**113th ANNUAL REPORT | 2021–2022**

# NEWPORT SURF LIFE SAVING CLUB INC

## 113th ANNUAL REPORT AND FINANCIAL STATEMENTS

### Notice of 113th Annual General Meeting

Notice is hereby given that the 113th Annual General Meeting for Newport Surf Life Saving Club Inc will be held at 3 pm on Sunday, 31 July 2022, in the Robin Cale Room at Newport Surf Club, Barrenjoey Road, Newport.

#### AGENDA

1. Acknowledgement of Country
2. Apologies
3. A minute's silence to honour our lost members and fellow lifesavers
4. Confirmation of the Minutes of the 112th Annual General Meeting
5. Business arising from the previous minutes
6. President's welcome and summary of the 2021-2022 Season
7. Hon. Treasurer's Report for the 2021-2022 Season
8. Invitation to speak to the Report
9. Adoption of the Report for the 2021-2022 Season
10. Election of Board of Directors
11. Election of the Judiciary and the Honours Committee
12. Appointment of Auditor, Public Officer and Honorary Legal Officer
13. Notice of Motion for Affiliation to SLSA
  - 13.1 Affiliation  
It is recommended that affiliation be sought for the 2022-2023 season with Surf Life Saving Sydney Northern Beaches Inc. (The Branch). Further that the Articles, Constitution, By-laws, Regulations and Resolutions, together with the awards and equipment of The Branch, Surf Life Saving NSW, and Surf Life Saving Australia Limited, be accepted without reservation.  
Proposed: Jan Proudfoot  
Seconded: Guyren Smith
14. Presentation of Club Honours Awards
15. General Business of an urgent nature only
16. Meeting Closure

## OUR CHARITABLE PURPOSE

### CHARITABLE FUNDRAISING NUMBER (CFN) 11033

**O**ur core objective at Newport Surf Club is to educate the community from children to adults, to be competent and safe in the surf beach environment. We also pride ourselves on being able to keep the general public safe by providing a beach that is patrolled through summer. To do this we rely on volunteer members to join us and become lifesavers, undertaking a range of awards and qualifications. We also rely on our lifesavers to maintain these awards, qualifications and the level of physical fitness to perform their lifesaving duties. For further information on the club's objectives, please refer to our constitution on our website.

## VALE

We extend our deepest sympathy to the families and friends who have lost loved ones throughout the past season. Our eternal thanks for the time, support and years of service they have given our club.

### TED BRUCE

**N**ewport SLSC lost the services of a valued member in Edward (Ted) Bruce. Ted passed away in March 2022 in hospital with his family by his side, after being involved in a tragic accident in December last year.

Ted was a club member for thirty-plus years and held many positions during this time. Over the recent ten years, Ted sat on two patrols as their IRB driver; such was his dedication. Ted regularly achieved 100% patrol hours and won the club's most patrolling hours in a season.

Ted owned and operated his motor mechanic business for many years and was the club's Honorary Child Protection Officer for over 10 years, a role he enjoyed and willingly put his hand up for each year.

Ted assisted with water safety and was always willing to help set up and pack up the beach on competition days at Branch, State and Australian championships. Ted enjoyed watching his kids compete for the club - Tom (rowing) and Alison (sprinting). He loved to be part of the action and freely gave good advice to assist others. He generously donated equipment such as our current hose-down facilities in the member amenities and the competition board shed.

Ted enjoyed helping others and always gave a lot of himself and time to the club. He encouraged kids to learn basic surf lifesaving skills and gave them the confidence to enjoy all there is to love about the beach. Ted was also an age manager for several years and oversaw one of the largest SRC groups to go through the club in a season.

He was one of the club's colourful characters and will be sadly missed, but not forgotten.

**Rob Barkley, Life Member**

## PRESIDENT

**N**ewport SLSC celebrated our 113th year patrolling the beach and serving the community this season. In delivering this service for another year, we have achieved our key goals, including no lives lost on the beach, waterproofing our kids, success in competition, and ensuring families from near and far are safe and enjoy their time on our beautiful beach.

In my third and last term as President, I continue to be grateful for the support of our great committee and in awe of what our Nipper Committee have achieved under the leadership of Rebecca Capell. What Rebecca and her team have achieved over the past three years has been extraordinary. They didn't give in to the challenges of managing COVID. Instead, they did the opposite; they drove us forward and introduced many significant initiatives.

The Dolphins and Marlins had another fantastic year, with safety, fun, and inclusion as the programme's core goal. Ian Crutch has done an outstanding job working with a dedicated group of helpers and parents to deliver unforgettable experiences to these amazing kids. Big thank you to Newport Kinghorn Surf Racing Academy for supporting this programme.

In addition, Lizzie Welborn and Sam Capell continued to drive our sustainability programme, increasing awareness around protecting our beautiful beaches, including several clean-up programmes.

Nick Rogers has done a great job with our youth development team. Retaining our Youth once they complete their SRC continues to be a challenge across our movement. Nick and his team have made excellent inroads into meeting this challenge, all the more difficult as they battled COVID restrictions.

We had two excellent Youth Captains, Harrison White and Alesha Lucey, that did a fantastic job with their leadership role this season. Both were very mature candidates for this position. Both represented Newport at the JLOTY programme, and Harrison was successful in his tilt. Both Captains assisted at the branch championships by handing out medals and helping at our Nipper presentation afternoon. Harrison also accepted our Nipper Chairman Award for the 2021-2022 season. We will undoubtedly see these young members in our club for many more seasons.

We were fortunate to be able to run our Pool to Peak swim as part of the Pittwater Ocean Swim

Series. This event is vital for our club and marked the return of ocean swims after a two-year COVID break. Thanks to John Guthrie for leading this sub-committee and organising a well-regarded event across the series.

We maintained our high standards of lifesaving. Newport provided over 9,000 hours of support across the Branch, including 7,500 hours of vigilance on our beach. These hours include over 750 hours of patrol at other beaches, and I thank our members for providing this support to our Northern Beaches neighbours. We also had 11 members do over 735 hours for SNB as Duty Officers, RWC and SurfCom Operators. Special mention to Christopher Roberts, who clocked up 290 hours at SurfCom.

Special thanks to our Club Captain Jessica Menzies and Vice-Captain Lauren Budd, who, together with their Patrol Captains and Vice Captains, ensure Newport Beach remains a safe and enjoyable beach to bring the family.

This year we trained many candidates for their Bronze Medallion (32), Surf Rescue Certificate (29) and several other awards (59). This training was only made possible through the dedication of our Chief Instructor, Brendan Menzies and the many trainers, assessors and facilitators we have at the club and across our Branch.

Our Surf Rescue Certificate course this year was a hit with the Age Managers, Trainers and candidates. It was easy to see that everyone enjoyed themselves

on the beach, learning valuable lifesaving skills. Thanks to the incredible age managers Scott Newey, Esa Fleming, Todd Woods, John Crawford and Matt Thomas for their years raising the young lifesavers with skill development to make the transition to lifesaving smooth. We now have a new generation of young lifesavers serving our community.

Newport also had five athletes in the Kellogg's Nutri-Grain Series, an excellent achievement for a NSW club. Again, the ladies led the way with Lizzie Welborn, Jemma Smith, and Maddie Spencer, joined by Jackson Borg and Zach Morris. Tough racing saw Jackson and Zach as automatic qualifiers for next year.

A big shout out to the Branch and Aussies sports teams that overcame all obstacles to run our regular carnivals and championship sports events. Without their commitment, these events would never have happened. With the support of the Branch, we could host our 22<sup>nd</sup> Newport Boat Carnival in November, according to the boaties, the best of the season.

The Newport State Competition Youth Team decided to make a statement this season with bright yellow "Be Kind" shirts from the Australian company Selfaware. They were promoting an optimistic message to themselves and the people around them, and they stood out in their bright yellow shirts and maroon pineapple bucket hats.

From Nippers and Youth to Opens and on to Masters, we had great results at the Australian Championships ("Aussies") across the Boats, Beach, First Aid, Patrol Competition, Champion Lifesaver, and Water Teams. There are just too many to mention here, and while individual achievements continue to amaze us, the team events take our breath away. A great example was the performance of our u17 male team, who smashed every record in the book led by Mitch Morris, who was again the Male Competitor of the carnival.

Our Masters put on a stellar performance at Aussies, with all 14 competitors across water, beach and lifesaving, bringing home a medal.

While we could not compete at the State Championships, we claimed 2<sup>nd</sup> at Aussies with a smaller team and reduced programme. Our success would not be possible without the dedication of our incredible athletes and all their support crew.

Well done to Darren Warrener, our Competition Manager, who works alongside the Newport Kinghorn Surf Racing Academy led by James Brooks and the team of coaches. Their commitment to

keeping the team focused during the uncertainty of whether we would compete was terrific.

Congratulations to all our club award winners who took home a "Bernie" (a nickname for our major awards). They are all outstanding members who have contributed significantly to our club's success and are all well deserving of this recognition.

- » Michael Hill Memorial Trophy – Club Member of the Year – Matthew Edwards
- » Paul Stevens – Junior Club Member of the Year – Samuel Capell
- » Hans Trumm OAM – Award for Patrolling Excellence – Andrew Thomson-Ko
- » Peter Dawson OAM – Best New Member – Ryf Quail
- » Tom Guthrie – Rookie of the Year – Zach Paul
- » John Holland Snr – Committee Member of the Year – Nick Rogers
- » Competitor of the Year – Mitchell Morris
- » Michael King Surf Sports Team of the Year – Under 17 Male Water Team
- » Tim Francis Junior Competitor of the Year – Noah Maggs
- » Nipper Chairman Award – Harrison White

Special thank you to Matt Burke, our Wallaby legend, who helped us celebrate our local legends. Matthew Edwards took home the prestigious Michael Hill Memorial Trophy for Club Member of the Year. Matthew is our IRB captain and spends countless hours maintaining our equipment and training our drivers and crew. Matthew has brought in several younger IRB drivers to assist with the training and has mentored them in helping with these courses. Matt's efforts have made the courses appealing to a broader cross-section of our patrolling members.

Matthew was instrumental in the reforming of the club's IRB race team. He mentored young IRB operators into the team and what started in 2016 with 4 team members is now a consistently strong team of 20+ members that regularly compete at the highest level while at the same time assisting with the club's water safety requirements and furthering their rescue skills. Matthew saw this as a way of engaging a different group of members to other competition avenues we were offering while simultaneously building a base of highly skilled operators within the club.

Mid-season, we saw the direct benefit of Matt's efforts when one of our racing team's best, Liam Taurins, navigated the notorious Newport shore dump and large surf to rescue a drowning

surfer south of the club. Seconds counted in dealing with this incident, and any failure due to skill or equipment would have delivered a very different outcome. We may not need the skills our competitors bring to the beach every day, but we are grateful for all their hard work when we do.

At the Sydney Northern Beaches Branch Awards presentation evening, Newport SLSC had many finalists and won several awards, including:

- » Mitch Morris - Athlete of the Year
- » Sam Capell - Youth Volunteer of the Year
- » Luci Bentley - Youth Surf Lifesaver of the Year - High Commendation

Mitch Morris

Sam Capell

Luci Bentley

Christopher Roberts

Matt Edwards

Jess Menzies

- » Chris Roberts - NSW State Premiers Award (please see separate report)
- » Matt Edwards - Surf Lifesaver of the Year
- » Jess Menzies - Harry Ragan Outstanding Service Award

This season we proudly inducted a new Life Member, Brett Budd, who has been a member of the club for over 22 years with a record of service demonstrating his extraordinary contribution to the club. Brett served as Patrol Captain and Club Captain and was on several sub-committees. In addition, he also competes for the club as a masters beach sprinter and has won several medals at Branch, State and National levels. Brett supports the club

as a patrolling member and works on the building committee. Brett also provides the surf club with IT support and oversight through his business ITeam Consulting and their generous support of the club.

