be suffering a heart attack or stroke, and being battered in the shore break while unable to stand. After a 4 man carry from the surf, we determined our patient was only intoxicated to the point of not being able to stand, even with assistance! It was only 11.30am.

Toward the end of the season we welcomed Will Brown, Matt Butler, Scott Newey and Matt Thomas to the team, having recently achieved their Bronze Medallion. We look forward to their contribution to the patrol next season. I understand this group, known as the Party Boys, will add a new dimension to our patrol.

Angus Crichton provided great support and leadership as Vice Captain throughout the season. Our younger members, Jack Layard, Jesse Kaye, Fraser Labine-Romain, Jemima James, Mitchell Favalaro, Jason Dargue, Karis Fox and Tom Bruce all provided great support on those busy patrols, thank you. It's also great to see some of our younger members starting to train for their IRB Crew Certification, a much need patrol resource.

Patrol 8 - Tony Hayes

A big year for Patrol 8!! Not only do our patrol numbers keep expanding but Mal French was announced Clubman of the Year, Frank Zhu got married and Glen Borg got ripped. We have a wonderful blend of experience and youth that is infectious. The nippers program continues to provide us with skilled candidates who blossom in the patrol environment. We have a readiness to respond or assist as required, fantastic engagement with the public and skills that counteract any situation that is thrust upon us.

I'm sure the public are grateful for your commitment in providing a safe environment each and every time they unpack the station wagon and venture onto the sands of Newport Beach. We are continually thankful to your families for the continued support in allowing you to help provide the countless volunteer hours. We look forward to re-engaging next summer. A job well done.

(L): Martin Cowper OAM - Trainer extraordinaire

Above:Paul Sands

Patrol 9 - Matt Edwards

What a fantastic year for Patrol 9 and my first one as Patrol Captain. Our patrol is filled with a mixture of young and old – (well young at heart) and we are lucky enough to have strong swimmers, paddlers, runners, First Aid experts, IRB Drivers and Crew. We are very well balanced, something that makes my job easier every patrol. We all work so well together and I am proud to say, we had some successful rescues this year.

Our best one was the rescue of the rookie surf ski paddler who literally washed ashore after he absolutely exhausted himself climbing back onto his ski at least 100 times. His first open water paddle and his “mates” just left him to fend for himself.... He was very thankful we came out to him because he was in some serious trouble. (There was a cheap ski for sale too at the end of all of that.)

We had a few patrol members do extra awards this year, which was great and had little workshops from Leanne Budd on CPR and First Aid during the season. Thanks Leanne!

Our patrol is full of competitors who compete in Age, Opens and Masters and they all did amazingly well this year. Thank you also to the gang that came out to the Nantucket shield. Thanks Wendy, Talissa, Katie, Monica, Simon, Susie, Nic, Kristie and Liam. We came so close this year to winning, a close second, which was fantastic.

Thanks again to all Patrol 9 members who with great enthusiasm, expertise and friendship made this year another enjoyable and successful one! Looking forward to doing it all again next year.

Patrol 10 ‘Gourmet Patrol’ - Rob Barkley

What another riveting season the fantastic 10 had with energy to burn, rippling bodies oiled and fuelled to perform incredible skillful deeds, but above all equipped with a sense of humor to greet and meet the public. Thanks to our extraordinary patrol members for their camaraderie and a wonderful season we shared with the swimming public of Newport keeping our beach safe and fun.

We welcomed several new members to our patrol but a standout was Steve Donnelly (Tall Man). With the encouragement from his fellow members Steve went through his inaugural season to break all records achieving Bronze, Silver and Gold Medallions.

During the season our patrol was continuously anchored by the close knit Fletcher family not to mention Lucy's tongue teasing delectable delights, and the head of the clan Mark Fletcher also achieving his Gold medallion.

We had many of our elite group complete several Life Saving awards including Spinal Management, Senior First Aid, ARTC and Silver Medallion Basic Beach Management. We congratulate Bob Allo, Adam Ewers, Ged Tysoe, Michael Lenehan and Grant Dargue for learning new skills and providing a solid back-bone to the patrol

The competitors of our patrol had enormous success during the season and achieved some wonderful results. In particular the younger generation of Max Brooks, Fletcher Davies, Catherine Lanz and Lucy Fletcher for being either Australian Title finalists or medal winners. Your fellow patrol members are proud and in awe of your fantastic performances.

This year the patrol was assessed and inspected only once for a near perfect score “if not for an unavoidable missing flag”, such was the devastation to our patrol of this mere oversight. Rumor has it the Branch Assessors avoided our patrol for the season in fear of our capability for perfect scores to ensure some other Clubs on the Northern Beaches had an opportunity to win the patrol competition.

I also congratulate Dave Buchan for his 10-year service award and thank our long-standing members whom have provided the initial backbone of the patrol for more than a decade. Both Grant and I look forward to them receiving their long service award in the near future.

Well that's the season it was, we look forward to next season as we pack our sluggos, sunglasses and towel into mothballs and await the winter hibernation cycle to pass. . The challenge for Patrol 10 members in the offseason is to seriously span the universe for the elusive culinary dish to present to the elite members of the gourmet patrol.

Yours in Sun, Surf and Sand

Patrol 10

Patrol 11 - Josh Hayward

This season for Patrol 11 has been a year full of ups and downs on the beach. The days on the beach are always fun with our group taking on every aspect of being the role model Surf Life Saver. We take the good days with the bad and the busy days with the quiet, but one thing I notice with Patrol 11 is we are always laughing our way through the days.

One memorable day this season was when we had three (3) spinal referrals requiring ambulance assistance within 1 hour. Although we may seem very relaxed when not busy, on this nipper Sunday morning everyone pulled their weight plus more. With Kate going off in the back of an ambulance re-assuring one of the patients, we were suddenly one patroller down. Everyone took it in their stride and not only did we handle the situation in a calm and professional manner, but we ensured that at all times the beach remained safe. It was at the end of this patrol that I felt that no matter what situation arose we could handle it.

It is with great sadness that I have decided to step down next season as Patrol Captain and move to the back of the tent due to work commitments.

To finish, thanks for the 7 years as Patrol Captain (since I was 18), seeing many Club Captains come and go, and I look forward to seeing many more young Patrol Captains coming through the ranks in the years to come.

Patrol 11

Patrol 12 - Tina Leck

You could just about guarantee a sodden grey day with rotten surf every time we had patrol during the 2011-12 season. Despite the weather we had a great turnout to every patrol, why?... Well here's my psycho-babble top 10 reasons for why we had a full Patrol when the weather was so shitty;

1. We love a chat with our mates!
2. We like having an excuse for not doing something, "Sorry I can't do I'm on patrol" and escape down to the beach.

3. Guyren, Nigel, Pete and Keith love taking the IRB out! I think Nigel 'flipped out' the most, (Pete no longer wears his good sunnies when he's crewing for Nigel) and all of them had their share of engine troubles adding to the adventure.
4. Amy makes amazing home baked treats. Yum! I tried baking once & the resulting rock cakes were barely edible, (I blame my oven).
5. Bad weather + beach open = lifesavers outnumber swimmers and the SRC troupe & baby bronxies can hit the boards! I love my crew practicing out in the water!!
6. Bad weather + closed beach = beach volleyball or beach rugby!!!
7. You get wet when you swim out to Kylie so a little bit of rain doesn't matter!
8. You can only get an elusive red cap for 100% patrol attendance, rain, hail or shine! (Nigel could have got 2 red caps this season if only he'd recorded all his hours!!! oh well he had fun)
9. Turning up meant you could continue debating climate change/politics/science/religion/ethics/anything and everything with Nigel. (Pete was most disappointed one patrol when he had his headline and arguments all ready and Nigel didn't come!)
10. We love a chat with our mates!

Thanks to every member of Patrol 12, you handled every situation with professionalism and good cheer. It's been absolutely awesome being your Captain for the season. I have loved the camaraderie of Patrol 12 and I was touched by your end of season farewell. You'll be in the capable hands of Jess Menzies next season.

We did make the most of a few sunny days. Here's hoping we get a few more next season and I'll see you in the surf a lot more as a regular patrol member.

Patrol 12

Patrol 13 - Peter Davies

I recall reading an article about the Surf Life Saving movement on the Peninsula in the Manly Daily, would have been around the start of April I think, about how volunteer patrols would very shortly be coming to an end for the season. As it was the Daily, it featured Queensie and Freshwater in the editorial and showed an image of a mature(ish) patrol member, I think from Queensie, dragging a rescue board up the beach with the headline "The Last Patrol". First impressions are not always correct, as I thought the caption had indicated that this bloke was about to retire from patrol duty when the season concluded. A closer visual inspection of the editorial proved this to be wrong, he did actually look quite knackered, but contrary to my first impression, he had merely completed his last patrol for the year.

By the end of each season, when the winds swing around and breathe cooler gusts from the south and the beach is sparse with die-hards, we too look forward to the last patrol, but give it a month or so and we'll be looking forward to the first patrol, it's a fantastic cycle.

Further reading indicated that like our own, their season was one which provided no heart stopping moments, a few low range rescues and incidents etc. but on the whole, no major dramas. One quote from the article pretty well summed up their season... "And that's the way we like it" and I have to concur that's how we feel also.

There is always a "but" though, and ours is that we can't become complacent and rely on the premise that nothing is going to happen on our beach, because it can and possibly will, we are there to ensure that an adverse situation does not turn out to be tragic one. Patrol 13 is blessed to maintain a good balance of members, hovering somewhere between knowledgeable maturity and youthful enthusiasm, they are simply a great bunch of dedicated people and my heart felt thanks go to them for their attendance this year. Special thanks to Stu and Mike, both of whom acted as Vice Captains this season, as well Gus who collectively formed the basis of the slowest twilight sailing crew in the history of yachting.

Patrol 14 - Alana Smithies

Yet another highly successful season for Patrol 14 this year! Our atrocious luck with the weather continued, ensuring there were more rain filled, cold and cloudy days than sunny ones - a complaint has been made to the Club Captain for this to be rectified next season. The weather did not however reflect on the morale of the Patrol, with many current members completing higher awards this season, and the addition of a few new enthusiastic faces.

I will continue to maintain (with absolutely no bias whatsoever...) that Patrol 14 is the best patrol at Newport, delivering excellence in every aspect of Surf Life Saving. Even our Patrol's hole-digging skills improved this year, as demonstrated on one of our many poor weather days by members of the sprint team. Although considering they assure me that they are elite athletes, the holes size wasn't THAT impressive, most likely due to the fact that our patrols hole digging expert (Jackson) was absent that day.

The running theme of the year would definitely have to have been visitors to Newport. A bus full of excited Korean children who had never seen a beach before kept us on our toes for one patrol, we gave surf safety lessons to a group of African children, we supervised (from a water safety perspective of course) a mass baptism ritual, and finally we were visited on our last patrolling day by a man who could only be described as a ninja practicing his martial arts moves atop the pipe (however clearly he was not a ninja, because everyone knows that ninjas are invisible).

I can't thank the members of Patrol 14 enough for their contributions and efforts over the past season. Whilst at times we may appear from the outside like a dysfunctional family, I am proud to say that in times of need the entire patrol pulls together and know what needs to be done with hardly a word being spoken.

I look forward to the next season with you all!

Patrol 14

Chief Instructor's Report

This has been my first year as Chief Instructor, which I may add came about in the most unusual set of circumstances, none the less on reflection the season has been profoundly rewarding and on a personal note I enjoyed the stimulation and the camaraderie of both trainers and new members.