It was very sad to hear about the passing of Ted Bruce. Ted had been unwell since a freak and tragic accident in December 2021 and passed in March 2022 with his family by his side. Ted was a club member for 44 years, over which time he has contributed an enormous amount and has been a treasured friend to many.

In addition to our Executive, Management and Junior Activities Committee, Newport SLSC relies on several other volunteer committee members to ensure we continue to operate successfully. On behalf of the entire membership, thank you to those that served the club so selflessly on the following committees; your contribution is greatly valued:

- » Building Committee
- » Sponsorship Committee
- » The Board of Surf Sports
- » Life Members and Honours Committee
- » Ocean Swim Committee
- » Member Welfare and Support

I am also excited to share with our membership that at a Special General Meeting on June 26<sup>th</sup> 2022, 42 members voted in favour of a motion to adopt our new Constitution. This marked a significant milestone in the club's history, as while our old Constitution served us well for many years, it did not meet the requirements of running the club in the modern era. Our new Constitution will ensure we meet our obligations, as a charity, to the ACNC and respond to the changes in the Associations & Incorporations Act (The Act), which governs incorporated entities such as surf lifesaving clubs. From our side, we saw the opportunity to simplify running the club and modernising the Constitution, so it accommodates contemporary issues allowing the use of modern technology to connect with our members.

To the Newport Kinghorn Surf Racing Academy Board, congratulations and thank you for a great year where you have again lived up to your mantra,

*"be the best and enjoy it the most"*. Our performance at the Aussies and State Championships would never be possible without the dedication of the team working behind the scenes to ensure our athletes can focus on racing. A special thank you to Jill and John Kinghorn for continuing to believe in and invest in the academy and our club members; we sincerely appreciate your generosity.

Thank you to the Branch Executive for all their hard work. Especially to Tracey Hare-Boyd for her support and guidance over the season. Tracey provides an impressive level of leadership and advocacy for the SNB Branch. I would also like to thank my fellow Presidents, many of whom I've reached out to this year, for their guidance and support.

Thanks to Michael Regan and Ray Brownlee from the Northern Beaches Council for their support and Kylie Ferguson, who has advocated for our LGA for many years.

Thank you to our sponsors; without them, we could never support the community to the extent we do.

Thank you to all our members; whether you are a parent-helper, age manager, coach, official, trainer or patrol captain, you can take pride in being part of the Newport village that helps our youth journey to adulthood. Your efforts allow our club to save lives, waterproof our kids and serve our community in many ways.

Finally, thanks to our committee and subcommittees for supporting me as President over the last three seasons. A special thanks to Jan Proudfoot, an absolute force at Newport Surf Club, who can get through an amazing workload. In addition to her commitments as Honorary Secretary and sitting on both the Executive and Management committees, Jan is heavily involved in our Constitution, Sponsorship, Social, Publicity and Pool to Peak sub-committees. She involves herself in every aspect of the club, from Patrol to Competition. Without her efforts, the club would have struggled to function during COVID and not delivered what we did.

**Glen Borg**

## NSW STATE PREMIERS AWARD FOR COMMUNITY SERVICE

### CHRISTOPHER ROBERTS

At the recent Branch Awards of Excellence, Newport SLSC member Christopher Roberts was awarded a prestigious NSW State Premiers Award for Community Service for his efforts in Surf Life Saving and the Community.

Chris was first introduced to Surf Life Saving in the Radio Room at the then-known Warringah Surf, now known as Surfcom HQ at Fisherman's Beach, Long Reef, when the SLSSNB Branch undertook the training of Disabled people through a Government Grant. Chris is restricted to a wheelchair as he lives with Cerebral Palsy. Despite his condition, Chris excels in his position in the Radio Room as an Operator and is also one of the best Trainers of new Operators.

In 1998-99 the SLSSNB Branch awarded Chris Outstanding Service, Distinguished Service in 2005-2006 and Life Membership in 2007-2008. He was also awarded Radio Operator of the Year in 2003-2004 and 2005-2006, together with the very prestigious Harry Ragan Award in 2006-2007. In addition, SLSA presented Chris with Long Term Membership

Recognition Awards for 25 years and 30 years of service.

Chris's passion and commitment are demonstrated by his all-weekend attendance in the Radio Room, coming via taxi at his own expense from home, initially at Epping and now Marsfield. On Saturdays and Sundays, he does regular 7-8 hours shifts during the surfing season.

Chris's record of service is truly outstanding. Whilst SLSA Surfguard records only commenced in 2006-07, he has logged an average of 200+ hours per season and a total of 4,176 hours up until the end of the 2021-2022 season. Branch records before Surfguard also indicate that since he obtained his official Radio Operator Certificate in 1992, his average over those years was also over 200 hours per season. Therefore, the estimated overall hours contributed would be more than 6,000.

Chris is truly a role model for all, showing that we can all achieve incredible things with the right opportunity and training; he is a true inspiration to all of us in these troubled times we live in today.

**Gary S Cook, Life Member**

Gary Cook (Life Member), Chris Roberts and Mayor Michael Regan at the Sydney Northern Beaches Branch Awards of Excellence

## HONORARY SECRETARY

**A**s usual, my report will be full of “thank you’s”! The Secretary’s role covers many areas and wouldn’t be possible without enormous help from numerous members.

### ANNUAL REPORT

This report is made possible by approximately 40 authors, and who knows how many photographers! Thank you to all the contributors, especially those who made the deadline, used full names and provided at least one high-resolution image. Proofreading so many words is made much easier due to my Grammarly subscription. I wish this application had existed during my high school years and early career as a Secretary/Personal Assistant. Bev Barnes also helped with a critical “second-sub-edit”, just to be sure. And, I would be lost without Gary Cook keeping the years of service records up to date in the membership section.

### A NEW CONSTITUTION

This project was the most important one I’ve been a part of during my term as Hon. Secretary. Our Constitution Committee was a pleasure to work with, and I’m grateful for their expertise that made adopting a new constitution on 26 June possible.

Our old constitution was like dealing with a renovated and extended house to accommodate an expanding family. And the parents were so old and out of touch, they failed to see the importance of upgrading the home with the latest technology.

Being a part of the “knock-down, rebuild team” was more enjoyable than renovating. Glen Borg was an excellent project manager and engineer. Guyren Smith did a lot of the heavy lifting and bricklaying. Guyren also scoped out many of the neighbours’ homes and developed a fair set of

regulations. John Ringrose was the master architect, and I took care of the interior design.

### PUBLICITY

To keep members up to date, we rely on many contributors. Thank you to Melisse Cooper for keeping the membership up to date with the latest news via frequent website posts. Cheers to Jess Menzies for regularly posting on Instagram and Facebook to supplement posts from Melisse and me. Please keep the stories and images coming so we can do an adequate job.

Also, Nick Carroll. Nick wrote a delightful story titled “Newport’s Big Second” in the June issue of Pittwater Life. He vividly summed up our outstanding result at Aussies 2022. If you missed it, it is available online.

We continue to use the “Top 5” newsletter, which summarises our most recent website posts. Please look out for it in your inbox. If you haven’t been receiving our newsletter, please check your spam folder or log in to your SLSA Members Area and check we have your correct email address. We also pin a hard copy of the newsletter in the downstairs hallway and on the bar’s notice board.

### SOCIAL EVENTS

Unfortunately, due to COVID restrictions, we had to start the season with an invitation-only “Back to the Beach” event. This event allowed us to present members with various honours and awards announced online. A special mention to our newest Life Member, Brett Budd. Brett Budd tapped me on the shoulder many moons ago and asked me to be Social Secretary. I didn’t realise what I was getting myself into at the time. I have since been on various committees or helped in other ways like organising website updates and maintenance or laying out the

annual report. I’ve found my involvement fulfilling, and it has even given me ideal case studies to use during my paid job as an IT Trainer.

On 9 January, we had an author talk by Damien Cave. Damien is the New York Times (NYT) Australian Bureau Chief and author of **Into the Rip**. If you haven’t read the book, I strongly recommend it – especially to all of our Nipper parents. Thank you to everyone who attended, especially Damien, who travelled from Bronte, where he lives with his wife and two children. When Damien brought his young family to Sydney to set up the NYT’s Australian Bureau, they encountered the local pursuits of Nippers and surfing – and a completely different approach to risk that changed how they lived.

Our Annual Awards, aka the Bernies, on 21 May was a very successful event thanks to Matt Burke and the Glen Street Theatre. Thank you to Matt Edwards (Club Member of the Year and Branch Surf Lifesaver of the Year) for securing the services of Matt Burke as Master of Ceremonies. Thanks to Matt, the formalities were over by 9:10 pm, including a 45-minute intermission! Finally, we had lots of time for a decent after-party and celebration of a fantastic season. This has been one of my main goals since organising my first “Presentation Night” in 2010 at Pittwater RSL. I wish I had the idea of switching to a theatre-style format years ago. This format ensures a more attentive evening and speeds up the presentation process. So, if you have been hesitant to attend our Annual Awards evenings in the past due to its notorious reputation as being long and tedious, please come along next year and enjoy the difference. Just ask Karen Burns (KB)! KB receives

Jan Proudfoot receiving her 15 Year National Patrol Service Award from Life Member, Gary Cook at “Back to the Beach”

special mention due to her dancing and enthusiasm in front of the photo and video booth this year.

### SUCCESSION PLANNING

We are overdue for new blood and ideas. Would you like to be our first Director of Administration? If so, please call me! I will be delighted to be your assistant during your first season, so you will have a comprehensive hand-over. The job will be a breeze if you have WordPress (our website content management system) and Microsoft 365 skills. If not, you will learn to use many new applications within one year.

Jan Proudfoot  
0409 207 907

Geordie Smith, Lauren Budd, Siobahn Cooper, Brendan Menzies, Karen Burns & Bethany Pate - dancing and photo booth fun at the 2022 Bernies

## COMMITTEE MEMBERS & ATTENDANCES

The following is an attendance record of Elected Members of the Committee for the 2021-2022 season. There were several additional Sub-Committee meetings held during the season, however these are not included in this record. Note: the January meeting was only for the Executive team.

POSITION	NAME	PRESENT	APOLOGY	ABSENT
President (Executive)	Glen Borg	11	1	0
Deputy President (Executive)	Guyren Smith	10	2	0
Hon. Secretary (Executive)	Jan Proudfoot	12	0	0
Hon. Treasurer (Executive)	Jeremy Paul	11	1	0
Club Captain (Executive)	Jess Menzies	7	5	0
JAC Chairman (Executive)	Rebecca Capell	11	1	0
Assistant Secretary	Chloe Van Dam	5	4	2
Board & Ski Captain	Nick Carroll	3	0	8
Chief Instructor	Brendan Menzies	8	1	2
Competition Organiser	Darren Warrener	7	3	1
First Aid Officer	Lily Tancred	7	3	1
Gear Steward	Peter Probert	5	6	0
House Captain	Mal French	0	0	11
PowerCraft Captain	Matt Edwards	9	0	2
Publicity Officer	Melisse Cooper	7	3	1
Registrar	Eric Crooke	9	2	0
Surf Boat Captain	Alex Brown	1	1	9
Vice Captain	Lauren Budd	9	2	0
Youth Development Officer	Nick Rogers	9	2	0

Final Management Committee Meeting on 11 July 2022

## SUB-COMMITTEES

<b>JUNIOR ACTIVITIES</b>	Rebecca Capell (Chairman), Rebecca Jacobsen (Vice-Chairman), Toni Garske and Gemma Eastwood (Sponsorship), Alan Carroll (Secretary), Rod Stevens, Esa Fleming and Scott Newey (Water Safety Officers), Hilary Maggs (Competition Manager), Calvin Stollznow (Age Manager Coordinator), Carla Pettitt (Shop Manager), Gavin Clarke and son Jake Clarke (BBQ Manager), Brendan Capell (Gear Steward), Ian Crutch (Dolphins & Marlins Manager) and Nick Rogers (Youth Development Officer)
<b>JUDICIARY</b>	Gary Cook, Col Maclean, John McInerney OAM, David Oatley, John Ringrose (Legal Officer)

Jan Proudfoot and Glen Borg at the Branch Awards of Excellence

## HONORARY TREASURER

In my first year as the Honorary Treasurer for the surf club, I would like to thank Rob Barkley and Michael Coates for their time in prior years in setting up the club's accounts in Xero and for assisting greatly with my transition into the role. The pandemic and weather complicated our normal revenue streams, so the committee has persevered with strong leadership and diligent cost control to maintain our financial position. It is with pleasure that, despite another challenging and pandemic-affected year, I can announce we made a small profit for the 2021-22 season.

The club posted a surplus of \$775 for the year by responsibly managing its financial affairs under challenging circumstances in an unpredictable economic climate. I thank the committee for embracing these challenges and supporting our responsible approach. I would also like to acknowledge and appreciate the support Bev Barnes gave me. Bev is always happy to complete many tasks over and above her busy schedule of administrative duties and has regularly popped up working the bar throughout the year. Bev is a pleasure to work with, carries out her daily duties professionally, and has the success of the Newport Surf Club at heart.

If you exclude the Newport Kinghorn Surf Racing Academy donation and expenditure which offset each other, the club has experienced a decrease in revenue compared to the previous year. The club continued to operate under COVID restrictions for portions of the year, and the committee acted in

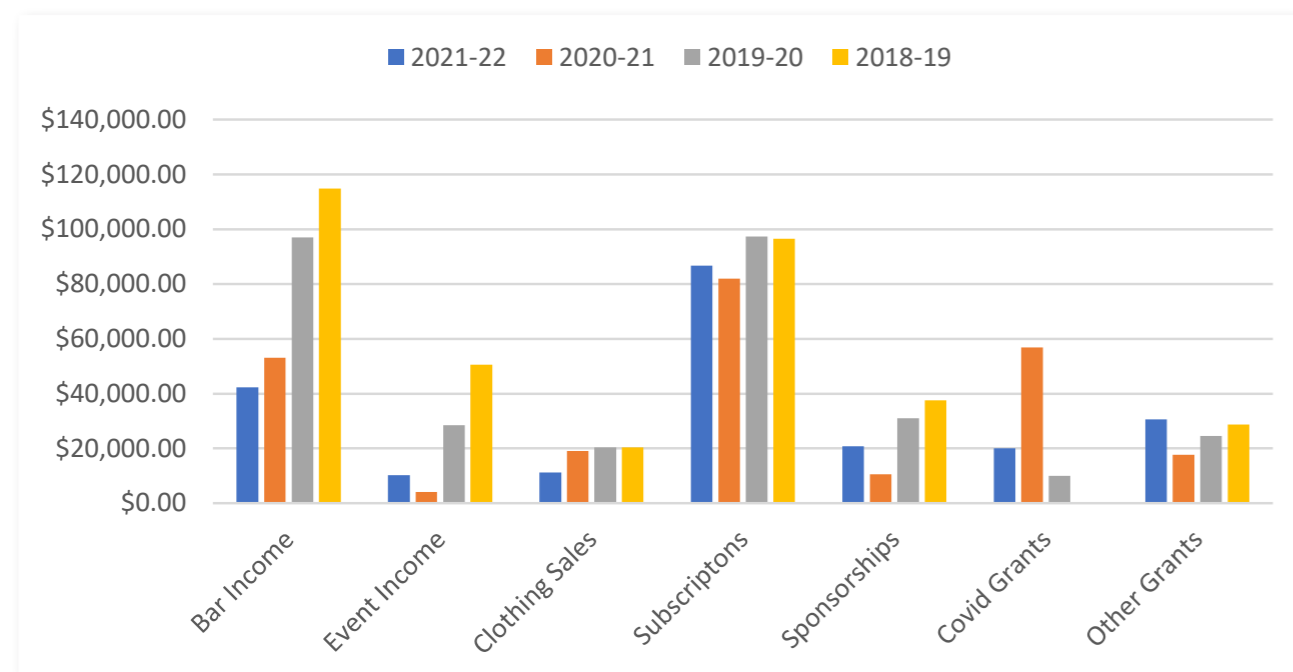

accordance with directions, which saw the closure of function/hall hire and bar operations during various periods. The committee also maintained a position of postponing non-essential spending to support the uncertain economic times. The club continued to take advantage of the financial programmes available through various COVID packages, which saw support from the Federal and NSW Governments.

Historically, the bar operations of the club have been the most significant stream of operating revenue for the club. As a result, the end of the more severe pandemic restrictions brought hope for increases to our bar activity revenue streams, but La Nina had other ideas. With continued limitations on spacing inside and the foul weather seeming to coincide with Friday nights, the bar operations dropped from the prior year's revenue. There were some promising signs with the return of some function revenue. However, there is a long way to go to recover from pre-pandemic operations. The bar operations continue to be reviewed regularly to ensure we remain cash positive and profitable.

### 2021-22 KEY RESULTS:

- Operating Revenue and Other Income: 3.8 % decrease on the 2021 season
- Operating Expenditure: 1.5 % decrease on the 2021 season
- Current Year Surplus: \$774.50

As in other recent years, the following chart compares the club's revenue streams, the vital

contribution of grants received, and the value of the Government assistance programmes.

The club's expenditure was tightly controlled with our cash position improving by \$28,619. Whilst doing so, we managed to continue to fund essential rescue equipment and some key equipment purchased during the year included a new IRB motor, six new rescue boards, three rescue boards for the Nipper group, a new 6 bay radio charger, a new refrigerator for the Nippers. We also maintained our existing rescue and first aid equipment. I thank the committee for their support of this conservative approach.

Our function and event revenue shows signs of improvement, doubling from the very low base of the prior year. However, this remains one-fifth of pre-Covid revenue. Our regular income for hall hire from the yoga company continued to decline with the difficulties and restrictions facing that type of activity throughout the year.

I thank Eric Crooke for his work as our Registrar and for analysis of our membership trends during the season to ensure we were doing all we could to retain and attract members. Support from our membership base was strong, and it was pleasing to see active membership numbers staying steady. We faced drops of approximately 20% in our Nipper and associated General membership as the effects of COVID were felt. However, the Nipper programme remains an excellent means of attracting new members to the club. Bec Capell and the Nipper committee have again done an excellent job in the second consecutive COVID-affected season and managed to put together a full programme for our kids and have maintained the enthusiasm and fun in waterproofing our kids.

Thanks to Carla Pettitt and Collette Dailey for another year operating our Sunday morning and online clothing store, which, due in part to lower Nipper numbers, faced a drop in revenue of approximately 40%. If you need any club gear, please remember that you can also shop online through the club's website.

A beacon of light during the difficult year was the return of the Pool to Peak Ocean Swim. John Guthrie's hardworking committee put on another fantastic event which, apart from being a beautiful way to start the new year, is also a major fundraiser for the club. We thank our sponsors for their ongoing support and the work done by the organising committee and general membership in helping to make the event a success. We look

forward to more successful swims in the coming seasons.

Our sponsorship committee continued to work with local businesses in seeking general sponsorships for the senior club and the Nipper programme. We are grateful for the support of those who have been and continue to be on board and for some new additions. Please support our sponsors, as their support of your club during these difficult times allows us to maintain our equipment and presence on the beach, keeping the community safe. Many thanks go to Matt Brand, who is leaving the Sponsorship Committee at the end of this year. During his years on the committee, Matt has put a lot of time into developing sponsorship collateral and a coordinated approach to sponsorship, and I thank him for his efforts.

Despite being able to return to some semblance of normality, we still faced disruptions to our regular calendar of functions and events. This limited the club's ability to earn an income and support the community due to cancelled events. Some notable events missed were the Rotary Beach to Beach Charity Fun Run, and the Nantucket Shield which we haven't held since pre COVID.

Our carnival and competition expenses for our Masters and Nippers were down by around 25% due to lower participation and the reduced schedule of events during the season.

Government grant support remained critical for our operations. As expected, whilst transitioning out of the worst of the pandemic, the level of COVID-related support dropped to \$20K from \$57K in the prior year. We hope this support will be replaced by revenue from normal operations in the coming season.

Our general insurances were up marginally by 5% due to the market conditions.

We have made a provision within the accounts for some impairment of the club's clothing stock, and while difficult, this reflects our conservative approach to managing the club's finances. We continue to provide for annual and long service leave entitlements in line with legislation.

As mentioned, we continue to upgrade and maintain our essential service equipment to remain rescue ready. I congratulate our Club Captain, Gear Steward and First Aid Officer for keeping the club's repair and maintenance costs to a minimum and taking advantage of Surf Lifesaving grants to fund purchases where possible.

Training and development costs continued to be low and reflect disciplined attention to what

we are spending on, but also the uncertainty of participation in the offered courses while operating under the pandemic restrictions.

2021-22 was the first year of running our asset and depreciation schedules entirely within Xero, allowing clear visibility of the club's current asset position and making the process easy to maintain. We again thank Michael Coates for organising our depreciation schedules into Xero.

I have enjoyed my first year as Treasurer and would like to thank Glen Borg and the committee for welcoming me and their ongoing support. The club's finances are in a solid position while we look to rebound from the last couple of challenging years. I am looking forward to a successful 2022-23 season.

Jeremy Paul

## SPONSORS

Our club would not be what it is today without the generous support of our sponsors and supporters. Please patronise them if the opportunity arises.

### PLATINUM (>=\$15,000)

- The Kinghorn Foundation

### GOLD (\$5,000 - \$14,999)

- LJ Hooker Newport
- Harris Farm Markets
- Balgowlah Automotive (in-kind)

### SILVER (\$2,000 - \$4,999)

- The Park House

### WE ALSO ACKNOWLEDGE AND APPRECIATE:

- The Surf Life Saving Foundation which conducts fundraising on behalf of clubs and branches. Conducting fundraising efforts centrally frees up our members' time to focus their energy and resources on lifesaving activities – our number one mission.
- The NSW Government for the support of Resilience NSW for the ongoing funding of state-side operations, which benefit all members through our co-operative agreement.
- The NSW Government for the support provided through The Office of Sport for their support to increase usage, safety and participation in Surf Lifesaving through ongoing programmes.
- The Federal Government for the Beach Safety Equipment Funding, which directed \$5,000 to every SLSC for purchasing vital rescue equipment, first aid and medical supplies.
- The Federal Government for the VET Funding, which enabled hundreds of assessors to update their training qualifications and provided clubs with updated training equipment including QCPR (Quality Cardiopulmonary Resuscitation) manikins and tablets.
- Service NSW for COVID Relief grants.
- Northern Beaches Council for their continued support and assistance with financial contribution and assistance with the development plans for the club.

## Notes of the Financial Statements

Newport Surf Life Saving Club Inc. ABN 56 603 611 439  
For the year ended 30 April 2022

### Summary of Significant Accounting Policies

The financial statements cover Newport Surf Lifesaving Club as an individual entity. Newport Surf Life Saving Club Inc. is a not-for-profit Association incorporated in New South Wales under the Associations Incorporation Act 2009 (NSW).

The financial statements are special purpose financial statements prepared in order to satisfy the financial reporting requirements of the Associations Incorporation Act 2009 (NSW), the Charitable Fundraising Act 1991 (NSW) and the Australian Charities and Not-for-Profits Commission Act 2012 (Cth) and the club's constitution. The committee has determined that the association is not a reporting entity.