After a quick change of the baton at the start of the season from Captain Crutch I realized very quickly just how fortunate Newport members are to have so many capable people who dedicate an enormous amount of their personal time to provide Surf Education to new and existing members in a positive and professional manner.

We had a solid foundation to launch this season's training strategy and we tested some experimental development programs which proved to be successful. We introduced some changes to our training format that made for good outcomes in the development of our candidate's knowledge whilst keeping the sessions upbeat and interesting.

During this year of Surf Education we had many highlights, some outstanding performances, personal triumphs and along the way we meet some colourful characters and shared many memorable moments.

A quick synopsis of the seasons Surf Education programs has over 670 awards being achieved by new and existing members, a busy and successful year to remember and a proud storey for the Newport Surf Club.

Some notable highlights were:

- We had our best ever year of (99) Bronze Candidates successfully complete the course, this will go a long way to bolster the strength of our Patrols for years to come
- We had our first successful attempt of a condensed bronze course to less than a week with 5 talented athlete's from Riverview Private school - would be boatie competitors. Thanks to coach Marty Cowper OAM whom came to assist for what he said would be 1 day and stayed the week.

December Bronze Group

- Celebrity instructor Ian Crutch and his band of merry men continued to foster the relationship with the Loreto College with 37 well-respected and polite ladies completing their Bronze Medallion.
- We had a bronze group who have thrown out the challenge as possibly the most social group to go through in as many a year.
- We had a fellow called Steve Donnelly a new member of the Club complete his Bronze, Silver and Gold Medallions - a remarkable effort and achievement in his inaugural season.

We had 49 enthusiastic kids graduate to the patrolling section of the Club by achieving their Surf Recue Certificate. Glen Borg Ilia Lakaev, Ben Cummins, Carolyn Hayes and Marty Cowper headed the program with significant help from the trainers and Nipper Mums and Dads.

We had 4 members achieve their Trainer's Certification and another 8 are still in the process. All our Trainers continually displayed an ability to tailor sessions to suit the participant's goals and ensure a safe learning environment for them whilst they develop their skills

An honorable mention and a gratitude of thanks to our Course Administrators who have kept the social governance just right throughout the season and made sense of the considerable paper work. Thank you to Catherine Perkins and Leanne Budd.

To our wonderful Trainers and Assessors, the Club and I thank you for your enormous contribution of personal time and your commitment to providing a positive and fun learning environment for Newport members. I am sure they enjoyed themselves.

Rob Barkley
Chief Instructor

First Aid Officer's Report

A much quieter season on the First Aid front - perhaps due to our increased vigilance on Patrol - preventions were substantially increased.

Thank you to all the Patrols who put the time in this year to clean out the First Aid Room at the end of each Patrol. Doing this makes everything easier for the next day's Patrol, and I'm sure they greatly appreciated not coming in to a whirlwind of mess.

Thank you also to those members who volunteered their time to assist with First Aid at the SNB Boat Carnival held at Newport and our Ocean Swims - many hands make these tasks a lot easier for everyone.

Look forward to seeing you all again next season.

Sandy Menzies
First Aid Officer

Powercraft Captain's Report

This year saw the Club purchase some new equipment to replace our older and failing equipment, including a new ATV for our Beach Patrols. We have also implemented a replacement scheme for our IRB motors to ensure that we will have all our equipment operational for the years to come. Again this year our relationships with our neighbouring Surf Clubs continued to grow, allowing us to rely on them whenever we need assistance with water safety for events, and help them with their's in return.

Throughout the season we have been asked to assist our neighbouring Clubs, other organisations and our own events with providing water safety. I would like to give a huge thank you to all the helpers who have saved me countless hours on the water.

I would also like to thank the Trainers who have helped with training our IRB awards over the season:

Adrian Hill
Matt Edwards
Kevork Temisgian

Stuart Blackburn-Smith
Guyren Smith
Rob Timar

Newport's fantastic team of Trainers successfully trained 7 crew certificates as well as 9 driver's certificates. Well done, this will ease the burden of our IRB personnel on patrols.

Also to our IRB Assessors Gant Dargue and Bern Howard I would like to thank you for your excellent assistance this season.

I would also like to thank Mal French and John Greenhill for assisting with maintenance of our gear throughout the season, your expertise and knowledge is invaluable.

Kieran Menzies
Powercraft Captain

Club Awards

'Clubman of the Year' - (Michael Hill Memorial Trophy)

Mal French

The Michael Hill Memorial Trophy is the most prestigious of all awards granted by the Club each season. This perpetual trophy is named after a former Club Captain who was fatally injured in an accident in the late 1950s. This trophy is awarded annually to a member who not only fulfils his or her rostered Patrol commitments, but also participates in all other facets of the Club's activities, such as fundraising projects, training, social functions, assisting in the maintenance of the Clubhouse, etc. - in other words an all round outstanding member. This award is generally not awarded to a member of the Club's Executive.

Mal has been a member of Newport SLSC since doing his Bronze Medallion in 1993 and is an Outstanding Service Member of the Club.

Some of Mal's work during the 2022/12 seson has been:

- Assisting with the minor IRB maintenance and transporting the IRB's to and from the service provider
- Assisting to deal with storage issues in the IRB shed and helping to find a workable solution given the limited space available
- Facilitating the redevelopment of the Club Office by organising the installation of bookshelves and cupboards to make our Administrator's working environment safer
- Mal regularly assists with water safety in the IRB at Nippers or Club Carnivals
- He is always one of the first to be there for setup at a carnival

Mal French - Clubman of the Year

and one of the last to leave after everything is packed up

- Volunteered to patrol on Christmas Day and completed 8 hours. This is a notoriously difficult day to fill and we greatly value his commitment.

All of these activities are in addition to his patrol hours with Mal completing 56 Patrol hours this season.

Mal is an ever present member of the Club. He has

helped on patrols and acted as IRB driver, in addition to filling in as an extra on patrol on many occasions.

Above all else Mal's willingness to donate his time and effort to all divisions of the Club from assisting patrols, to repairing equipment, working behind the bar, support of the competition teams through work at the Boat Carnival, as well as his involvement with our Pool to Peak Ocean Swim, truly show Mal's passion and loyalty to our great Club. We are most definitely a better Club for having Mal in it, and his work has been a constant support our wonderful Club

Previous winners of the Michael Hill Memorial Trophy since its inception are:

1958/59	Robin Pearson	1976/77	John Holland Jnr.	1994/95	Bob St. Clair
1959/60	Ed Leuenberger	1977/78	Graham Lindley	1995/96	Alex Law

1975/76	Justin Wilson	1993/94	Bernie Howard	2011/12	Mal French

‘Paul Stevens - Junior Clubman of the Year’

Brendan Menzies

Brendan joined the Club as a Nipper in 1997 to go on to completed his Surf Rescue Certificate in 2006 and Bronze Medallion in 2008 with many other awards since then.

This year Brendan completed his patrolling obligations as well as working as a Trainer for the Loreto Bronze group, which was at times challenging due to their age and propensity to ‘have a chat’!

He provided First Aid at the Surf Boat Carnival hosted by Newport.

In furthering his list of SLSA Awards Brendan completed his Assessors Course and has recently been formally accepted as a Probationary Assessor for Sydney Northern Beaches Branch.

Brendan despite his young age has this year completed 10 consecutive years as an Age Manager for our Special Nippers Program.

Brendan is one of our very quiet achievers and does so much unseen behind the scenes.

Brendan Menzies & Ron Bridges (Life Member)

‘Hans Trumm OAM - Award for Patrolling Excellence’

Matthew Edwards

Matt Edwards & Jack Holland (Life Member)

Matt likes to motivate the Patrol long before they get to the beach by sending out regular email communications with the weather forecast, tides and surf conditions a few days before Patrol. This is well received and a pleasant reminder to Patrol Members that they are rostered for the weekend. He then gauges Patrol attendance and organises refresher workshops that will be conducted during the Patrol to keep skills sharp and encourage learning.

Matt’s Patrol grew significantly this year with many new SRC members, so being approachable and showing an interest in them as individuals has been important for their engagement and he also encourages them to share their newly found skills and experiences with the patrol. Matt has done this with great flair and enthusiasm.

Matt also likes to regularly sharpen the Patrol’s surf skills by swimming as a group to “Kylie”, or paddling out to the reef on the rescue boards. On the cold and wet patrols he undertakes resuscitation and spinal management refreshers for all of the Patrol in the Club House to ensure Patrol Members are up to date with their skills.

‘Peter Dawson – Best New Member’

Guyren Smith

Guyren is a fantastic Patrol member who is enthusiastic and actively seeks to participate in all duties.

Guyren has completed many additional awards including IRB Driver, Silver Medallion Basic Beach Management, and Trainers qualification.

Not content with gaining these awards himself, Guyren has gone on to help instruct and run the IRB Driver/Crew program at Newport.

Beyond his patrolling duties Guyren has also taken on the major commitment of being a Nippers Age Manager, has 100% Patrol Attendance and has completed 48 Patrol hours this season. He is also willing to swap patrols and help out as needed.

Guyren deserves the Best New Member award for demonstrating a high level of commitment to Patrol duties, to the future of the Club, having excellent skills and being a courteous professional at all times.

Guyren Smith & Michael King (Life Member)

‘John Holland Snr – Committee Members of the Year’

Rob Barkley & Brett Budd

Rob Barkley

Rob was conscripted to be Chief Instructor at last year’s AGM. He gracefully accepted the nomination on the day, agreed to assist and stepped up to the challenge – leading the Club to one of our most successful seasons.

Rob has followed up on trainers who completed training units and ensured the mentor process was followed for them and they achieved their training officer certificates. He has also encouraged content experts who have assisted with training for years to take the challenge and do the trainers course.

Rob trained bronze groups in October, December (1 week intensive), and 2 groups post Christmas.

As part of our management Committee Rob provides excellent input from his many years as a business executive and utilises his business skills and consultative nature for the current and future benefit of the Club.

Rob’s encouraging and engaging personality has also helped to improve our retention rates with both young bronze and SRC candidates and will hopefully keep our Club full of eager youth for many years to come.

Rob is a regular winner of 100% Patrol hours awards, and this season has been his 10th season as a Patrol Captain.

Brett Budd

Brett’s work as Club Captain has been viewed by many as the best in recent memory. He has total devotion to the task of organising all of our patrols, to distributing information, having regular meetings with Patrol Captains to assessing their needs and imparting information gleaned from Branch Board of Lifesaving meetings and has been an inspiration to all involved.

He also has ongoing attendance of numerous patrols, including the ‘much loved’ Christmas Patrol where he and his wife Leanne spent most of their Christmas Day to assist as needed. This one is notoriously hard to fill and we thank them for their efforts!

Brett has proven to be a wonderful Club Captain, Club member and member of the Management Committee who provides insightful, deliberately thoughtful and challenging discussion - always with a view to furthering the progress of our club and considering the thoughts and needs of others.

He is a strong supporter of our ‘Pool to Peak Ocean’ swim, organising all the water safety, risk assessment and voluminous paper work that needs to be completed for the safe running of the event.

He has volunteered to manage the Club’s security by arranging for the swipe system and has also made himself available to meet the Club’s IT needs as needed.

Rob Barkley, David Oatley (Life Member) & Brett Budd

Our Under 17 Water Team

‘Competitor of the Year’

Max Brooks

Max Brooks & Ron Bridges (Life Member)

Max has had a sensational year of competition, culminating in a record medal haul of a total of 7 medals including 4 Gold at the Australian Surf Lifesaving Championships.

Max is an outstanding lifesaver in both competition and Surf Club life. He is a highly talented athlete, dedicated to training and competition and is a fantastic team player. Max is always extremely humble about his success and regularly recognises his teammates as the major factor and motivation behind his success.