The financial statements have been prepared in accordance with the requirements of the above acts and regulations, the club's constitution and the following Australian Accounting Standards:

AASB 101 Presentation of Financial Statements

AASB 107 Statements of Cash Flows

AASB 108 Accounting Policies, Changes in Accounting Estimates and Errors

AASB 1031 Materiality

AASB 1048 Interpretation of Accounting Standards

AASB 1054 Australian Additional Disclosures

No other Accounting Standards, Australian Accounting Interpretations or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial statements have been prepared on an accruals basis and are based on historic costs and do not take into account changing money values or, except where stated specifically, current valuations of non-current assets. The following significant accounting policies, which are consistent with the previous period unless stated otherwise, have been adopted in the preparation of these financial statements.

### Income Tax

No provision for income tax has been raised as the Association is exempt from income tax under Div 50 of the *Income Tax Assessment Act 1997*.

### Property, Plant and Equipment (PPE)

Leasehold improvements and office equipment are carried at cost less, where applicable, any accumulated depreciation.

In the event the carrying value of plant and equipment is greater than the estimated recoverable amount, the carrying value is written down immediately to the estimated recoverable amount. A formal assessment of recoverable amount is made when impairment indicators are present.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the association and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the statement of comprehensive income during the financial period in which they are incurred.

### Depreciation

The depreciation method and useful life used for items of property, plant and equipment(excluding freehold land) reflects the pattern in which their future economic benefits are expected to be consumed by the association. Depreciation commences from

the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements. The depreciation method and useful life of assets is reviewed annually to ensure they are still appropriate.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are recognised in profit or loss. When revalued assets are sold, amounts included in the revaluation surplus relating to that asset are transferred to retained earnings.

### Cash and Cash Equivalents

Cash and cash equivalents comprises cash on hand, demand deposits and short-term investments which are readily convertible to known amounts of cash and which are subject to an insignificant risk of change in value. Bank overdrafts are presented within current liabilities on the statement of financial position.

### Employee Provisions

Provision is made for the association's liability for employee benefits arising from services rendered by employees to the end of the reporting period. Employee provisions have been measured at the amounts expected to be paid when the liability is settled.

### Revenue and Other Income

Revenue is measured at the fair value of the consideration received or receivable after taking into account any trade discounts and volume rebates allowed. For this purpose, deferred consideration is not discounted to present values when recognising revenue.

Interest revenue is recognised using the effective interest method, which for floating rate financial assets is the rate inherent in the instrument. Dividend revenue is recognised when the right to receive a dividend has been established.

Grant and donation income is recognised when the entity obtains control over the funds, which is generally at the time of receipt.

If conditions are attached to the grant that must be satisfied before the association is eligible to receive the contribution, recognition of the grant as revenue will be deferred until those conditions are satisfied.

All revenue is stated net of the amount of goods and services tax.

### Financial Instruments

#### *Recognition, initial measurement and derecognition*

Financial assets and financial liabilities are recognised when the Association becomes a party to the contractual provisions of the financial instrument, and are measured initially at fair value adjusted by transactions costs, except for those carried at fair value through profit or loss, which are measured initially at fair value. Subsequent measurement of financial assets and financial liabilities are described below.

Financial assets are derecognised when the contractual rights to the cash flows from the financial asset expire, or when the financial asset and all substantial risks and rewards are transferred. A financial liability is derecognised when it is extinguished, discharged, cancelled or expires.

#### Classification and subsequent measurement of financial assets

Except for those trade receivables that do not contain a significant financing component and are measured at the transaction price, all financial assets are initially measured at fair value adjusted for transaction costs (where applicable).

For the purpose of subsequent measurement, financial assets other than those designated and effective as hedging instruments are classified into the following categories upon initial recognition:

- amortised cost
- fair value through profit or loss (FVPL)
- equity instruments at fair value through other comprehensive income (FVOCI)

All income and expenses relating to financial assets that are recognised in profit or loss are presented within finance costs, finance income or other financial items, except for impairment of trade receivables which is presented within other expenses.

Classifications are determined by both:

- The entities business model for managing the financial asset

- The contractual cash flow characteristics of the financial assets

All income and expenses relating to financial assets that are recognised in profit or loss are presented within finance costs, finance income or other financial items, except for impairment of trade receivables, which is presented within other expenses.

#### *Subsequent measurement financial assets*

##### *Financial assets at amortised cost*

Financial assets are measured at amortised cost if the assets meet the following conditions (and are not designated as FVPL):

- they are held within a business model whose objective is to hold the financial assets and collect its contractual cash flows

- the contractual terms of the financial assets give rise to cash flows that are solely payments of principal and interest on the principal amount outstanding

After initial recognition, these are measured at amortised cost using the effective interest method. Discounting is omitted where the effect of discounting is immaterial. The Association's cash and cash equivalents, trade and most other receivables fall into this category of financial instruments as well as long-term deposit that were previously classified as held-to-maturity under AASB 139.

##### Financial assets at fair value through profit or loss (FVPL)

Financial assets that are held within a different business model other than 'hold to collect' or 'hold to collect and sell' are categorised at fair value through profit and loss. Further, irrespective of business model financial assets whose contractual cash flows are not solely payments of principal and interest are accounted for at FVPL. All derivative financial instruments fall into this category, except for those designated and effective as hedging instruments, for which the hedge accounting requirements apply (see below).

##### *Equity instruments at fair value through other comprehensive income (Equity FVOCI)*

Investments in equity instruments that are not held for trading are eligible for an irrevocable election at inception to be measured at FVOCI. Under Equity FVOCI, subsequent movements in fair value are recognised in other comprehensive income and are never reclassified to profit or loss. Dividend from these investments continue to be recorded as other income within the profit or loss unless the dividend clearly represents return of capital.

#### *Impairment of Financial assets*

AASB 9's impairment requirements use more forward looking information to recognize expected credit losses - the 'expected credit losses (ECL) model'. Instruments within the scope of the new requirements included loans and other debt-type financial assets measured at amortised cost and FVOCI, trade receivables and loan commitments and some financial guarantee contracts (for the issuer) that are not measured at fair value through profit or loss.

The Association considers a broader range of information when assessing credit risk and measuring expected credit losses, including past events, current conditions, reasonable and supportable forecasts that affect the expected collectability of the future cash flows of the instrument.

In applying this forward-looking approach, a distinction is made between:

- financial instruments that have not deteriorated significantly in credit quality since initial recognition or that have low credit risk ('Stage 1') and

- financial instruments that have deteriorated significantly in credit quality since initial recognition and whose credit risk is not low ('Stage 2').

'Stage 3' would cover financial assets that have objective evidence of impairment at the reporting date.

'12-month expected credit losses' are recognised for the first category while 'lifetime expected credit losses' are recognised for the second category.

Measurement of the expected credit losses is determined by a probability-weighted estimate of credit losses over the expected life of the financial instrument.

#### *Trade and other receivables*

The Association makes use of a simplified approach in accounting for trade and other receivables and records the loss allowance at the amount equal to the expected lifetime credit losses. In using this practical expedient, the Association uses its historical experience, external indicators and forward-looking information to calculate the expected credit losses using a provision matrix.

#### *Classification and measurement of financial liabilities*

As the accounting for financial liabilities remains largely unchanged from AASB 139, the Association's financial liabilities were not impacted by the adoption of AASB 9. However, for completeness, the accounting policy is disclosed below.

The Association's financial liabilities include borrowings and trade and other payables.

Financial liabilities are initially measured at fair value, and, where applicable, adjusted for transaction costs unless the Association designated a financial liability at fair value through profit or loss.

Subsequently, financial liabilities are measured at amortised cost using the effective interest method except for derivatives and financial liabilities designated at FVPL, which are carried subsequently at fair value with gains or losses recognised in profit or loss (other than derivative financial instruments that are designated and effective as hedging instruments).

All interest-related charges and, if applicable, changes in an instrument's fair value that are reported in profit or loss are included within finance costs or finance income.

## **Leases**

### **Prior Treatment**

Finance Leases were capitalised, recording an asset and a liability.

Leased assets were depreciated over their estimated useful lives. Finance leases were allocated between the reduction of the lease liability and the lease interest expense for the period.

Lease payments for operating leases, where substantially all the risks and benefits remained with the lessor, were charged as expenses in the periods in which they were incurred.

### **New Accounting Standards Introduced**

AASB 16: Leases (applicable to annual reporting periods beginning on or after 1 January 2019) replaces the previous accounting requirements. AASB 16 introduces a single lessee accounting model that eliminates the requirement for lease to be classified as operating or finance leases.

The main changes introduced by the new Standard are as follows:

- recognition of a right-of-use asset and liability for all leases (excluding short-term leases with less than 12 months of tenure and leases relating to low-value assets);

- depreciation of right-of-use assets in line with AASB 116: Property Plant & Equipment in profit or loss and unwinding of the liability in principal and interest components;

- inclusion of variable lease payments that depend on an index or a rate in the initial measurement of the lease liability using the index or rate at the commencement date;

- application of a practical expedient to permit a lessee to elect not to separate non-lease components and instead account for all components as a lease; and

- inclusion of additional exposure requirements.

AASB 2018-8 Amendments to Australian Accounting Standards – Right-of-Use Assets of Not-for-Profit Entities allows that where the lessee is a not-for-profit entity, the lessee may elect to measure right-of-use assets on a class-by-class basis at initial recognition at fair value in accordance with AASB 13 Fair Value Measurement for leases that have significant below-market terms and conditions principally to enable the entity to further its objectives. AASB 1058 Income for Not-for-Profit Entities addresses the recognition of related amounts.

In addition, where a lessee is a not-for-profit entity and elects to measure a class or classes of right-of-use assets at initial recognition at cost for leases that have significantly below-market terms and conditions principally to enable the entity to further its objectives, the lessee shall disclose additional qualitative and quantitative information about those leases which shall include, but is not limited to, information that helps users of financial statements to assess:

- (a) the entity's dependence on leases that have significantly below-market terms and conditions principally to enable the entity to further its objectives; and

- (b) the nature and terms of the leases, including:

- (i) the lease payments

- (j) the lease term

- (k) the description of underlying asset; and

- (l) restrictions on the use of the underlying assets specific to the entity.

The disclosures so provided by a not-for-profit entity shall be provided individually for each material lease that has significantly below-market terms and conditions principally to enable the entity to further its objectives or in aggregate for leases involving right-of-use assets of a similar nature.

## **Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO). Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the assets and liabilities statement.

## **Inventories**

Inventories are valued at the lower of cost and net realisable value. No value is ascribed to goods for resale that have been donated to the Association where fair value cannot be reliably determined. Net realisable value is the estimated selling price in the ordinary course of business, less any applicable selling expenses.

## **Significant management judgement in applying accounting policies**

When preparing the financial statements, management undertakes a number of judgements, estimates and assumptions about the recognition and measurement of assets, liabilities, income and expenses.

#### Estimation uncertainty

Information about estimates and assumptions that have the most significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may be substantially different.

#### Impairment

In assessing impairment, management estimates the recoverable amount of each asset or cash-generating units, based on expected future cash flows and uses an interest rate to discount them. Estimation uncertainty relates to assumptions about future operating results and the determination of a suitable discount rate.

#### Useful lives of depreciable assets

Management reviews its estimate of the useful lives of depreciable assets at each reporting date, based on the expected utility of the assets. Uncertainties in these estimates relate to technical obsolescence that may change the utility of certain software and IT equipment.

#### Inventories

Management estimates the net realisable values of inventories, taking into account the most reliable evidence available at each reporting date. The future realisation of these inventories may be affected by future technology or other market-driven changes that may reduce future selling prices.