During the 2011/2012 season, he has been active in mentoring and supporting our Nipper activities through coaching and water safety support and despite his massive training and competition schedules always manages to meet his Patrol obligations.

Max is an outstanding athlete, excellent role model, dedicated Surf Lifesaver and a valued member of Newport SLSC.

‘Tom Guthrie – Rookie of the Year’

Darienne Ansiewicz

Darienne completed her Surf Rescue Certificate last year, however is not yet old enough to complete her Bronze Medallion.

In addition to her regular patrols she has spent this season assisting as an Age Manager with Newport Marlin's and Dolphin's Special Needs Nipper Group. Her contribution has been invaluable as the members of this group really relate to her as she is closer to their age. She has also encouraged her friends to assist with this group. This is a fantastic achievement as this is a particularly hard group to attract younger members to.

We thank her for her efforts this season and look forward to seeing more from her in the future.

Darienne Ansiewicz & Gary Cook (Life Member)

JAC 'Competitor of the Year'

Kristie Edwards

What an outstanding year for this young athlete. Kristie represented Newport Nippers at the following Carnivals:

- Branch Titles
- Inter-branch Titles
- State Titles
- All Australian Titles (Nationals)

Kristie won Gold at all the above Carnivals in both the U12 Flags and U12 Beach Sprint. In fact Kristie was undefeated the entire season. On top of that Kristie also won the Branch - U12 Beach Relay and the Nationals - U12 Beach Relay. Clearly the 2011/2012 season was a wonderful testament to the efforts of Kristie Edwards.

Kristie Edwards, Peter Finn & Jackson Borg

JAC 'Chairman's Award'

Jackson Borg

Jackson has always displayed a great respect for his elders, mentors, peers and the many junior Nippers in our Club. He is kind, quiet, unassuming, respectful and a tolerant person who is very well grounded. Jackson is a model of consistency and always eager to lend a hand, no matter how unpalatable the task. He is a leader with friends & he leads from the front to get the best results. He wears his Club & Patrol uniform in the manner intended and with great pride. Jackson has always exhibited the traditional values of Surf Life Saving and a worthy recipient of this award.

Leanne Valla & Linda Dixon

Below: Our Aussie Gold Medal Champions with their Framed Cap Awards

Sydney Northern Beaches Most Outstanding Club Awards

SNB Life Membership

June King

- Joined Queenscliff SLSC- 1972, Joined Newport SLSC-1981
- Manly Warringah Branch-1983-86 Honorary Treasurer
- Manly Warringah Branch- 1986-1989- Honorary Secretary
- 25 years' service SLSA Long Service Award-2006
- 30 years SLSA Long Service Award-2011
- June has been active in all services of Surf Life Saving and continues with Club history work today.

Athlete of the Year

Max Brooks

Max was named Sydney Northern Beaches Branch Athlete of the Year for his outstanding success throughout the competition season and his contribution to lifesaving in general. He has won medals in Branch, State and Aussie Championships and has been undefeated for the season.

Max was selected to represent Sydney Northern Beaches in the Interbranch Team, Surf Life Saving NSW in the Interstate Team, and has also been selected for the National Team who will be competing in November 2012.

A fantastic achievement.

Masters Athlete of the Year

Ted Smithies

Ted's remarkable record over the years in the beach area and his success this year again was rewarded with the Masters Athlete of the Year.

Ted gained his Bronze Medallion in January 2000, and has won the Master's Mens Beach Sprint event in his age group for his past 12 years of competition.

Ted also competed in Flags and Sprint Relay, and has earned several medals in these disciplines as well over the years.

A well deserved result.

Team of the Year

Under 17 Water Team

The U17 water team comprising, Lachlan Reid, Jonah Beard, Max Brooks, Fletcher Davies, Peter Euers, Cooper Halligan, Cody Marr, Jacob Nielsen and Jayke Rees was named Competition Team of the Year capping off a remarkable season for the boys.

This team won every U17 individual and team event at the Branch Titles, won every U17 team event at State Titles and gained a medal at every U17 team event at the Australian Championships.

A truly outstanding result for these young athletes!

Under 17 Water Team

Brian “Woggles” Mason Trophy

Newport SLSC Jollytails crew were the winners of the Brian ‘Woggles’ Mason Trophy for the best handicap pointscore in U19 Boat Competition. This crew has a third generation boat rower in Lachlan King, and second generation rower in Connor Milham.

The Trophy was collected on the night by Bert King OAM Life Member.

Lionel MacDonald Shield

Newport was again successful in winning the Lionel MacDonald Overall Handicap Pointscore Trophy. This trophy is awarded to the Club that has the best handicap point score over all Sydney Northern Beaches Carnivals.

James Brook, Max Brook & Nick Carroll

Bert King OAM (LM) accepts the Brian Woggles Mason Trophy

Tim Francis with the Lionel MacDonald Shield

Most Outstanding Club for Administration

Rob Emerson accepts the trophy for 'Most Outstanding Club for Administration'

Most Outstanding Club 2nd place

Newport gains 2nd Place in the 'Most Outstanding Club' competition

Bennett Board Branch Championship Handicap Point Score Award

Newport SLSC were also the winners of the Bennett Board Branch Championship Overall Handicap Point score award, and were the recipients of a new racing board.

I'm sure our competitors - both young and not-so-young will put this board to good use in the future.

Bert King OAM presents the Bert King Boat Trophy to Dee Why

Greg Bennett (Bennett Boards) with Tim Francis

SNB Most Outstanding Club Presentation Night

Competition Organiser's Report

The 2011/12 season saw record performances and the best competition results at Branch, State and Australian Titles in the Club's history. All the competition disciplines had outstanding results in both Open and Masters Competition. The season culminated with a record number of over 100 members forming our competition team for the Australian Titles at what was ultimately Kirra Beach after the tragic loss of Matthew Barclay on the first day of Open competition at Kurrawa.

The Masters teams continued our impressive history of success at all levels, but it was the results in the Open water area that was the success story of the Club this year. The U17 team of 9 talented athletes achieved results that will stay in Club's record books for some time. Their achievement added 6 new Australian Champions to the Club's "Hall of Fame". Since the first Australian Titles in 1946 we have had only 12 Australian Champions until this season's success

Our representative stocks also hit record levels. Jake Lynch, Max Brooks, Jayke Rees, Stephanie Zervos, Ollie Signorini, Charlie Brooks and Kristie Edwards were selected in the SNB Interbranch Team. Jake and Max went on to gain selection in the NSW Team and compete successfully in the Interstate Series.

Lachlan Reid & Peter Euers

Open Competition Branch Championships

Newport finished the Branch Championships in overall 2nd place just behind Manly, our best result ever. This result was spearheaded by the results in the Open water area. The U17 Water Team has grown with Jayke Rees, Lachlan Reid and Jonah Beard joining Max Brooks, Cooper Halligan, Cody Marr, Fletcher Davies, Peter Euers and Jacob Nielsen this season. The team won every U17 individual and team event at the Branch Titles. They filled the first 6 places in the Iron Man with Jayke Rees leading the way. They also had a crack at several of the U19 team events winning the Board and Ski Relay. Not content with that they took on the Open Branch's

best water crews and came 2nd in the Open Taplin giving Manly a scare by leading at one point in the race.

In the U15's, new face Ollie Signorini joined Darcy Marr, Charlie Brooks, Guy Rees, David Euers, and Jackson Borg on what was a very successful day out with lots of Silver and Bronze Medals both individually and in teams with the highlight being Ollie winning the Board Race. Our sole female in the U15s Jamie Hough picked up a swag of medals as well.

Catherine Lanz & Talissa Taurins

In the U19 Female division Sabrina Warwar showed her all round ability by winning both the Surf Race and the 2km Run.

In the Beach area Newport maintained its number one ranking in the Branch winning almost every event they contested including almost all the Relays. The team of Jake Lynch, Ben Ambrose, Rob Barkley, Steve Hatch, Josh Tyler, Steph Zervos, Catherine Lanz, Lucy Fletcher, Tatum Ansiewicz, Talissa Taurins and Oscar Stranack stamped their authority on the Championships with a haul of 10 Gold, 7 Silver and 2 Bronze Medals

The Boats were successful with the Jollytails picking up a Silver Medal in the U19s and the Makos teaming with our water crew to pick up a Bronze in the Lifesaver Relay.

State Championships

The State titles at Kingscliff had major challenges missing one key element, a beach. This saw the Titles scattered to wherever they could find enough sand to run events. Newport finished 6th overall, another record result. The U17 water team again was outstanding winning every team event at the Titles, and also filling the minor places in some events. Individually Max Brooks won the Board and was 3rd in the Ski, Jayke Rees won the Rescue Tube and was 3rd in the Surf Race and Jonah Beard picked up a Bronze in the Rescue Tube. This outstanding result led to Newport winning the overall U17 Point Score Trophy, another first for the Club. In the U15's Ollie Signorini won a Silver Medal in the Surf Race

and teamed up with David Euers to also gain Silver in the Board Rescue. They added another Silver Medal teaming with Charlie Brooks and Darcy Marr in the Cameron Relay

In the Beach area Jake Lynch was the standout Open Competitor winning 3 Medals, Gold in the Sprint, Silver in the Flags and teaming with Steve Hatch, Rob Barkley and Ben Ambrose to gain Silver in the Open Relay. This individual accomplishment was a highlight as this has not been achieved in over a decade of Beach Competition. The Women's U19 Beach Relay of Stephanie Zervos, Tatum Ansiewicz, Catherine Lanz and Lucy Fletcher also picked up a Silver Medal.

Australian Titles

The Australian Championships were relocated to Kirra after the tragic start to the event at Kurrawa. It was a very emotional time for our water competitors with two of our young boys in the same race in which the tragedy occurred, bringing it very close to home. As Team Manager getting a phone call to say that one of the U15's was missing was a very scary period until we established all our team was safe. The U17 Water Team again excelled medaling in every team event. Max Brooks became the Australian Iron Man Champion and gained a Bronze in the Ski. Along with his team Medals he won a total of 7 medals including 4 Gold. This effort saw him named in the Australian High Performance Squad to compete at the World Titles in Adelaide to be held in November. Jonah Beard, Cooper Halligan, Jayke Rees, Cody Marr and Fletcher Davies joined Max as our new Australian Champions with their outstanding efforts in the Surf Teams, Board Relay and Board Rescue Title wins. Peter Euers was so close to joining them with Silver and Bronze in his team events. Our under 15 Team also performed very well making many Finals and with some of them still having another year in the age group next year promises a great result again.

Jake Lynch

In the Beach Competition our competitors made a total of 8 Finals. Jake Lynch showed his all round ability making the Final of both the Sprint and Flags and winning the Bronze in the Sprint. Ben Ambrose and Tatum Ansiewicz also were Finalists in their Beach Sprint events. The girls came agonizingly close to a medal with 4th Place in both the U17 (Stephanie Zervos, Catherine

Lanz, Talissa Taurins and Lucy Fletcher) and U19 (Steph, Lucy, Talissa and Tatum) Beach Relays.

Masters Competition

Australian Titles

Since its inception of the Australian Masters in 1991 Newport has both competed and medaled in every one of the 22 Championships held to date and this year was no different with Martin Lynch leading the way winning his 22nd Gold Medal at the Championships, winning his Beach Flags event despite carrying an injury that kept him out of the State Championships. The Beach Competitors showed their experience in both individual and team events with great performances. Ted Smithies won his 12th successive Sprint Title and teamed with Marty, Steve Hatch and Brett Macpherson to gain Silver in the 170+ Beach Relay. Brett Budd also picked up a Bronze in his Beach Sprint event.

In the Water area at Aussies Nick Carroll and Stuart Meares, after many years of coming close, teamed up to win the Board Rescue event and Stuart also picked up Silver in the Rescue Tube Event.

Martin Lynch's 20 years of coaching experience on the beach was rewarded with his appointment as the Beach Coach for the National High Performance Squad.

The Women's events were just as successful with Sukie Southern winning the Gold in her Beach Sprint event and Silver in the Flags. Karen Burns won the Silver in her Sprint and the Bronze in the Flags. They teamed up with Katie Edwards (who broke her finger in the Rescue Tube event prior to the race) and Robyn Cummins to gain Silver in the 170+ Beach Relay.

State Titles

Injury and work commitments kept a lot of the beach competitors out of the State Titles but Ted (Sprint Gold, Flags Silver) and Sukie (Sprint Silver) both excelled in their individual events. Karen won her Beach Sprint event as well.

Unfortunately lack of a beach saw a number of water events not held due to lack of time which was disappointing for those who had made the trek so far North. Kevin Flood was Iron Man Champion and also picked up the Silver in the Board. Stuart Meares won the Rescue Tube and Silver in the Swim and teamed up with James Brooks and Simon Goldschmidt to take the Bronze in the 130+ Surf Teams.

The evergreen Masters Boat Crew of Mark FitzGerald, David Peaston, Al Lerpiniere, Michael Maley and Michael Heathcote more commonly known as the "Benders" picked up a Bronze in the 180+ Boat Race.

Branch MOC Presentation Night

Newport dominated the Branch Surf Sports Awards this season. Max Brooks was named Athlete of the Year for his outstanding success throughout the competition season and his contribution to Lifesaving in general. Ted Smithies remarkable record over the years in the beach

area and his success this year again was rewarded with the Masters Athlete of the Year. We were again successful in winning both the Lionel McDonald Shield (for all SNB carnivals handicap point score winners) and the Bennett Branch Championship Handicap Point Score Award. In addition to this the U17 water team was named Competition Team of the Year, capping off a remarkable season for the boys. The Brian "Woggles" Mason" Trophy was, for the 3rd year in a row, won by Newport. This year won by the Jollytails.

This year saw the formation of the Board of Surf Sports, a subcommittee of the Management Committee lead by myself. This subcommittee was formed to ensure that all competitors' interests were represented to the Management Committee and Club Executive when required. It also served as a think tank for the development of competition within the Club. I would like to thank the sub-committee members James Brooks, Ted Smithies, Michael King, and Gary Cook for their efforts in our first season and for the support of Rob Emerson and Brett Budd for this new initiative that I'm sure will have long term benefits for the competition area of the Club

The success across all disciplines and ages in the Club has been phenomenal. We have Branch Champions from U9 to over 60 year's age groups. State Champions from U12 to over 60s and we added 6 new Open Australian Champions to our Hall of Fame this season. These were all record performances.

Newport is known as the family Club and this was clearly apparent in our success this year with no less than 5 Father/Son, Father/Daughter and Mother/Daughter combinations winning State and Australian Medals in Open, Masters and Nippers.

Jonah Beard & Fletcher Davies

Intraclub Competition also was a great success with the Kings and Carroll Cups attracting a record number of both social and elite competitors in these great handicap events. The Club Championships were also very hotly contested. Congratulations to Max Brooks in defending his Kings Cup crown and to Jackson Borg in winning the Carroll cup.

OC Boat crew

The Competition Season is not only a long a grueling affair for our competitors, it is just as demanding on our Officials who are often on the beach before and still there after our competitors have finished. Without them we wouldn't have Carnivals and thanks must go to our own team of Officials led by Mr Official himself Gary Cook. Gary was recognized for his service and experience in being appointed Australian Referee (Beach) at the Masters this year. To Greg Howard, Col McLean, Mark and Megan Hayward, Ian Storey, Bern Howard, Lynne Blackburn-Smith, Carolyn Hayes, Michael King, David Hutton, Wendy Taurins, Bill Washington and new recruits Darryl Halligan, Scott McAlpine, Guyren Smith, Nick and Suzie Mills we say thank you for making it all possible.

Can it get better next year? Who knows but we are certainly still on the way up.

Tim Francis Competition Organiser

Martin Lynch

Board & Ski Captain's Report

This was a consolidation year for Board and Ski. With last year's redesigning of the Board and Ski storage providing just enough space available for craft, we were able to focus on training and development and the competitive results speak for themselves – an unprecedented Gold rush at all levels from Branch to Aussies.

At the same time, the Club's own board and ski resources were fully engaged on numerous occasions. Our ten Club owned boards and four Club owned skis saw more water time than ever, as a wide range of Club members took to the waves in personal training and water safety activities. It left us with some repairs and catch-up works at season's end but this seems a small price to pay for an active and water-skilled membership.

Part of private craft storage at the Club is an implicit agreement for craft owners to commit a certain amount of time and energy for the benefit of other Club members – whether through training assistance, water safety,

carnival activities, fundraising or other appropriate means. Generally speaking everyone really picked up their acts in this area in 2011/12 and it was pleasing to see this included everyone from recreational paddlers like Andrew Elliott to the Club's Competitor of the Year Max Brooks.

Expansive times lie ahead for this area of the Club, as with most Club activities, we intend to set high standards in every area of craft skills and use those skills to benefit other Club members and the public at large.

We'd like to thank Grahame Tate, Alan Channels, Kevin Flood, James Brooks and Tim Francis specifically for their help in keeping Board and Ski rolling in 11/12, and Club President Rob Emerson for continuing to encourage the One Club philosophy in practice as well as in theory.

Nick Carroll
Board and Ski Captain

Surfboat Captain's Report

Season 2011/2012 saw Newport field more Crews than just about any other season on record. This season we put forward four U19 Crews, three U23 Men's Crews, three U23 Women's Crews, a Reserve Crew, an Open Men's Crew, a 180 Masters Crew and two 200 Masters Crews. So we took on the might of the Northern beaches with fifteen racing crews, and did we get some result to show.

With the Youth Development Program entering its fourth season, this year Fitzy, Rob and Leanne pushed hard to build our numbers, and with great success. We put out more Crews than we ever have and had some amazing results, including medals at the NSW ASRL Open, NSW Best of the Best Carnival, Mollymook Open, Pacific Palms Battle of the Boats and collect an impressive haul of medals at the SNB Branch Championships.

Newport performed brilliantly at the NSW ASRL Open at Manly with the Open Men (Mako's), U23 Men (Barracouda) and U19 Men (Jollytails) all making the semi finals, with the Mako's finishing in 4th and the Jollytails finishing in a brilliant 3rd. Newport was also arguably the form boat Club at the Branch Championships, picking up three medals in the points score (Open Men – Silver; U23 Women – Silver; U19 Men – Gold) as well as the U19 Jollytails who picked up a Silver Medal in the Final. We also had five crews make Finals on the day and finished second in the overall points score for the day. The Open Men also combined with our younger water team to pick up a Bronze Medal in the Lifesaver Relay.

The ASRL Open was a bit of a disappointment for most crews, except the U23 Men (Knights) who went all the way to the Semi Final before being robbed on the finish line of what appeared to be a certain berth in the finals! With Josh Hayward only in his third year sweeping this was an extraordinary effort!

The State and Aussie Titles did not bring us our desired results, but still provided plenty of highlights. The 180 Men (Bender's) picked up a Bronze Medal in their

Masters Final, our first State Medal in a number of years. The Aussie Titles was thrown into disarray following the events earlier in the week. With harsh cuts in place, crews fell quickly as the Officials pushed to get racing completed. The Open Men were the only crew to make it through to Sunday and finished 12th overall after being knocked out in the Semi Final. For a crew in their first year of Open Men, and still rowing with two boys in the U23 age division, this was a brilliant achievement.

Newport also had its first Crew entered into the Ocean Thunder Series. The boys started slowly but finished with two finals appearances and fourth place finishes, and finished 8th overall behind all six of the 2012 Australian Finalists! We also had our U23 Men (Knights) and U19 Men (Jollytails) race during the exhibition race in the final round of the Series, in which the Knights won in commanding style and the Jollytails finished 3rd in the U23 division, a great effort from both crews.

Aside from results, we welcomed in four brand new crews this season. A lot of our rowers found out about surfboats the hard way, with many boats rolling and people going for a swim, but every time they kept coming back for more. Full credit must go to our sweeps: Michael King, Mark Fitzgerald, Rob Emerson, Jay Borthwick, Josh Hayward, Peter King and Stu Torrington for making it such an enjoyable season and for taking the time to impart their wealth of knowledge onto all of our new rowers! I know everyone involved in the boats this year has benefited from your hours of training and input, and we have now built the perfect platform to create Australia's most successful Surf Boat Club!

Thank you to all of the rowers who have made this such an enjoyable season and have put in the countless hours of training to achieve the fantastic results we have achieved! I look forward to seeing everyone back again for another crack next season!

Tom Kellaway
Surfboat Captain

House Captain's Report

The Clubhouse has undergone an impressive restoration of the upstairs area this season. Our appreciation and thanks are extended to Pittwater Council for their program of works. The opening windows and sliding doors in the bar, the leaking windows on the eastern side of the hall and the doors onto the deck have all been replaced. Many thanks to John Berry and Glynn Avery for their on going support of the external maintenance of the Clubhouse.

The view and ambience continue to be enjoyed by all of those who set foot upstairs and see for themselves one of the best views on the Northern Beaches.

The commercial cleaners CleanCorp have been hard at work ensuring the Clubhouse is clean. The Club continues to be used not only for all of the Surf Club activities and all of the training associated with everything Surf, but also the numerous yoga classes and Zumba classes that take place each week as well.

The downstairs toilets and showers are the most in demand areas of the Club and consequently continue to be one of the highest maintenance areas of the Club!

Sand is an ongoing problem in the Clubhouse. If we can all be vigilant with washing our feet before entering your house by the beach it would make it easier for all

concerned. Every grain of sand that remains outside the Clubhouse is a bonus.

Access to the Clubhouse was to be changed at the beginning of this season however the implementation was delayed. The new electronic swipe system will hopefully be operational by the start of the next season. The electronic swipe system will apply to the main Clubhouse.

The Clubhouse has had a few repairs requiring the expertise of Ben Seale who has maintained all things electrical and Greg Randall who has maintained all things relating to plumbing. Thank you Ben and Greg for your prompt and ongoing work in maintaining the Clubhouse.

The assistance of a small army of dedicated members keep the Clubhouse in a good state of repair and many things are achieved. In particular I would like to thank our Club Administrator Bev Barnes, Mal French and Registrar John Greenhill for their ongoing support of maintaining the Clubhouse. Bev, Mal and John work very hard during the season on behalf of the Club and I am extremely grateful for you always being there. It has been a pleasure working with you.

Sharon Smithies
House Captain

Publicity Officer's Report

What a year it has been! The Club is on a roll with membership numbers up to 1350. To keep the momentum going it is important to spread the word and that, in a nutshell, is the objective of the publicity program for the Club.

During the 2011/12 season we produced and distributed five newsletters to keep members informed of the Club activities. They are distributed around every two months and posted one copy per family to help to keep costs to a minimum. Each newsletter is also posted on the website for those who want to see it online.

My thanks to Sandy Menzies who does a great job of deciphering my copy and images to put together a professional looking publication. Sandy's artwork for the newsletter takes a major cost out of the equation.

The Club's Executive has strongly supported the communications program so my thanks to President Rob Emerson and his team.

Thanks also to all those members who have recognised the value of the newsletters by submitting stories and photos. Col Maclean has been a steady contributor of stories on the history of the Club that didn't make it into the History Book.