#### Long service leave

The liability for long service leave is recognised and measured at the present value of the estimated cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

### Related Party Transactions

The Association's related parties include its key management personnel and related entities as described below. Unless otherwise stated, none of the transactions incorporate special terms and conditions and no guarantees were given or received. Outstanding balances are usually settled in cash.

#### Transactions with related entities

The Association sourced goods and services from members at market rate during the financial year. All related party services and contracts are approved by the Committee.

#### Transactions with key management personnel

All key management personnel and volunteers are not compensated for holding office positions.

	2022	2021
<b>1. Cash on Hand</b>		
Cash and cash equivalents	283,163	254,544

<b>Total Cash flows from operations</b>	<b>41,464</b>	<b>69,814</b>

### 5. Fundraising Appeals

Net fundraising is applied to the operational expenses of the Association in its core lifesaving activities.

### 6. Subsequent Events

The World Health Organisation (WHO) declared the COVID-19 virus a global Health emergency on 30 January 2020. Global trade and markets have been significantly disrupted, and many businesses have had to, or will have to, limit or suspend their operations.

All global share markets have suffered significant falls since 30 January 2020. The committee have assessed the impact of the pandemic on the Financial Statements of the Association. There is no effect of the pandemic on the asset values as at 30 April 2022.

# Declaration By Members of the Committee

**Newport Surf Life Saving Club Inc. ABN 56 603 611 439**  
**For the year ended 30 April 2022**

The committee has determined that the association is not a reporting entity and that this special purpose financial report should be prepared in accordance with the accounting policies outlined in Note 1 to the financial statements.

In the opinion of the committee:

1. The financial report which comprises of the statement of financial position as at 30 April 2022, and the statement of profit and loss and other comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, a summary of significant accounting policies and other explanatory notes is in accordance with the Australian Charities and Not-for-profits Commission Act 2012 (Cth) and

a) complies with Australian Accounting Standards as set out in Note 1; and

b) complies with the provisions of the Australian Charities and Not-for-Profits Commission Act 2012 (Cth) and the Australian Charities and Not-for-Profits Commission Regulations 2013 (Cth); and

c) gives a true and fair view of the financial position of Newport Surf Life Saving Club Inc as at 30 April 2022 and its performance for the year ended on that date

2. The accompanying statement of comprehensive income is drawn up so as to give a true and fair view of the profit (or loss) of the association including fundraising appeals for the last financial year;

3. The statement of financial position is drawn up so as to give a true and fair view of the state of affairs of the association including fundraising appeals as at the end of the financial year;

4. The provisions of the Charitable Fundraising Act 1991 (NSW), the regulations under the act, and the conditions attached to the fundraising authority have been complied with by the association;

5. The internal controls exercised by the association are appropriate and effective in accounting for all income received and applied by the organisation from any of its fundraising appeal;

6. At the date of this statement, there are reasonable grounds to believe that Newport Surf Life Saving Club will be able to pay its debts as and when they fall due;

7. The accounts and associated records have been properly kept during the year;

8. Money received as a result of fundraising appeals conducted during the year has been properly accounted for, and;

9. The principal activities of the association during the financial year were the provision of lifesaving services and no significant change to these activities has occurred.

The accounts of the Association have been made out in accordance with applicable Accounting Standards, other mandatory professional reporting requirements, the provisions of the Associations Incorporation Act 2009 (NSW), Australian Charities and Not-for-Profits Commission Act 2012 (Cth) and the Charitable Fundraising Act 1991 (NSW).

This statement is made in accordance with a resolution of the Committee and is signed for and on behalf of the Committee in accordance with subsection 60.15 (2) of the Australian Charities and Not-for-Profits Commission Regulation 2013 (Cth) and other requirements by:

# Compilation report

**Newport Surf Life Saving Club Inc. ABN 56 603 611 439**  
**For the year ended 30 April 2022**

Compilation report to Newport Surf Life Saving Club Inc. ABN 56 603 611 439

We have compiled the accompanying special purpose financial statements of Newport Surf Life Saving Club Inc. ABN 56 603 611 439, which comprise the statement of financial position as at 30 April 2022, statement of profit and loss and other comprehensive income, the statement of changes inequity, the statement of cash flows, a summary of significant accounting policies and other explanatory notes. The specific purpose for which the special purpose financial statements have been prepared is set out in Note 1.

## The Responsibility of the Committee Members

The committee of Newport Surf Life Saving Club Inc. ABN 56 603 611 439 is solely responsible for the information contained in the special purpose financial statements, the reliability, accuracy and completeness of the information and for the determination that the basis of accounting used is appropriate to meet its needs and for the purpose that financial statements were prepared.

## Our Responsibility

On the basis of information provided by the Committee we have compiled the accompanying special purpose financial statements in accordance with the basis of accounting as described in Note 1 to the financial statements and APES 315 *Compilation of Financial Information*.

We have applied our expertise in accounting and financial reporting to compile these financial statements in accordance with the basis of accounting described in Note 1 to the financial statements. We have complied with the relevant ethical requirements of APES 110 *Code of Ethics for Professional Accountants*.

# Independent Auditor's Report

## Newport Surf Life Saving Club Inc. ABN 56 603 611 439 For the year ended 30 April 2022

### Qualified Opinion

I have audited the accompanying financial report, being a special purpose financial report, of **Newport Surf Life Saving Club Inc. ABN 56 603 611 439** (the Association), which comprises the statement of financial position as at **30 April 2022**, the statement of profit and loss and other comprehensive income, statement of changes in equity, statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the responsible entities' declaration.

In my opinion, except for the effects of the matter described in the *Basis of Qualified Opinion* section of my report, the financial report of the Newport Surf Life Saving Club Inc. ABN 56 603 611 439 as at 30 April 2022 presents fairly in all material aspects the financial position of the Newport Surf Life Saving Club Inc. ABN 56 603 611 439 and its financial performance for the year then ended in accordance with the basis of accounting described in Note 1 to the financial report and satisfies the requirements of the Charitable Fundraising Act 1991 (NSW), the Associations Incorporation Act 2009 (NSW), the Australian Charities and Not-for-Profits Act 2012 (Cth) and the Club's constitution including:

a) giving a fair and true view of the registered entity's financial position as at 30 April 2022 and of its financial performance for the year ended; and

b) complying with Australian Accounting Standards to the extent described in Note 1, and Division 60 of the *Australian Charities and Not-for-profits Commission Regulation 2013*

### Basis of Qualified Opinion

It is not practical for the Newport Surf Life Saving Club Inc. ABN 56 603 611 439 to maintain an effective system of internal control over donations and fundraising activities until their entry in the accounting records. Accordingly, my audit in relation to donations and fundraising activities was limited to amounts recorded.

I conducted my audit in accordance with Australian Auditing Standards. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Report section of my report. I am independent of the registered entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (the Code) that are relevant to my audit of the financial report in Australia. I have also fulfilled my other ethical responsibilities in accordance with the Code. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

### Emphasis of Matter - Basis of Accounting

I draw attention to Note 1 to the financial report, which describes the basis of accounting. The financial report has been prepared for the purpose of fulfilling the Association's financial reporting responsibilities under the Charitable Fundraising Act 1991 (NSW), the Associations Incorporation Act 2009 (NSW), the Australian Charities and Not-for-Profits Act 2012 (Cth) and the Club's constitution. As a result, the financial report may not be suitable for another purpose. My opinion is not modified in respect of this matter.

### Responsibility of the Committee for the Financial Report

The Committee of the Association is responsible for the preparation of the financial report that gives a true and fair view and have determined that the basis of preparation described in Note 1 to the financial report is appropriate to meet the requirements of the Associations Incorporation Act 2009 (NSW), Charitable Fundraising Act 1991 (NSW) and the Australian Charities and Not-for-Profits Act 2012 (Cth) and the needs of the members. The Committee's responsibility also includes such internal control as the Committee determine is necessary to enable the preparation of a financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee is responsible for assessing the Association's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless the Committee either intend to liquidate the registered entity or to cease operations, or have no realistic alternative but to do so.

### Auditor's Responsibilities for the Audit of the Financial Report

My objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of the financial report.

As part of an audit in accordance with Australian Auditing Standards, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the registered entity's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Committee.
- Conclude on the appropriateness of the Committee's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the financial report or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

I communicate with the Committee regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

# Auditor's Independence Declaration

Newport Surf Life Saving Club Inc. ABN 56 603 611 439  
For the year ended 30 April 2022

To the Members of the Committee of Newport Surf Life Saving Club Inc. ABN 56 603 611 439

In accordance with the requirements of section 60-40 of the *Australian Charities and Not-for-Profits Commission Act 2012 (cth)*, as auditor for the audit of Newport Surf Life Saving Club Inc. ABN 56 603 611 439 for the year ended 30 April 2022, I declare that, to the best of my knowledge and belief, there have been:

(i) No contraventions of the auditor independence requirements as set out in section 60-40 of the *Australian Charities and Not-for-profits Commission Act 2012* in relation to the audit; and

(ii) No contraventions of any applicable code of professional conduct in relation to the audit.

## POOL TO PEAK OCEAN SWIMS

The Pool to Peak organisers were nervous about the weather conditions as there had been powerful winds leading up to the big day. Luckily the conditions on the day were near perfect to hold the three swims.

The other worry was that we were just coming out of the COVID lock-downs, which could affect entry numbers. There would be no swimmers from overseas as international travel had not returned to normal. But on the day, we had 546 entries which was an incredible result under the circumstances. Quite a few swimmers swam two of the swims.

Newport has many champions in competition, taking the club to great heights. And according to Life Member John Guthrie, Chairman of the Pool to Peak Ocean Swims Committee, volunteers at the Pool to Peak on Sunday, 2 January were also champions for their outstanding efforts in every part of the event.

"Whether in the water or on the beach, everything went like clockwork, thanks to our volunteers. Swimmers told us it was a very well organised event emphasising the hard work of everyone involved.

Thank you to everyone for giving your time and effort to make the Pool to Peak an event to remember. This is one club event where members and friends can get involved, and there is a great feeling of cooperation. The Pool to Peak is one of the club's biggest fundraisers, and we raised \$21,931 in 2022," said John.

The Pool to Peak was again part of the Pittwater Ocean Swim Series which benefits from a Northern Beaches grant for advertising and promotion. This year the series had a fabulous prize of a Whitsunday Swim Safari donated by oceanswims.com.

Other clubs in the series were not so lucky with the conditions, and Bilgola (a tsunami alert) and Avalon cancelled their events. It shows how fickle Mother Nature can be!

"We again had the wonderful support of our major sponsor **Harris Farm Markets**, who have been with us for many years. In addition to monetary support, the Harris Farm Markets team support the swims with delicious fruit for the swimmers as they finish and sought-after fruit basket prizes for category winners. We were delighted to have co-CEO Angus Harris swim one of our swims, and Cathy Harris was also there in support," John added.

We also have the contributions of **LJ Hooker Newport, Barrenjoey Smash Repairs, Royal Motor Yacht Club, Temperzone, and Johnson Bros Mitre 10** as official supporters. These organisations have supported us for several years and helped increase Pool to Peak's profitability.

We thank **Immij – Unifying the Power of Print and Digital**, for donating the printing of our flyers and entry forms – we very much appreciate your generosity! **DMC Fins** also contributed quite a few of the quality fin sets as prizes, which are very popular.

"Finally, as Chairman, I must highlight that the organising committee does a great job. The committee members who make it happen each year are: Life Member Gary Cook, Life Member Rob Barkley, Chris Garnham, David Garnham, Will Brown and Jan Proudfoot. President Glen Borg attended P2P meetings and was a strong contributor. Everyone knows their responsibilities and just gets it done with no fuss".

Planning is well underway for the 2023 Pool to Peak on Sunday, 8 January 2023.