We are gradually adding local business and community groups emails addresses to the newsletter mailing list. We want to involve the local community as much as possible in the Club's activities. This could lead to sponsorship opportunities, but the main ambition is be truly part of the Newport Community.

The newsletters will be a rich history source for future generations to document the Club's activities in years to come.

We need to engage social media more by expanding our use of the Club's Facebook Page and members can assist by becoming Facebook friends. Maintaining the website is an issue that needs to be tackled as it is a big job. I will also have some suggestions for website design changes.

In terms of media coverage, we did very well this season by obtaining publicity in the Manly Daily and Peninsula Living for a range of stories about our Under 17s, our Pool to Peak Ocean Swims, the Nippers starting the Beach Competitors and more. The big challenge will be to build on these publicity achievements in the coming season and we're up for the challenge with the issue of regular media releases.

At the time of preparing this report we have just secured a story about our rise in membership numbers with Peninsula Living. So we are actively spreading the word and this will continue throughout the winter months.

The Ocean Swim publicity, together with other marketing initiatives, saw the two swims well supported and we are aiming high for our 800m & 2km swims on Sunday 6 January 2013. Channel Nine also featured our swims in the news the night of the swim.

We are beholden to the weather/surf conditions on the day but with a stronger lead up to the publicity for the swims we are hoping for bigger numbers. Please make a note of 6 January 2013 if you are available to assist with the running of the swims.

We also linked our swims for the first time with Bilgola, Avalon Beach, Mona Vale and Whale Beach under the Pittwater Ocean Swims banner with mixed success. This was probably due to the adverse weather experienced this summer. We are currently working to have the Pittwater Ocean Swims Series again but we are looking for a travel prize sponsor to reduce the overall cost of the series.

Please keep your stories and photos coming in for the newsletters, for general publicity and the website - and, don't forget Facebook.

The focus for the 2012/13 season will be to maintain our good editorial record with local publications and to also strive for coverage in the major media.

John Guthrie
Publicity Officer

Pool to Peak Ocean Swim Report

635 swimmers competed in this year's swim on the 2nd of January 2012. It was the best attended swim of the seven swims run so far by the Club and the second largest on the Peninsula.

A big thank you must go to Harris Farm Markets and the Royal Motor Yacht Club who have generously supported the swim over many years.

The Swim Committee this year took some bold decisions running an 800 metre introductory swim attracting over 130 competitors. Secondly Newport joined with the four other Pittwater swims offering a prize for two to compete in the Waikiki Rough Water Swim in Hawaii.

It is a big event to organise and credit must go to some long standing members of the Committee including John Guthrie, Kym Charles, Robyn Gardiner, Luke Harris and Bev Barnes. On the day Tom Kellaway with his golden tonsils kept the day running smoothly as did over 50 members doing an excellent job of water safety (thank you to Brett Budd, Kieran Menzies and Nick Carroll for overseeing and coordinating this), over thirty members helped Robyn Gardiner with registration and the prizes, Barry Cooper and Allen Jansens accurately layed the course buoys and a complicated course it was. The start

line a legally contentious responsibility was managed by Bill Washington. Bob Major head chef managed to manage the Knackers who collectively managed not to hospitalise any of the many spectators and swimmers who purchased their offerings.

With a sigh of relief and the great support our sponsors Harris Farm the RMYC, local businesses and over 100 Club Members and helpers a great day was had and we are now looking forward to January 6th 2013.

Howard Moxham Swim Committee

Social Secretary's Report

The 2011-2012 season started with the forming of a Social Committee. We had six members with each person representing a different part of our club:

Vivianne Elliott – Social Members
Julie Hegarty – Rowers
Karen Burns – Beach Competitors
Susie Mills – Nipper Parents
John McInerney – Knockers & Knackers
Jan Proudfoot – Water Competitors

At our first meeting we brain-stormed ideas for Social Events and also decided to see if it would be possible to move our annual Presentation Night from Pittwater RSL to a larger venue. Here's what happened:

Back to the Beach – 25 September

We had our usual welcome Back to the Beach Lunch but the weather wasn't very welcoming. At least a few members were able to take advantage of lots of leftover chicken and salad.

Boardies Nite – 27 November

"Boardies Day" is an annual Surf Life Saving Australia initiative to help raise funds for Surf Clubs. This season we got involved by hosting a "Boardies Nite" at After Fives. The Nippers enjoyed the movie "Surf's Up" in the main hall while the adults enjoyed refreshments in the bar and listened to surfing tunes by The Beach Boys, Hoodoo Gurus, The Atlantics, The Delltones and Radio Birdman. Brendan Doyle, Lise Layard, Kobe Halakas, Amy Halakas, Peter Tierney and Jack Mills took home prizes for wearing their "Loudest Board Shorts".

Christmas – 18 December

The Sunday before Christmas we created combined Twilight Nippers with After Fives, watched Santa arrive via IRB, listened to "holiday music", enjoyed a few drinks and ate ginger bread.

Laser Tag – 31 January

Seal from Aim4Fun hosted a fun afternoon of Laser Tag (paintball without the mess) in the Bert Payne Reserve

(L) Laser tag

next to the Surf Club. The teams represented Nippers, Nipper Parents, Knockers & Knackers, Nick's Water Crew, Tom's Boaties and Marty's Sprinters. Somehow Tom's Boaties won the day even though the team was mainly filled with "ring-ins". All teams enjoyed fighting for the honour and glory of their team and retired to the "mess hall" (bar area) for some much needed refreshments afterward.

Nantucket Shield – 25 April

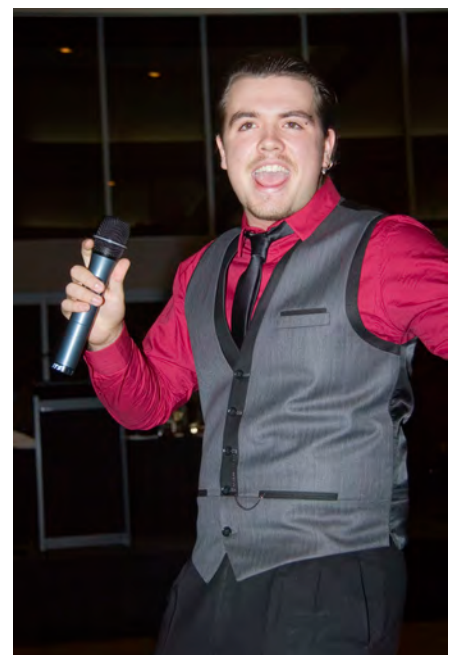

We finally had some great weather for the last day of Patrols. As a result, more members showed up for this annual tradition than usual. Patrol 2 won the "Shield" and everyone enjoyed the delicious Seafood Paella from Mona Vale Food Stuff.

Gala Evening (previously known as Presentation Night) – 18 May

It was the social event of the year! We switched venues and as a result over 250 members attended the evening at Miramare Gardens in Terrey Hills. There were fewer speeches than previous years and much more entertainment. The dance floor was packed as soon as the formalities were over and stayed that way until midnight when we had to leave. We caught buses back to Newport and some of us enjoyed a few more drinks at the Surf Club Bar.

Thanks to the Social Committee for such an enjoyable season. They were a joy to work with. I cannot thank them enough for attending so many meetings, dealing with numerous emails as well as phone calls and being so keen to help wherever they could. The Gala Evening in particular would not have been such an enormous success without them.

Jan Proudfoot
Social Secretary

Cameron Elliott

JAC Chairman's Report

I am pleased to present the Annual Report for Newport Nippers for the 2011/2012 season.

This has been an outstanding season for Newport Nippers with over 500 registered Nippers, including 24 special needs youngsters. We had some fantastic results in competition at Branch, State and Manly National Championships and 49 U14s gained their SRC and graduated to patrols and the community service of Surf Life Saving.

The season started with what must be the coldest water temperature on record for Sydney coastal waters. This continued almost to Christmas but with mostly warm, if not always fine Sundays. This allowed for lots of water skills development and increased confidence for the younger Nippers, albeit once they warmed up.

The Nippers had fun on the beach and I like to stress this because unless the youngsters enjoy their time at the beach and want to return next Sunday, there is no motivation for parents to bring them back next week. If they don't return next Sunday we lose the chance to lift their skills and make them safer at the beach and in the surf.

This year 49 U14s gained their SRC's and have already spent time on the beach as Patrol members. We hope that for many this will be the start of a lifetime of community service in Surf Life Saving, with the friendships and rewards that SLS brings. A special thank you to Glen Borg and Ilia Lakaev for their efforts over several years which have kept this great group of youngsters together, enthused, committed and now qualified.

Our Competitive Team continued to train hard and grow in numbers with some great results at local Carnivals, at Branch, State and National Championships. Well done to all those Nippers who competed and special congratulations to all those who reached their Finals or won medals.

At the State Nippers Lifesaving Championships we fielded one of the biggest Beach Teams Newport has seen in many years. All Nippers performed outstandingly and the results for both Beach and Water events are listed in the Competition Development Managers Report.

Congratulations to the entire team who proudly represented Newport at all the Carnivals!

Thank you to those folk who have dedicated their time and considerable skills to coaching and organising the youngsters in their sports and competition. James Brooks, Katie Edwards, Glen Borg, Matt Edwards, Greg Howard, Simon Euers, Peter Tullett, Nick Carroll and Marty Cowper, together with a bunch of patient chauffeurs and supporters called parents.

Competition, which is so much value and fun for the youngsters, is only possible with our Club contributing Officials for carnivals and championships. Thank you to our Officials - Gary Cook, Greg Howard, Guyren Smith, Wendy Taurins, Ian Storey, Bernie Howard, Nic & Susie Mills and Carolyn Hayes; those who have taken the time to qualify and spend that time on the beaches helping our youngsters improve. We will need more parents to assist next season, please step up and volunteer to help our children.

The success of our Special Needs Program run by Scott McAlpine, with assistance from Doug & Sandy Menzies, for children in need of special care and assistance continues. The group has been successfully integrated with Nippers and the Marlins and Dolphins are on the beach and in the water with all of us each Sunday. This year our Marlins & Dolphins represented Newport at the Branch Championships at Narrabeen against the South Curl Curl Special Needs Program. To say that we were proud of their performance would be a significant understatement; they were outstanding and had a wonderful time. Thank you to the helpers and particularly the new helpers who have become involved this season. We do need some more help with this group, so any time you need a little extra sunshine in your life, go and watch the enjoyment these youngsters get from the program – and then volunteer.

The weekly activity of the Club is of course centred on the beach and water activities and skills training. This is delivered week in week out due to the efforts of our wonderful 32 Age Managers and all those parents who assist. To each and every one of these committed folk, on behalf of the Committee and all the other Nipper parents, our thanks and gratitude. You help make it happen for our youngsters.

We continued the Water Activity Centre. This 5.5 metre Water Trampoline can be seen anchored outside the break and the kids swim out to bounce and jump and generally have fun in the surf. Attached to that is a 7 metre inflatable runway that will support over 20 children sitting, standing or running. And when the surf is too rough, we put the trampoline on the sand and allow the junior Nippers to also bounce and jump and have fun on the sand. Special thanks to Victoria Vildzius for her weekly setup, group supervision, cleanup and pack up, it's a full time Sunday job. Feedback from parents is that the children love it and for those who were afraid of going past the break, now they can't get out there fast enough. It's a great incentive.

A special thank you to two members of the JAC management team, Kim Francis, JAC Secretary and Dennis Fitzgerald, JAC Treasurer. Their ongoing assistance and enthusiasm and their efforts and contribution have certainly aided the success of our season.