After the Pool to Peak with Rob Barkley, Tracey McGuire, Elaine Krek, Suzie Rogers and Carolyn Hayes

## FIRST AID OFFICER

**A**s First Aid Officer, I want to thank everyone for embracing the new normal this season. From mask-wearing on patrol to no hot showers and general social distancing – this season has not been without its challenges. Congratulations everyone on surviving another season of COVID.

Newport was finally able to host our annual Pool to Peak Ocean Swims on the 2<sup>nd</sup> of January this year which was welcomed by sunshine and no blue bottles. Thank you to all members who volunteered their time under the first aid tent this season.

Without your help, the many carnivals Newport hosts would not be able to go ahead as smoothly.

With training able to begin in small groups, we could have members gain their First Aid Certificates and Advanced Resuscitation Techniques Certificates – congratulations to those members. It's always nice to see new faces under the First Aid tent, so don't be shy to volunteer.

I hope to see you all back on the beach next season when the warm weather returns but, in the meantime, don't forget your beanie when you're at the beach!

Lily Tancred

The long-awaited Pool 2 Peak made a grand return this season

## REGISTRAR

**I**t is pleasing to report that we have succeeded in our aim of 98% digitisation, essentially eliminating paperwork from joining or re-joining the club. We acknowledge that the reality is that this is not a simple process even for those who are computer savvy, let alone those IT challenged. We thank members for getting on board.

Newport's membership is down, but our membership levels benchmark reasonably with the other clubs in the branch and across the country. We

hope to see a post-pandemic bounce in involvement and membership, especially among youth and new patrolling members.

The outgoing committee will present the new board with some options for fee structures. The aim will be to achieve a simplified membership and training course fee structure whilst maintaining parity with other clubs and equity across member groups – noting that there have been several years since fee increases for most members.

Eric Croke

Eric Croke with Nick Rogers (Youth Development Officer) at the 2022 SLSSNB Awards of Excellence

## CLUB CAPTAIN

Another season has come and gone, and it was a significant improvement over the confusion of the previous season. Unfortunately, last season ended abruptly due to another COVID outbreak which saw most patrols missing their last patrols and the season stopping suddenly. The start of this season was a little tricky with some uncertainty regarding our patrolling obligations. However, this was resolved swiftly, and our season was back on track.

I would like to thank all our returning patrolling members for giving up their valuable time and effort every weekend to keep the members of the public safe whilst at the beach throughout the summer.

Our patrolling members managed a massive 7,704.92 patrolling hours this season. This was an increase of over 200 hours from last season. Our preventative actions were up significantly, with a total of 792 preventative actions. Our preventative actions show that our patrolling members are becoming more proactive and engaging with the public to explain the beach conditions and prevent them from getting into trouble before they need rescuing. From this statistic, we can also see that our rescue statistics are down considerably, with only 14 recorded rescues throughout the season. As Surf Life Savers, we strive to ensure the public's safety, so having only 14 recorded rescues shows that we are doing a fantastic job on patrols.

I would like to extend a warm welcome to all our new members who have joined our club this season and congratulate them on obtaining their SRC, Bronze Medallion or First Aid certificates enabling them to join in on our patrols. I hope that you have enjoyed your season so far and am hoping you are all ready to come back strong next season.

A big congratulations to all our members who have completed higher awards this season, including IRB Crew, IRB Driver, Advanced Resuscitation Certificate, First Aid and Trainers Certificates. By upskilling your awards, you are not only gaining advanced knowledge but helping your patrols and your club in case of an emergency. These valuable skills will make emergency situations easier for yourself and your patrol members.

One group I would like to thank this season is our After-Hours Emergency Call Out Team. For those who have not heard of this team, it is a group of higher qualified patrolling members who have agreed to be called upon after hours to assist the Branch with after-hours rescues. This team have committed to maintaining their higher awards and can assist the Branch After Hours Duty Officer with rescues after patrols have finished and during the off-season. Thank you to this team for being available at all hours and responding when called.

This season, a special mention goes to Chris Roberts, who volunteers in the Sydney Northern Beaches Surfcom radio room. Chris gained

over 290 hours purely in the radio room. This is a massive effort, and I would like to thank Chris for his effort this season. Our radio communications would not be possible without people like Chris.

To all our Patrol Captains and Vice Patrol Captains, you guys have done an extraordinary job again this season in leading your teams. The above statistics would not be possible without your skills and leadership on patrol. It is great to see all our patrols working together so well on the beach during an incident or rescue and our general patrolling.

Thank you to Crystal Pools for sponsoring our patrol trailer last season; it has made an enormous difference to our patrol set-up and pack-down. Being able to drive all our gear down onto the beach in one trip and have it all stored together is a game-changer. We look forward to continuing to work with Crystal Pools in the future.

To Pete Probert, Lily Tancred and Matt Edwards, thank you for your help with the patrol gear, first aid equipment and IRB gear throughout the season. Our

gear and equipment would not be in the condition it is without your help and dedication. Thanks for doing another fantastic job this season.

Another thank you goes to all our trainers and assessors for their help throughout the season. They ensured we got through over 400 Bronze Medallion and SRC proficiencies as well as all the higher award proficiencies on top of that, plus the running of Bronze, SRC, ART and IRB courses in your spare time! Proficiencies are a long and tedious job at the start of every season, but you all get in there and help get it done, so thank you for everything you do.

Lastly, thank you to Lauren Budd as my Vice Club Captain this season and for helping pick up the slack with everything from proficiencies, patrol hour entries and patrol uniforms.

I hope everyone enjoys their off-season, and I look forward to seeing everyone back in September for the start of the new season!

Jess Menzies

## PATROL CAPTAINS' REPORTS

### PATROL 1

Yet another successful year at Newport Beach, for the 21-22 season. We had the usual mix of conditions for our patrol and we remained on top of it all! Big shout out to the entire patrol for putting in the hard yards! And as always, I could not have done it without you all. And shout out to our new Bronze Medallion holders: Ryf Quail, Matthew Smith and Charles Callan. With this season just gone I hope Ryf, Charles and Matthew had a great time and have taken in how it all works. I hope to see you three expand your horizons in the near future.

Also, I would like to thank Andrew Stevens (Junior) and Peter Finch (Finchy) for being vice-captains and again leading me in the right direction when needed! Also special thanks to Liam Taurins and John Greenhill for subbing for me and Brendan Doyle (Sponge) whilst we were up at the Gold Coast, it was very much appreciated! Finally, I just want to say, awesome job Patrol 1 and I hope to see you next season.

Thanks.

Nathan Doyle (Ranga)

## PATROL 2 The Love Patrol

The 21/22 season was another brilliant one and incident free for the wonderful "Love Patrol". While we had our share of unpleasant weather, overall, we were blessed with nice conditions.

We had some new members join the patrol. It is awesome to see these guys be so enthusiastic and willing to help. They were all more than happy to learn about why our patrol got its name and the methods behind it, mainly what's known as "the Good Shepherd."

The highlight of the season was hanging out and caring for a turtle that a member of the public

found and was asking for our assistance. A few long phone calls were made to WIRES and one of their volunteers came down to collect and relocate the turtle. The patrol named him Gerald and was chuffed with making a new friend.

To everyone, I want to say a big thank you for your contributions during the season! You are all fantastically wonderful humans. To see everyone so keen on spreading the love with people visiting the beach is awesome to see.

**Ben Matthews**

## PATROL 4 The Bernies

The Bernie's welcomed Annette and Nick Willcocks this year (pictured on the next page celebrating the achievement of their Bronze Medallions with a nod to Baywatch!)

Congratulations to Dermot and Shannan, who welcomed Arabella (also pictured).

Thanks to Allen Janssens and granddaughter Rosie for helping to steer the patrol and the IRB Bernie (Rosie pictured).

Congratulations to Bernie alumni Jon Wall (pictured), who has completed the triple crown of Australian endurance swimming, including Palm Beach to Manly, Rottneest and the Derwent River.

RIP to our legend Brie, pictured with Tracey.

Patrol members have asked for some off-season training sessions, so see you all on the beach.

**Eric Crooke**

STOP PRESS: Jon Wall swam the English Channel (~34 km) on 18 July in 13 hours and 14 min. Congrats!

## PATROL 5

After the previous season was cut short, it was great to get back on the beach and back together with the great team that Patrol 5 is. As always, the start of the season came with some movement in patrol members. We welcomed some new members who fitted in with ease and, along with our long-time members, were always willing to help in any manner.

Patrol 5 is a great mix of members, young and not so young, competitors and not so competitive, that complement each other remarkably well and work together to look after beachgoers. This is highlighted in rescues when our outstanding swimmers and board paddlers show time and again their ability to reach a patient in a hurry and then bring them back to our equally outstanding first aid and ART

operators. We are very fortunate to have such an all-round team.

Notable patrols this year included the Bluebottle patrol, where even one of our own managed to get severely stung doing her proficiency and a couple of severe weather "beach closed" days that entailed trying to keep dry and warm.

Congratulations to all the Patrol 5 members that represented Newport at all levels of competition.

Thanks to all patrol members for your ongoing dedication to keeping your skills current and ready to be called upon. Also, for the time spent catching up on the beach while looking out for the beachgoers. Special thanks to our own Emily Doyle for putting her hand up to be the Patrol Captain for the whole of the voluntary Christmas Day patrol.

**Guyren Smith**

## PATROL 6

Lina Nina made herself well known to Patrol 6 this season where many a patrol was spent huddled under the tent, thwarting social distancing rules as hypothermia seemed by far the greater risk. But every cloud has its silver lining, and those who braved the conditions were truly enlightened by the teachings of Guru Crutchie. The Guru's philosophy and ancient wisdom extended from geopolitical unrest, global warming, politics, cryptocurrency and reconciliation with first nation peoples to the shifting tides of Newport Beach. No topic was off-limits as each soothing word nourished our souls and left us all feeling... harmonious.

Horrible conditions and enlightenment aside, it was a busy year in terms of rescues. One in particular stands out. A lot of people around the club will already know the story. It was a Nippers' Sunday morning patrol with a rescue that had involvement from more than just Patrol 6, and it was an amazing

example of the dedication, training and teamwork that is a hallmark of Newport SLSC. Rather than repeat the story, I've included an extract from a text message from the boy's father in the days afterwards.

*"Hi Scott – thanks so much for your note and for all that you and your incredible team did yesterday.*

*Ethan is in Northern Beaches hospital and doing well. They did some brain scans yesterday and they were all OK. Doing some heart tests today. Trying to diagnose why he passed out in the first place, he has no pre-conditions of any sort.*

*Please pass on our deep gratitude to the Newport SLSC team. And thanks for checking in. Feels like a BBQ and beers on us when Ethan is up and about again.*

*Love and gratitude, Craig, Linda and Ethan"*

Thanks everyone for all your support, special thanks to Hayden who's been a great VC.

**Scott Bridges**

## PATROL 7 The Premier Patrol

The 'Premier Patrol' was a name given to Patrol 7 during Alan Channels' reign as Patrol Captain. Although we don't refer to it much these days, some 10 years later, the name lives on, and we try to run a tight ship and continue to do our bit to keep the standard high. As with all the patrols, it's the people that make it unique, and Newport has no shortage of great club members who contribute so much.

This season, we had a mixture of weather and ocean conditions, thanks to 'La Nina' and her ability to bring on the rain. Despite a few wet days, I was impressed with the youngsters on our patrol who continued to show up, go swimming, and improve their board paddling skills. Our young members would practice their radio procedure whilst on foot patrol and always offered to help with the setup and pack up. They were also keen to build on their first aid knowledge with help from more experienced

patrol members checking the O2 and defib on each shift.

Sadly, this season will be remembered as the year we lost Ted. It's still hard to comprehend he won't be there when we turn up for patrol. Ted Bruce played a big part in our patrol for many years. He was always welcoming of new members and was able to engage young and old (and those in between). Ted had interesting stories, often humorous, about events on and off the beach. He was a great listener and made time for everyone, and was always happy to have a chat whilst driving the ATV. Ted connected with the ocean and boats and was often driving the IRB during our patrols, keeping an eye out and returning swimmers to shore when in need of assistance. The wit and wisdom of Ted were part of the 'Premier Patrol' family, and we will all miss him. Vale Ted.

James Oxenham

## PATROL 8

450 patrol hours completed during the season; four "beach closed" days; 20 September 2021, an alleged drug heist to a waiting trawler beyond the break; 2 April 2022, the biggest swell I have seen in 20 years culminating in a day of filling sandbags to protect the club from an east coast low on a high tide; flooding from the Hawkesbury River delivering a plethora of items that would not usually visit the beach and multiple big swell days. Who said patrolling is not interesting?

We would like to thank a couple of retiring Patrol 8 members for their dedicated service who have unfortunately decided to hang up their quartered caps. Mal French has been a cornerstone of Patrol 8 for as long as I can remember, IRB Driver, club main-

tenance, and continually raising the Australian flag. Howard Moxham also leaves the patrol; the beach will not be as clean without Howard in his distinguished pith hat scouring the length and breadth of the beach for any remnant of rubbish.

We would also like to thank Glen Borg for his tireless commitment to the club during his tenure as President and valued member of Patrol 8. Also, to the active members who contributed throughout the year, whether it was a few hours, a day, or every patrol rostered, your contribution is appreciated and beneficial to the wider community.

We look forward to reassembling in September for a new season.

Tony Hayes

## PATROL 9

It was a fun season this year, kicked started by proficiencies. For some, the winter provided a chance to keep up the fitness with some open water swimming, and as the water temperature started to climb, we saw more patrolling members and beach goers venture into the water. You could never stop Zach Paul and Max Barbour from getting out on their boards as they fine-tuned their SRC Skills and trained for their Bronze.

The season was a real mix – from miserable days with the beach closed to glorious sunshine and paradise conditions. The action on the sand and in the water reflected the mixed conditions. After having a couple of seasons with no significant incidents or many rescues to perform, it's fair to say that the events of this season tested our abilities, and we're proud to report that we weren't found lacking.

From the usual first aid treatments to a shoulder dislocation, board and tube rescues, and deploying the IRB whenever we had the chance, we had multiple rescues and treatments performed successfully. Our Patrol 9 members also assisted with other rescues while on the beach and is a strong reminder of what a great community we have at the

club. Liam Taurins was involved in an IRB rescue, and some excellent skills and confidence were shown launching and driving the IRB in huge seas to bring in an unconscious patient from the Newport reef, saving a kid's life! Jeremy Paul also rescued a giant sea turtle from the shark nets while on Patrol as a substitute.

Well done to Liam Taurins in attaining the SNB Jet Ski Operator award. The award involves a commitment to a minimum of 10 weeks of training in various conditions. Liam has joined the Support Ski (2) roster this season and has actively supported the Powercraft teams at several carnivals on the ski.

Well done, Harriet Shaw, on your IRB Crew award, and Zach Paul completing your Bronze Medallion.

We have many Patrol 9 team members associated with developing the skills of others in the club. Jeremy has been actively involved in Bronze Medallion and IRB training; Matt Barron also drove week in and out alongside Liam and myself to complete one of the largest IRB Crew courses this season. Thank you.

We must continue to train and practice our skills and ensure our qualifications are up to date. Good luck to Jeremy this winter with the SNB Jet Ski operator award. It is a great way to keep engaged with others in the club. Well done to everyone for putting in extra time outside patrolling hours to achieve/retain the awards such as ART, IRB Driver and Crew and training endorsements, to name a few.

This year, the most memorable Patrol for me was the 19<sup>th</sup> of December (Nippers Twilight). We had a great time setting up for the kids, doing our own Kris Kringle and watching Santa arrive by ATV as the IRB was off the water due to the massive storm that rolled through and flattened Narrabeen that day.

As seen in previous years, patrol numbers fluctuated across the season as family, sporting commitments and life events naturally took us away from the beach. We are grateful for the time that every member of Patrol 9 gives up across the season,

and our breadth and depth in awards and capability make Patrol 9 a pleasure to be a part of.

Patrol 9 had a considerable contingent representing the club at the Aussies. Harrison Taurins, Sascha Taurins, Brett Budd, Zach Paul and Max Barbour all had some outstanding results, and we are proud of their achievements.

I must thank Jeremy Paul for his contribution to patrolling this year. I think we make a good Patrol Capt Duo, and a big shout out to the Patrol 9 team, who make the hours fly by with the fun we have on the beach, chats, coffee runs, and swims to Kylie.

Thank you for volunteering your time this year. I am proud of our team, their abilities, and their efforts to help keep the beach safe for visitors and the local community. See you on the beach next season!

**Matt Edwards**

## PATROL 10 Gourmet Patrol

The season commenced under the restrictions of COVID and finished in a ray of sunshine with the freedom to enjoy the beach once again. The patrol had a fantastic season with great summer days and picture-perfect surf conditions. I thank all our food-loving lifesavers for contributing to keeping the swimming public safe.

We thank Chloe Van Dam (Vice-Captain) for her commitment to the patrol whilst working in Griffith as a paramedic. We also thank Anna Gonzalo and Lucinda Bentley for completing our patrol statistics. Thanks to Jordan Heckendorf, Olivia Gligorevic, Daniel Ridley and Michael Woodrow for their support. A special mention to Bill Inglis for standing on the beach with me for over two decades - a stalwart for protecting the beach-loving public of Newport.

Our patrol was rejuvenated this year with the influx of well-mannered and competent SRC

members, namely Saoirse Ford, Felisa Gonzalo, Alesha Lucey, Noah Maggs, Lillie McPherson and Harrison Woodrow.

We congratulate all our valued members that completed surf lifesaving awards during the year, and we trust you will continue to expand your knowledge again next season.

We congratulate the competitors of our team on their achievements during the competition season. We are proud of their outstanding results. Well done to Max Brooks, Charlie Brooks, Chloe Van Dam, Lucinda Bentley and Analise Kibble. We applaud their dedication and commitment and are in awe of their extraordinary fitness.

Thanks for the season  
Yours in Sun, Surf and Sand

Rob Barkley

## PATROL 11

Another season was done and dusted for Patrol 11. It was yet another great season, and I look forward to seeing everyone down on the beach again when we come back next year. Overall, our little Patrol just kept on chugging along. Thankfully, we retained our awards and had no major incidents across the season. We had a good run of weather and consistent attendance by all our

Patrol. The great bunch of people we have on 11 make Keelan Smith's, Phoebe Savage's and my role as Captains a dream. I'd like to thank everyone for the hard work we all put in across the season and for making it such a pleasure to come down and spend a couple of hours on the beach with you all.

Liam Taurins

## PATROL 12

Thanks to my Patrol for coming back for another season. I think we are now known as the poor weather patrol given the forecast we have received for two years in a row!

Despite the wind, rain, and tsunamis, the gang keeps coming back so I thank you for that. We have a great group of people who get in and get the job done and it makes my life as Patrol Captain a breeze.

We were lucky that we had no serious rescues or first aid situations on our patrol this season and that goes to show that our preventions and pre-planning are making a difference, so keep up the good work.

Congratulations to Tiff Mabbott who gained her ARTC award at the beginning of the season. You are helping to make our team stronger.

Thanks to Jean Turner-Chapman who is always on hand with her trusty crosswords for the bad weather. You are so patient with the rest of us who are really terrible at guessing the answers.

And as always thanks to Pete Probert for stepping in, in my absence.

Jess Menzies

## PATROL 14

What a year for Patrol 14! We maintained our reputation as the best patrol on the beach - for another year running - this season with the validation of an assessment to support this bold statement.

Our skills were tested this year with dangerous surf, tsunami warnings, and pollution, meaning opening was challenging. We have some amazing new members, including our incredible SRCs, Harrison White, Gino Yan, and Christian Griffiths.

I am proud to say that even during the trying conditions of the season, our team was a united front, and we were able to come together to keep the public safe.

Thank you to every member of Patrol 14 for your stellar efforts. Rest up over winter, and I look forward to the next season with you all.

Alana Smithies

## POWERCRAFT CAPTAIN

**W**ith the changes to gear inspection this year, I took the time with a few other IRB fanatics to review all the gear to make sure it was all fit for purpose.

We managed to secure another new engine this season and retired an old motor that was damaged beyond repair as it is vital to have reliable and serviceable equipment ready to go.

As we see the phase-out of Yamaha 2 Stroke engines in Australia, we have taken delivery of the last Yamaha ever to be used by Newport. Some essential repairs were done to the ATV and the IRB trailer with new wheels and hubs, which are all victim to the harsh saltwater conditions they are exposed to.

This season also saw us replace and replenish IRB gear through grants, and we took the opportunity to get a floor repaired with a new padded mat fitted.

This season we have trained up several new IRB Crewpersons, one of the largest ever with 21 new crews. Some trainees had finished their IRB crew training before completing their Bronze assessment. Well done to everyone who has completed a new IRB award this season or came back and completed their IRB proficiencies.

Training all these new IRB awards isn't an easy job and couldn't be done with our IRB trainers and

Melisse Cooper, Guyren Smith, Matt Edwards, Geordie Smith

assessors. Guyren Smith, Keelan and Stuart Smith, Liam Taurins, Matt Barron, Barry, Siobhan and Melisse Cooper, along with the assistance of several of our race team helping, we managed to put several "Crewies" through the award. A big thanks to our Powercraft Award assessors, Guyren Smith, Kieran Menzies and Peter Finch for supporting the Powercraft training programme at our club and across SNB Branch.

A massive thanks to all the drivers and crew who volunteered their time with Water Safety. We assisted Bilgola and Whale Beach with their Ocean Swims and, of course, the Newport Swim, returning this year after a year absent due to COVID. To have 5 x IRBs and 2 x Jet Skis on the water, along with help from Bilgola and Avalon, our swimmers felt safe as they trekked from the Pool to the Peak. There was plenty of water safety done at the first Newport Carnival, Nippers, Open Branch and State Carnivals, etc.

Newport had to supply Powercraft, drivers and crew to complete 40+ hours of water safety time at the NSW State Carnival at Queensie this year. Unfortunately, the carnival was cancelled due to health concerns and extreme weather and floods.

I'm proud to have such an experienced and capable Powercraft team at the club who are all willing to support the club in its obligations for water safety at such events.

This season, we prepared and mobilised for extreme weather events and the NSW Floods. We are blessed at the club to have adequate resources to respond to these events if needed and several skilled Powercraft operators. Newport SLSC took 3 boats and team members down to Nowra to assist the SES in incident response and logistical support for evacuations.

Several Newport operators again piloted the SNB Support Ski this year, and I thank them for the time they volunteered to stay proficient and for the shifts they perform on the SNB Support Ski roster. Peter Probert, Nathan Doyle, Tom Doyle, Guyren Smith, Keelan Smith, Liam Taurins and myself. Peter Finch for the Jet Ski training, Kieran Menzies and Adrian Hill for their support of the IRB programmes.

This season the IRB Race team put in many hours of training and honing their skills in the boats. With many new team members, we have become one of the biggest teams in the 2022 Sharkskin Premiership

series. We continue to drive improvements with our race craft, executing all disciplines consistently, and the results are showing! We had a few team members selected in the NSW IRB development team and a number medal in the 2021 race series. (cut short last year, unfortunately)

Finally, a shout out to our sponsors for their ongoing support of the Powercraft at Newport.