Also, thank you to Tim Francis for your support and back up through the entire season.

I have to acknowledge Geoff Johnson for his assistance with the BBQ over the past season. He and the efforts of all those parents who helped with the BBQ each Sunday have delivered in excess of 5000 bacon & egg and sausage sandwiches. This continues to be a substantial revenue stream for Nippers.

The improved Nipper's shed has given us more effective access to the beach and Geoff England with assistance from Glen Borg has done a great job in setting up our new racking and improved storage.

To Lisa Brooks, Doff McAlpine, Peta Gilliland and Sheridan Ansiewicz - our thanks. You have once again done a sterling job with our clothing supply store. At this moment I'd also like to acknowledge Lisa Brooks for her 6 years of service to the clothing pool. This was Lisa's last year and we will miss her enthusiasm and welcoming smile every Sunday morning in the Nippers shed. Thank you for all those years of effort.

As always, increasing equipment needs is a continually growing expense and I would encourage any parent who is in a position to influence the provision of commercial sponsorship (from employer or friend) to please come and talk to me about how we can create value for their Brand.

As a Club we must recognize the efforts of our existing Sponsors. Scott McAlpine - Exclusive Tiles was again one of our two major benefactors throughout last season. The other was Gordon Spring – LJ Hooker Newport & Collaroy.

Two other sponsors we need to acknowledge are Karen & Guyren Smith – Compdata and Glen Borg – Dematic (supplying our entire Nipper Shed racking) - both

generous contributors. Also Coles Newport who provided all of our BBQ needs at discounted pricing. Because of these generous sponsors we are in a financially good position and well placed to maintain the equipment and resources that we need to deliver the training to all of our Nippers next season.

As we lose the parents and Nippers of the Under14s to the serious teenage world of Cadets we do need new parents to step forward to assist on the Committee and act as Age Managers. While several JAC Committee Members have agreed to stand for the upcoming year we do need the new 'generation' of parents to step forward.

To this end we will be looking for several Age Managers within each age group. Enthusiasm required; skills, knowledge and guidance will be provided if needed. Please do not be bashful in stepping up to help support our youngsters.

Each of the JAC Committee members has contributed enormously to another successful season for Newport Nippers. Our thanks to each of them: Kim Francis, Tim Francis, Geoff England. Dennis Fitzgerald, Geoff Johnson, Katie Edwards, Lisa Brooks and James Brooks. While once again I have had the privilege to be the spokesperson for the team, it's their ongoing contributions and outstanding efforts that make it all happen. Thank you, you have been great to work with.

Finally, my thanks to the parents who make it all possible. I trust you have enjoyed the year and that your Nippers have learnt lots and enjoyed themselves more. I look forward to seeing you and your Nippers back here on the beach next season. Remember, you can add some magic into your life – get involved.

Peter Finn
JAC Chairman

JAC Treasurer's Report

It is my pleasure to report on another successful financial year for the Newport SLSC Nippers.

This year we have continued to implement the Newport SLSC 'One Club' policy. This led to a number of improvements in the way the financials of the Junior Activities Committee were tracked and reported upon.

One of these improvements was, for the first time, the preparation of a formal budget done in conjunction with the Senior Executive of the SLSC. The result of this was that the Junior Activities Committee shared a higher proportion, and more representative share of the costs of the entire Club whilst also receiving higher than budgeted, and a more representative share of the membership income from Nippers and their families. The final result was a healthy profit of just over \$19,000 for the 2011/2012 season.

Our Nippers members grew by over 6% to 454 financial members with 244 financial parent memberships. As well, our Dolphin members grew to be 24 in number.

Unfortunately, our sponsorship was down by almost 50% on our budgeted figures.

Whilst financially, we were slightly down on our estimates, a lot of work by Lisa Brooks went into managing our clothing store and a big thank you is owed to her for the great results she achieved.

Our BBQ was a lot of hard work performed admirably by Geoff Johnston resulting in a 60% increase on the budgeted figures for the BBQ.

During the 2010/2011 season, we invested over \$25,000 in new boards and other equipment for the Nippers. The profit made for this year will play a large role in the ongoing replenishment of the equipment used by all of the Nippers each season.

The figures for the 2011/2012 season are:

Income	2011 Figures
Nipper Memberships	\$30,495.01
Nipper Associate Memberships	\$23,655.00
Nipper Sponsorship	\$5,500.00
Clothing Sales	\$25,072.38
BBQ Income	\$13,352.09
Donations	\$5,600.00
Total Income	\$103,674.48
Expenses/Purchases	
BBQ Expenses	
- Drinks	\$1,789.13
- Meat/Bread	\$3,527.47
Clothing Purchases	\$29,751.00
Rescue Equipment	\$1,765.44
Purchase of new nipper boards & Other Equipment	NIL
Club Maintenance Fee	\$13,172.50
Club Admin Fee	\$6,706.54
Brochure Printing	\$781.00
Trophies	\$4,891.66
Capitation Fees	
- Branch	\$5,584.00
- SLSNSW	\$9,772.00
Carnival Entries	\$4,254.55
Miscellaneous (Gifts)	\$2,250.00
Total Expenses/Purchases	\$84,245.29
Net Profit/Loss	\$19,429.19

Dennis Fitzgerald
JAC Treasurer

Age Manager Reports

Under 6's

I'm not usually the kind of person that raises my hand when asked to volunteer, especially when said volunteering requires herding, motivating and sometimes even wrangling 70+ 5 and 6 year olds every Sunday morning. But when I raised my hand 3 weeks into the new 2011/12 Newport Nippers season, I had no idea that the experience would be so rewarding and fun at the same time.

During the first few weeks in October the Under 6 Nipper group swelled to a high of 79, which made the simple walk from the Club to our station point on the beach, resemble the charge of the light brigade. We settled in for the season with an average of between 50 and 60 Nippers showing up each week for varying activities including beach flags, relays, ball retrieval, tug-of-war and the always popular obstacle course, complete with "Pit of Doom".

Over the course of 21 weeks of Nippers, we were lucky not see a single drop of rain, although it threatened at times (except of course for the final twilight nippers, but even that came good!). The water temperature started in the 20s and stayed there all season, which made it easier to get everyone, including the parents, very wet from time to time. Our activity co-ordination got a lot better and easier for me after Donna Phelps (Polly's mum) joined us as Assistant Age Manager early in the season and many of the experienced parents watching their 2nd and even 3rd child run around in the Under 6s were a huge help. By Christmas, we were getting great support from our parent group as the cheering got louder and the nippers got faster, stronger and more competitive.

We punctuated the strenuous beach activity throughout the season with some surf and beach orientation; including surf and rip awareness, water safety and sun safe practices, and hopefully we have graduated a new group of future patrollers with a smattering of Club Champions.

Organising and keeping 50+ U6s moving along and having fun would be impossible without the support of the parents. And whilst every adult has been fantastic with their support and hands on attitude, there are a few special mentions which must be included: To Brendan Capel (Harry's Dad) for jumping in as Assistant Age Manager when needed towards the end of the season. To David Lye (James' Dad) for the introduction and continued development of the much loved "Pit of Doom". To Kim Francis for keeping all the Age Managers, myself included, using a good admin process, and by no means last, to Pete Finn for starting the U6s off this season, showing me the ropes and keeping the whole Nippers circus going all season.

I hope everyone; kids, parents, grandparents and onlookers had a great time this season and I am looking forward to seeing everyone again for the start of Under 7s in October. Until then, I hope to see you on the beach.

Cameron Barton
Under 6 Age Manager

Under 7's

We had another big roll up this year for the U7s with 80 young Nippers registered for the season. A large contingent carried through from the U6s and we welcomed a bunch of new comers. Regular Sunday attendances of 40-50 Nippers (often more) and complimentary feedback from parents indicate that the Nippers enjoyed their Sunday morning activities.

This year we had a complement of 5 Age Managers. Myself and Rosie Elliot continued on having looked after the U6s the previous season. New age managers Brad Holland, Rod Shah and Nathan (Rosie's new boyfriend at the commencement of the season) joined the team.

All the Age Manager team put in a sterling effort over the season and are thanked for their efforts. Rosie will be back next season after completing her HSC, Brad has realised that he is too old for playing rugby having sustained a broken leg and will focus on Nippers, Rod being new to the country from the UK (not much beach activity over there) can't wait for those sunny Sunday mornings on the beach and young Nathan will be back, if Rosie hasn't dissed him, (with clear instructions to the Nippers that tackling him to the sand does not permit throwing of sand in face). Thanks to all of you for your efforts.

As always it is really satisfying to see the kids develop their skills from season to season. As our Nippers move into the U8s, while the emphasis remains ensuring they are having lots of fun engaging in healthy outdoor activities (away from those computer games) the opportunities are opened up to introduce more water

activities, develop beach and surf skills and to participate at a competition level for those who want to.

It will be an exciting season ahead moving into the U8s. We look forward to seeing all Nippers again next season.

A word of thanks to all those on the Nipper Committee team for the many hours they put into running the Nippers season. A huge effort goes into it. Kim Francis particularly has done a superb job this year as Nipper Secretary and Peter Finn as Chairman - thank you to you both.

Mark Hickey
Under 7 Age Manager

Under 8's

The 2011/12 Nippers Season for the U8s was absolutely fantastic. Through wind, rain, sleet and snow our little troopers carried on...well maybe not sleet and snow but certainly big swell, lots of rips and cold, cold rain that was just about to freeze as it blew sideways before settling on the loveliest beach in the world, Newport. (Take that Bondi)

We have seen a huge improvement from last year and it's obvious our kids are getting older, stronger and more confident. (As compared to the Age Managers who are getting older, weaker, and a bit nimble minded). You don't know how much it means to the U8s Age Managers to see this transformation.

This year we had hurdles that needed to be overcome to prepare us for next seasons U9 challenges. The primary focus this year was ensuring our Nippers could achieve certain water skills for proficiency purposes. We concentrated a lot in developing water skill confidence, as next year proficiency is a requirement to allow the kids to go "out the back"...that is beyond the break. How good will it be to see next year's U9s swimming out to the WAC with confidence or paddling boards out the back and looking back at their parents sunning themselves on the beach.

This year also gave us an insight into multi-Club competitions. It allowed the Age Managers to get their feet wet with regards to what demands there are in preparing for competition at other locations and to also allow some of our super stars to experience other Clubs. This will be an important part of next year's agenda and we look forward to seeing lots of our young athletes competing with other Clubs in both water and sand based activities.

Usually, as we advance up in age group, the number of registered Nippers dwindles, however much to our delight, each year we have progressively increased in numbers. This by itself is a great sign that we are on the right track, however we have also noticed that some of the newer members have transferred from other Nipper Clubs from local beaches. We have received

excellent feedback from the parents and kids who have joined us from the other Clubs as to our approach to our little superstars. ...this is what helps to get us old Age Managers out of bed when it is wet and rainy. (My apologies to Jess and Will for that last statement, we all know they are super hero's...and they just choose not to wear a cape and their underwear on the outside).

I would like to thank all the parents who have helped out last year and all the previous years. I can tell you we would not be able to do this without you...so give yourselves a pat on the back. Next year will be even more thrilling as we will be making advances in sand skills, deep water skills (out the back) and also attending carnivals...so it is very important that you guys please continue to assist us.

We would also welcome anyone with sprinting skills to assist our group...feel free to put your hand up as a registered Age Manager or as a reliable assistant.

Looking forward to seeing all of you next year.....

Jim Hewlett, Karen Hennessey, Brad Bartlem, Zoran, Jess & Will
Under 8 Age Managers

Under 9's

What a fabulous year the U9 group had in 2011/12. With over 60 registered in the group it was great to see that a good percentage of the group were in their fourth season of Nippers.

The U9s this year continued to grow in confidence and skill in the surf. The weather was very kind for most of the season and as the focus shifted from the beach to the water you could really see the surf skills developing as the season progressed. The swim to the WAC became less daunting for many as the season passed. It was also great to see fear and trepidation replaced with enthusiasm and excitement as they began to master the basic skills of board paddling and surf swimming. It was so pleasing to see so many of the group tackle the Surf Race and Board Race at Club Championships.

We also had a great turnout at Carnivals during the season with the group learning how tough the Competition can be throughout the Branch. Matthew Francis and Olivia Alvarez experienced the intense competition at the State Titles up at Kingscliff.

Wilson Hall became the Club's youngest Branch Champion with a win in the Beach Sprint and Jasper Crouch came away with Silver in the Beach Flags.

Congratulations to our Club Championship winners and place getters Wilson Hall, Tom Donohoe, Matthew Francis, Jacinta Rogers, Olivia Alvarez and Ariann Kirwan. With such a fantastic group of kids to choose from the age award winners was a very difficult choice to make. Congratulations to James "Chippy" Hannan our

Lifesaver of the Year, Jasper Crouch our Most Improved and Lucy Perosin who received the Encouragement Award.

Congratulations also goes to Nipper parents Therese Brennan, Nick Rogers and Michelle Jobbins who gained their Bronze Medallion this season. A great achievement in Surf Life Saving.

A big thank you to Liam Taurins who did an outstanding job assisting Kim and I all season. Liam has such enthusiasm for our young nippers and is a great role model and mentor for them. He also assisted with water safety both at Newport and JAC Carnivals. A big thank you also to Ilia Lakaev and Ron Bridges for stepping in as Age Managers during the year.

And of course, the season wouldn't have been such a great success without the contribution of all the parents that ensure the group is safe and having fun.

Tim and Kim Francis Under 9 Age Managers

Under 10's

It was so good to see so many keen Nippers this year, with over 50 registered in the U10s. We were also very lucky to have so many sunny Sunday's. Our main focus this year was on fun, beach safety, surf awareness, surf skills and completing the Surf Safe 1 Award. Our board and swim skills improved over the season and this was partly due to the WAC and the kids loving getting out to it to have some fun.

Age Championship results were as follows:

1st	Stella Campbell Mac Omm
2nd	Maddie Louw Kai Van Kool
3rd	Geordie Smith Toby Newey

Special Awards over the season went to:

Lifesaver of the year:	Ashlie Edwards
Most Improved:	Vincent Supierz
Encouragement Award:	Jazmine Lerpiniere

We also excelled in the competition side of Nippers over the season. Many U9 nippers attended sprint or board training during the year to improve their skills.

Branch Results:

- 3rd Girls Beach sprint team
(Geordie Smith, Ashlie Edwards, Sascha Taurins, Stella Campbell)
- Beach Flags Finalist
Ashlie Edwards

State representatives included: Sascha Taurins, Geordie Smith, Ashlie Edwards, Jemima Thomas, Tanika Smith, Jazmine Lerpiniere, Toby Newey, Vincent Supierz and Seb Mills.

Thank you to all the parents who helped out by either taking a group, helping in the water or helping out on the BBQ. We certainly cannot do it without your help, so very much appreciated.

Looking forward to another great season next year.

Matt Edwards, Adam Quinn, Guyren Smith & Gordon Spring Under 10 Age Managers

Under 11's

The 2011/12 season has seen the U11s continue to improve their beach and surf skills.

All of our Nippers achieved their water proficiency and most also completed the more rigorous competition level proficiency swim. The lure of the Water Activity Centre again proved irresistible as everyone swam out and back on a number of occasions.

This year we built upon the CPR basics introduced last year and included some First Aid techniques. The U11s tackled the water in various conditions, increasing their confidence and ability to deal with the surf, and having some fun along the way! These water components continue to become more important as we build towards the Nippers' ultimate goal of attaining a Surf Rescue Certificate (SRC) when they are in the U14s.

Under 12's

What an outstanding year we have had this year at Nippers with the U12s! This season the focus was on completing the Surf Smart 1 Award and further development of Surf Lifesaving skills and personal skills. We also revisited CPR and basic First Aid.

The WAC again was a favourite this year, encouraging more of our group to be out in the water swimming and boarding which was great to see.

We started off the season with just about everyone achieving their proficiencies in the first week. We can see many of them becoming great lifesavers for Newport one day.

Some of the U11s competed at Junior Surflifesaving Carnivals throughout the season at local, Branch and State levels. Congratulations to all competitors for their dedication to training and giving it a go.

If any parents think their children might like to participate in competitions, either on the beach or in the water, please come and see us and we can give you details of the additional training available through nippers.

All of the U11s performed well at the Club Championships with the resulting winners:

- | | |
|-----|----------------|
| 1st | Zane Tullett |
| | Jasmin Brooks |
| 2nd | James Finn |
| | Molly Donohoe |
| 3rd | Ben Minness |
| | Anna Superiez |
| | Olivia Campana |

The other Nippers recognised for their achievements over the season were:

- | | |
|-----------------------|-----------------|
| Encouragement | Samuel Borg |
| Most Improved | Harriet Perosin |
| Lifesaver of the Year | Riley Kirwan |

We were lucky this season to again have the assistance of Cameron and Cian. They continue to turn up each week and their popularity with the kids is evident - we really appreciate you getting out of bed early each Sunday!

Thanks also to the parents who help out with water safety each week and those that continually volunteer for BBQ duty; we couldn't do it without you.

Hope to see everyone back on the beach next year.

John Milham, Nigel Leck, Chris Borg, Cameron Elliot & Cian O'Reilly
Under 11 Age Managers

In the end of season Age Championships the results were as follows:

- | | |
|-----|----------------|
| 1st | Eve Parker |
| | Jack Mills |
| 2nd | Kasey Campbell |
| | Hugh McAlpine |
| 3rd | Jemma Frost |
| | Leo Norman |

Special mention to our Nippers who received special awards on Presentation Day:

- | | |
|------------------------|----------------|
| Most improved | Marcus Kerr |
| Encouragement | Chloe Van Dam |
| Lifesaver of the Year | Inde Halligan |
| Competitor of the Year | Kristie Edward |

We had many U12s who competed this year and are probably the biggest age group in Newport Nippers.

Outstanding results over the season include:

Branch Results:

U/12's

- | | | |
|-----------------------|------------------------|-----|
| Kristie Edwards: | Beach Sprint and flags | 1st |
| Eve Parker: | Beach Sprint | 3rd |
| Charlotte Lerpiniere: | Flags | 5th |

Beach Sprint relay 1st

(Kristie Edwards, Charlotte Lerpiniere, Eve Parker, Isabella Alvarez)

Jack Mills:	Sprint and Flags	3rd/4th
Hugh McAlpine:	Board	5th
Patrick Gilliland:	Flags	6th

Beach Sprint relay 4th
(Jack Mills, Patrick Gilliland, Leo Norman, Finn Ambler)

U/13's

Cody Adam & Hugh McAlpine: Board rescue 4th

U/11's

Molly Donohoe: Beach Sprint 4th

Anna Supierz: Flags 1st

State Results:

Gold: U/12 Beach Sprint and Flags Kristie Edwards

Silver: U/12 Girls Beach Sprint Relay (Eve Parker, Isabella Alvarez, Charlotte Lerpiniere, Kristie Edwards)

Anna Supierz: 11yrs flags 4th

Eve Parker: 12 yrs sprint 4th

Cody Adam: 13yrs Ironman 4th

Jasmin Brooks: 11yrs Iron women/swim 4th/5th

Special mention to Hugh McAlpine and Cody Adam who both made finals in all their individual events at State in the water – great effort boys!!!

We were so pleased to see so many of the U12s improving over the season in skill, confidence and knowledge. Thank you to all the parents who helped each week, we cannot do it without you.

Looking forward to another great season next year.

Katie Edwards, Darren Parker, Adam Hanks, Colin Frost & Nic Mills

Under 12 Age Managers

Under 13's

It's hard to believe that it's the end of another great season (the 8th) for the U13s and the last for regular Nippers. This time next year you will all hopefully be receiving your Surf Rescue Certificate (SRC) along with the coveted Red and Yellow SLSA outfits and taking your

first steps to joining one of the Club's many Patrol Teams and becoming members of the Senior Club.

Our 8th season has seen a growing level of proficiency and Life Saving skills knowledge and a marked improvement in water and beach skills of the U13s team. The core competencies of flags, boards and 'run/swim/run' for the whole U13s team have improved steadily and consistently. We have also built this year on the foundations of rescue scenarios and CPR skills training introduced last season with all U13 team members now demonstrating a good knowledge and skills base in these very important Life Saving activities.

All U13 Age Managers are extremely confident that all of the U13s team who participated regularly over the season now have a sound basis for completing their SRC examination next season and continuing on to become Senior Active Club Members in future years.

Attendance this season was solid, considering the poor summer weather we have experienced with the group naturally reducing in size. This will likely change next year as the Club normally gets an influx of new U14s who wish to gain their SRC. The 'regulars' who have put in excellent attendance and effort into this year's activities and drills will have a distinct advantage over any newcomers next year and we will be issuing some fun 'homework' for you all to practice in the off season so that you can turn up ready next season to blitz the SRC course. Despite all the good effort and difficult drills undertaken by the group we still found plenty of time for some fun activities and a great time was had by all during our Sunday morning drills.

This year our U13s Competition Carnival participants posted some solid results whilst representing the Club against what proved to be some challenging competition from other Northern Beaches Clubs. It is great to see that all the training and experience being gained by those that competed in open competition is paying such good dividends and we look forward to a continued level of participation and success in Carnival events from the U14s team next season.

A BIG thank you again to Karen and Guyren Smith who continued to do a sterling job as the U13s Carnival Co-ordinators this year.

Congratulations to the following award winners:

Lifesaver of the Year	Courtney Young
Encouragement Award	Samuel Lock
Most Improved	Elle Rubotham

Congratulations also to the following Club Champs place-getters:

1st	Courtney Young Cody Adam
2nd	Lucy Jenkins James Allen
3rd	Elle Rubotham Ryley Hayes

A special mention goes to Keelan Smith who participated in every Carnival and posted some outstanding results but who unfortunately missed Club Champs due to a conflict with Soccer grading and who demonstrated great commitment and sportsmanship throughout the season.

A BIG thank you to my co-age managers Jess and Gary along with Hayden, Carla, Melody and Jett (who all stepped up to take a more senior role in the Age Group management this year). Thanks guys for all the time, effort and enthusiasm you have put in during the season which has made this a very successful and enjoyable season. Yours truly was absent for a large part of the season but these guys ran the group beautifully and we now have a group of talented Nippers who are going to blitz the SRC course!

Also a BIG thank you to all those parents and other Club members who regularly assisted throughout the year with Nippers training, on the BBQ and at various Club events and a special thanks to Tony Hayes for his assistance to the group whilst we were short during the Christmas and holiday period.

Finally and most importantly congratulations to all the U13 team for continuing to display excellent manners and sportsmanship at all times and for all having a go at all the more challenging Nipper drills and activities we have thrown at you this year. Next season you will be completing your time at Nippers and gaining your first foothold into the Senior Club.

Your Age Managers are supremely confident that you will ALL blitz your SRC exams and go on to become invaluable member of the Newport SLSC community.

We look forward to seeing everyone back next season for another great year of Nippers activities.

Jess Menzies, Gary Dixon, Hayden Loader, Carla Melody, Jett Van Der Wallen & Rudi Valla
Under 13 Age Managers

Under 14's

The 2011/12 Nippers season saw 49 candidates enrol to do their SRC. They spent the next 11 weeks training and studying 80% of a Bronze Medallion course including units on Safety and Wellbeing, Surf Awareness and Skills, The Human Body, Resuscitation, First Aid, Communications, Rescue Techniques, and Patrols.

Every Sunday was an 8:30am start to fit in all the units of work as well as the practical requirements involved. Each week candidates were tested with a 100m run/100m swim/100m run as well as board and tube rescues in all surf conditions.

It's great to report that all our candidates successfully completed their wet and dry assessments to be awarded their Surf Rescue Certificate. This has added a total of 49 members to our Patrolling ranks. We could not have done this without the help of the many parents and especially the Trainers including Marty Cowper who took control of the water and Ben Cummins who took on the arduous task of getting the candidates through the theory. Special thanks to Carolyn Hayes for her support and the advice she brought to the team and also to Rob Barkley, our Chief Instructor, who showed us the way on many occasions.

The second half of the season was more relaxed and many of the U14s helped out with water safety, Age Managing as well as a couple of fun sessions. The kids are a true inspiration to Newport SLSC and what a team means; they have supported each other the whole way, with great follow through in all areas.

Our Club Championship was arguably the most competitive on the Northern Beaches and the calm conditions treated the Newport spectators to some great racing.

The results for 2011/12 were:

Boys	1st	Jackson Borg
	2nd	Callum Hargreaves
	3rd	Ejay Schaffer
Girls	1st	Guy Rees
	2nd	Tayla Tullett
	3rd	Tara Doyle
		Samantha Schwarz
		Margot Wilshire

Most Improved	Rahil Narayan
Encouragement	Georgine McDaniel
Life Saver of the Year	Saxon Witton
Chairman's Award	Jackson Borg

Cameron Final taking 6th and 11th place. Three made the Swim Final with Charlie taking the Bronze in 3rd place.

An impressive five of our boys made the Board Final which proved to be a tough race in challenging conditions, Saxon our best place at 6th. Tayla also had a great carnival narrowly missing the Board and Iron Woman Final and Sofia had a great swim and teamed up with Tayla in the Board Rescue at her first State Carnival. Unfortunately Max and Jack were held back with illness and injury but still managed to have a great carnival experience. Our most impressive performances by far were the Team Swim and Board Relay. Newport took Silver in the Swim Team Final and both Board Relay teams made the Final with Newport taking home the Silver (2nd) and Leather (4th) medals. Overall a challenging three days with many great performances, a great preview of what's to come from this team in Open Competition.

After 9 years of working with these nippers Ilia and I have had some extraordinary experiences and had the pleasure of watching our nippers grow from toddlers to young adults willing to take on the responsibility of saving a life. We've watched some launch themselves at the surf whilst others have taken a more tentative approach, not one has ever let us down or given up.

All of our efforts and those of the many parents who have supported us has been rewarded by the enthusiasm by which all our U14s have taken to their patrol duties. Seeing them don the red and yellow and sit under the patrol tent with keen eyes on the surf has made us very proud.

We would like to thank the parents for their support and entrusting us with their most precious gift, and especially like to thank the kids for teaching us so much. Signing off for the last time.

Glenn Borg & Ilia Lakaev
Under 14 Age Managers

Taylor Tullett and Guy Rees were selected as our representatives in the Junior Lifesaver of the Year held by the Sydney Northern Beaches Branch. Both of them were impressive and enjoyed the experience.

We had a great team of Competitors who competed throughout the year, Tayla Tullett, Sofia Warwar, Jackson Borg, Callum Hargreaves, Charlie Brooks, Max Newey, Jack Donohoe, Saxon Witton, Guy Rees and Ejay Schaffer.

This team competed in 11 Carnivals and dominated the Age group across the Northern Beaches Branch. All of our Competitors consistently finished in the top 5 of all events and dominated the Ironman, Board, Board Relay and Team Swim. Guy Rees won the Swim 9 out of 10 times, taking Gold at the Branch Championships.

At the State Age Championships, held at Kingscliff, the great form of this team continued. After four rounds of the Ironman, Charlie and Guy made the Final with Charlie taking 4th place. In the Board Rescue, Saxon and Guy made the Final taking 6th. Both teams made the

Dolphins and Marlins

A fabulous 10th season for our Marlins and Dolphins Program! Our numbers this year have swelled to a record 24 and it's been fantastic to see so many happy enthusiastic faces bright and early every week. This season the surf has been kind and we were able to spend more time on our water skills and perfect our body boarding and board riding skills. Many of our group have also really excelled in body surfing as well which is fabulous to see.

In addition to all these wonderful water skills learnt we have also had plenty of time to master our beach activities of beach flags, sprints, relays and 'extreme buckets' – culminating in us competing against the South Curl Curl group at the Branch Championships in February. A great day was had by all, and the rivalry amongst the teams was amazing!

We would like to thank all of our helpers – Sue, Georgia, Sally, Brendan and Steve, and new Age Managers Darienne, Joel and Maddie who have been a great asset to our program. Without the help of you all we couldn't continue to run such an extensive program for the whole season.

We look forward to seeing you all back on the beach in October, and hope to be able to assist some of our older members to achieve a higher award next season to further develop the program.

Scott McAlpine, Doug & Sandy Menzies
Dolphins and Marlins Coordinators

Nipper Award Winners 2011/12

Under 14s

Girls	
1st	Tayla Tullett

Nippers Competitor of the Year

Kristie Edwards

Nipper Chairman's Award

Jackson Borg

Congratulations!

Distinguished Service Member Awards 2011

IAN CRUTCH – Distinguished Service Award

Ian joined Newport Surf Club in 1993 as an Age Manager for his daughter's group, and remained age Manager until 2003.

Ian gained his Bronze Medallion in April 1998, and has been patrolling ever since.

His passion to enhance Youth Development in the Club led him to become Youth Development Officer in the 2001/02 season and he commenced the Rookies Program. He held this role until the 2005/06 season, and continued the Rookie Program as well as assisting with the Special Needs Nipper Program.

In 2003/04 Ian won the Michael Hill Memorial Trophy – 'Clubman of the Year' Award.

In 2006/07 was one of our top 10 Patrol Members and became a Bronze Medallion Trainer and a Level 1 Surf Official. He continues with these roles.

In 2007 Ian was recognised as a Newport SLSC 'Outstanding Service Member'.

From 2008/09 until 2010/11 Ian has been our Chief Instructor and has assisted numerous Club members to achieve their Bronze Medallions and be able to Patrol.

I
2009/10 Ian gained his 10 Year SLSA Patrol Service Award.

Ian has worked tirelessly with the Youth members of the Club with his Rookies program which has previously included the weekend Camps away at the Basin in Pittwater and intensive SLSA training. The Club has one of the best retention rates for young members and much of this is due to Ian's efforts.

Ian has also spent a number of years organising and participating as a Water Safety person at Junior Carnivals, and Officiating at Boardriding events.

SANDY MENZIES – Distinguished Service Award

Sandy joined the Newport SLSC in 1995/96 as an Associate member Nipper Parent.

She went on to join as an Active Member completing her Bronze Medallion on 30 January 2000 and has continued to complete full patrolling duties ever since and was granted Long Service Membership in 2010. Sandy has regularly been one of our top patrollers earning 'Top Ten Patrol Hours' and '100% Patrol Attendance' over her time as an Active Patrolling Member.

Sandy has been the Club's First Aid Officer since the 2002/03 season and has co-ordinated first aid for the club and many a carnival since then. Additionally Sandy over a number of seasons coached a number of successful First Aid Teams.

In 2001/02 she commenced as a Nippers Age Manager for the Under 11s, Under 12s and Under 13s.

In 2002/03 Sandy co-founded the Club's Special Needs Nipper Program and continues as an Age Manager in the Program today.

Sandy has been a Trainer, Assessor and Surf Sports Official for many years and was awarded the Surf Life Saving Sydney Northern Branches, Branch 'Assessor of the Year' in 2005/06 and was awarded Surf Life Saving NSW, 'Trainer of the Year' in 2006/07.

2005/06 saw Sandy awarded one of the Club's highest honours, the Michael Hill Memorial Trophy – 'Clubman of the Year' and the following season in 2006/07 was the John Holland Senior – 'Committee Member of the Year'

Sandy served as the Clubs Chief Instructor for three years from 2005/06 season.

Sandy has also served terms as Club Deputy President and Hon. Secretary and in 2007 was recognised as a Newport SLSC 'Outstanding Service Member'.

Outstanding Service Member Awards 2011

NICK CARROLL – Outstanding Service Award

Nick joined Newport Surf club in 1975 and gained his bronze Medallion in December 1976. During the 1976/77 season he was Patrol Captain of his Patrol and won Gold Medals in Board riding at the NSW State Championships and Aussie Championships, and also for the NSW State Team at the Interstate Championships.

Over these years of membership Nick has gained his Silver Medallion IRB Driver Award, Silver Medallion Basic Beach Management Award

From 1998 till 2000 he was the Newport Nipper Publicity Officer, and from 2006/07 to present has been our Board and Ski Captain

Numerous other Master's Carnival Medals have been won by Nick at all levels over a number of years with him gaining the respect and admiration of all competitors in our club, branch, SLSNSW & SLSA

Nick has spent considerable time and considerable skills coaching and training Nippers as well as many other Club members in Board Paddling and other surf skills with the results now shining through in Patrols and Carnivals at all levels

GRANT DARGUE – Outstanding Service Award

Grant joined Newport Surf Club in the 2000/01 season and gained his Bronze Medallion in May 2001 and his Silver Medallion IRB Driver Award soon after. From the 2002/03 season he became a trainer for both IRB and Bronze Medallion, and worked towards being an assessor from the end of that season. Grant is still an endorsed trainer and assessor for both of these awards and has given much of his time helping candidates achieve SLSA Awards

Grant won the Michael Hill 'Clubman of the Year' Award in the 2002/03 season, and also had 100% Patrol Attendance that year.

From 2005/06 until 2008/09 Grant was Deputy President and was extremely helpful during the Club's major refurbishment program, drawing on his Trades background to assist to complete the project

TED SMITHIES – Outstanding Service Award

Ted joined Newport Surf Club in the 2000/01 season and gained his Bronze Medallion in January 2000.

Since then he has competed each year in Masters Beach Sprints, Flags and Relay at all carnivals, and recently achieved his 11th State and Aussie's Gold Medals in Masters Beach Sprint in 11 years of competition. This is in addition the 5 Gold Medals won at World Championships in the last 5 Championships.

2004/05 season Ted became Club Captain and held this role until the end of the 2007/08 season.

From there Ted became President and held this role from 2008/09 until the completion of the 2009/10 season, and last season joined the Committee again as Immediate Past President.

Ted is a member of the Building Committee and was very involved with the Club's major building refurbishment during the 2008-2009 season.

IAN STOREY – Outstanding Service Award

Ian joined Newport Surf Club in the 1998/99 season and became Treasurer for the Club in 2001/02 – a role he has held up until this season and has just completed 10 years in this role.

Ian gained his Bronze Medallion in April 2004 and was also House Captain that year.

In 2006 Ian completed his Level 1 Officials Course and has been an Official since that time.

Ian worked very hard to increase the Centurions' membership from 60 to over 130 to assist with funds for the Club's Centenary celebrations in 2009.

Ian was also very involved as a Club Executive Committee Member with the major Clubhouse refurbishment in 2008-2009.

Ian set up the framework and recruitment of the Club's new Administration Officer to assist with the day to day running of the Club's affairs.