It has been a while since we ran an IRB drivers course, and this will be put together and kicked off in August this year. If you have an IRB Crew certificate and want to be "on the tiller" at your next patrol, reach out, and we can accommodate you on the course.

**Matt Edwards**

Back row L to R: Keelan Smith, Barry Cooper, Jess Menzies, Guyren Smith, Jeremy Paul, Oscar Smith, Sabrina Warwar, Chloe Van Dam, Nick Singh, Bethany Pate, Lauren Budd

Front row L to R: Brendan Capell, Melisse Cooper, Matthew Edwards, Geordie Smith, Siobhan Cooper, Naomi Bronier, Harry Capell, Liam Taurins, Thomas Doyle, Zach Van Dam

## CHIEF INSTRUCTOR

This season saw an improvement on the challenges faced last season with training and assessment. Thanks to our education team's dedication, we delivered our usual courses throughout the season and now have more experienced lifesavers protecting our beaches.

A challenging task each season is ensuring that our existing 350 patrolling members complete their skills maintenance for the season. Once again, this year, our trainers and assessors stepped up, facilitated the process, and got our members proficient. Proficiencies are not an easy task, and I thank our training team for getting through with a relatively smooth process.

Our Surf Rescue Certificate course this year was a hit with the Age Managers, Trainers and candidates. It was easy to see that everyone enjoyed themselves on the beach, learning valuable lifesaving skills. Thanks to the wonderful Age Managers Scott Newey, Esa Fleming, Todd Woods, John Crawford and Matt Thomas for their years raising the young lifesavers with skill development to make the transition to lifesaving smooth. We now have a new generation of young lifesavers serving our community.

Unfortunately, we could not run our Intensive Bronze course this year due to COVID restrictions; we are looking to return strong next season. Our October Bronze course had some enthusiastic candidates we can now proudly call new lifesavers! While we had great surf during training, the assessment dates were postponed and cancelled due to dangerous surf conditions. Thankfully, we were able to all pass through in subsequent assessments. Our February course had some challenging surf to contend with. Our candidates made a significant effort to make up for lost time and successfully completed the Bronze Medallion.

Thanks to our Bronze and SRC trainers this year, Jess Menzies, Lauren Budd, Jeremy Paul, Brendan Capell, and Elaine Krek, for putting in another considerable effort this season.

We had another great season this year for our members doing higher awards. Advanced Resuscitation Techniques is an extremely valuable award for our members due to its lifesaving potential. We had 10 members complete the award this year, which will help keep our beaches safer. I encourage anyone looking to improve their skills to look into completing ART when they can. Thanks to our ART trainers, Jess Menzies and Guyren Smith, for their time in getting our members qualified.

IRB crew had a strong turnout this year; the IRB training team was able to make sure that everyone was able to get enough time in the boat. Thanks to Matt Edwards, Guyren Smith, Liam Taurins, Stuart Smith, and all the IRB drivers who make it to the sessions to assist with getting our new crew through to assessment.

Additionally, thanks to our members who gave up their time and took the opportunity to complete the First Aid course. This award is essential for the club as it brings confidence to our members when dealing with first aid incidents on patrol. With the variety of interesting ways people find to injure themselves on the beach, it is good to have a strong team of members who can help.

Well done to Liam Taurins and Brendan Capell for completing their Training Officers Certificate this season, increasing our qualified trainers within the club. Please consider coming and assisting our training in future courses. We are always looking for keen and enthusiastic members to pass on their knowledge and skills to future members.

- Bronze - 32
- SRC - 29
- ART - 10
- IRB Crew - 14
- First Aid - 35

Thanks for the great season. I look forward to seeing you all on the beach in September for another one.

**Brendan Menzies**

SRCs being tested on their signals knowledge

## EDUCATION AWARDS

### SURF RESCUE CERTIFICATE (SRC)

Cara Crawford	Isabel He	Lillie McPherson
Chloe Deleu	Nial Jaffrey	Niamh Murphy
Harry Fleming-Newey	Darcy Kirkland	Summer Rowland-Smith
Angus Fraser	Olivia Lisle	Cleo Russel
Felisa Gonzalo	Alesha Lucey	Yuri Shin
Christian Griffiths	Abbie Lye	Seren Thomas

### BRONZE MEDALLION

Sequoia Avtarovski	Marcus Fasseau	Harry Lundgren	Matthew Smith
Alani Barros	Grace Galbraith	Natasha McEnally	James Wallich
Logan Bartlem	Ella Gale	Alexandra Murray	Henry Walsh
Aron Brennan	Hannah Grice	Zach Paul	Jack Wenborne
Harry Capell	David Hatton	Lily Playle	Annette Willcocks
Charles Callanan	Nikola Henley	Ryf Quail	
Joe Cook	Joshua Kerr	Dean Rogers	
Zoe Ellis	Lucas Kowalski	Leo Stevens

Madison Lisle	Scarlett Rowland-Smith
Kim McPherson	Harriet Shaw
Madeline Nielson	Arabella Smith
Alexander Pate	Madeline Walker
Bethany Pate	Ella-Louise Wallich

## JUNIOR ACTIVITIES COMMITTEE CHAIRMAN

The season of 2021–2022 was nothing short of eventful and a roller coaster of emotions. We were all used to COVID, but we didn't expect to be in lockdown for three months as we started preparing for the winter season. Working from home and home based learning was no picnic. This meant we were all well and truly ready to be let out when the time came. Unfortunately, this meant that our winter Board Camp and Youth Basin Camp could not be held. Our competition kids were terrific through the winter, pairing up with a buddy, swimming in the cold rock pools in the depths of winter, and paddling in pairs to ensure we all adhered to our COVID safety plan.

As we were able to kick off the season, we were well-rehearsed on running Nippers COVID style with running two lots of Nippers to ensure that crowding was not an issue. Our season was pushed back due to the lockdown but kicked off the season on 31 October. With the lockdown of winter, we saw new challenges at Nippers. Kids had lost a lot of fitness and swimming skills over the lockdown. Our proficiency swims were pushed back till the 11<sup>th</sup> hour as we did not know when the season was going to commence. All our proficiencies were held in the Newport rock pool; this in itself is a challenge as the water in October is so cold.

Our SRC kids were also left off patrols at the start of the season due to covid. Thankfully Nick Rogers and his team of helpers, David Lye, Brendan Capell, Guyren Smith and Rod Stevens, all took out small groups on a Sunday morning for a swim or paddle. This was instrumental in getting kids out of the lockdown and engaging in community life, which they missed so much.

Our Age Managers have been the glue keeping these kids engaged over the season. Although our numbers have been smaller than usual this season, this was also reflected across the Branch. It meant more time could be spent

individually on each child to build confidence. As we have all gotten very good at flexibility and moving the goal posts, the Age Managers never questioned the additional requests for vaccinations and QR coding that we have all come to accept. I am grateful to this group of enthusiastic and patient parents and carers.

The attendance rate of our Nippers was positive; we handed out 46 gold attendance medals. Although this was slightly less than last season, it was a higher percentage attendance rate than last season. Registration numbers were less than in previous seasons, which was reflected across all the clubs on the peninsula. With the introduction of a new Nipper programme, we saw our Nippers learning signals and CPR earlier than by tradition. Our under 13s will be well and truly ready for SRC next year.

Rebecca Capell and Rebecca Jacobsen

Take 3 for the Sea

We had two magnificent Captains, Harrison White and Alesha Lucey, that did a fantastic job with their leadership roles this season. Both were very mature candidates for this position. Both represented Newport at the Junior Lifesaver of the Year (JLOTY) programme, and Harrison was successful! Both Captains assisted at Branch with handing out medals and helped at our Nipper presentation afternoon. Harrison also accepted our Nipper Chairman Award for the 2021 – 2022 season. We will undoubtedly see both these young members in our club for many seasons. I would also like to mention our young BBQ Manager Jake Clarke (Age 15) – this young man has taken on the BBQ role and has shown his reliability in this role all season. Well done, Jake!

Our competition kids trained hard under the watchful eye of our Head Coach - Aaron Morris, with carnivals still in block racing format. But at least they got to race! Unfortunately, State was a different story with wet, stormy conditions the week of State and an outbreak of gastro and poor water quality that saw only half of State completed for the first time at Queenscliff.

The weather gods have not been kind to us this season. Not only did we have this first storm front, we also had a tsunami warning weeks earlier, followed by two weeks of rain. The most rain Sydney

has seen on record. This meant many weeks of dirty water, and Nippers could not get wet. Due to this, we could only hold one round of club championships. Given all the storm cells, we had plenty to clean up. So, on a brighter note, we continued to support our Take 3 for the Sea programme with Lizzie Welborn and Samuel Capell. This was held on the 20 March.

As in past seasons, we had the help of Tristan Conn, who held a running training session most Sunday mornings. We also saw the need for some beginner board sessions. Thank you to the Academy for assisting with this need. We were fortunate to have Tayla Tullett running flat-water sessions on a Monday afternoon and Samuel Capell running a beach session on Sunday mornings before Nippers. Thank you to the 'board lads' (Zachary Paul, Max Barbour, Dean Rogers, Leo Stevens and Logan Crookshanks) for providing one on one water safety for these keen little Nippers.

Saying all this, we still have happy Nippers and a Nipper Committee that have gone beyond their call of duty to keep Nippers running in a season that will not be forgotten. I would like to say thank you Rebecca Jacobsen (Vice), Toni Garske and Gemma Eastwood (Sponsorship), Alan Carroll (Secretary), Rod Stevens – Esa Fleming and Scott Newey (Water Safety Officers), Hilary Maggs

(Competition Manager), Calvin Stollznow (Age Manager Coordinator), Carla Pettitt (Shop Manager), Gavin Clarke and son Jake Clarke (BBQ Manager), Brendan Capell (Gear Steward and long-suffering husband), Ian Crutch (Dolphins & Marlins Manager) and Nick Rogers (Youth Development Officer).

I would like to take this opportunity to thank all these members and say goodbye to Carla Pettitt, who is stepping back. We welcome Nicole Fasseau into this role for next season. We also say goodbye to Toni Garske and Hilary Maggs after many years of assistance. A special thank you to Rebecca Jacobsen, who is also stepping down and has been my wing woman for three seasons. Rebecca has been a great sounding board and helped our Nippers reach some individual goals.

Finally, thank you to Eric Croke, Bev Barnes and Jan Proudfoot for answering my many emails and queries. Thank you to Glen Borg and Guyren Smith for being my sounding board. As always, it has been a pleasure working with you all. Finally, thanks to my family for sharing your time with the club and understanding my time sometimes needs to be shared. This role has taught me a lot, and I have enjoyed this position within the club. But as my little Nipper moves into being an SRC next season, it is my time to move on from this role.

I look forward to seeing Ryf Quail lead this team. I have no doubt he will be fantastic for this position.

**Rebecca Capell**

Age Managers at the Golden Circle Promotion

## AGE MANAGERS' REPORTS

### MARLINS & DOLPHINS

The Marlins and Dolphins for 2021-2022 had a great year, with safety, fun and inclusion in surf education being our core goals.

Unfortunately, the weather, poor surf conditions, and a tsunami scare halted some of our sessions. Not to mention COVID!

We welcomed some new starters Monty, Gus, Sam and Axil. Hopefully, they will become skilled Marlins and Dolphins over the following summer session.

The star performers for this season were everyone, so come back next year and thank all the parents and carers for their trust and confidence in us, as we need to challenge the group in beach and surf skills.

Unfortunately, we have to say goodbye to Hugh McAlpine, who is moving to New York to further his career in finance. Hugh McAlpine has

been a massive help in developing our programme, and we will miss his expert skills on the beach and in the water.

Welcome to Tennyson (Tenny) James, who has joined our group as a trainer for next season.

Again thanks to my helpers, Georgia Barkley, Cate Archibald, Jill Matthews, Kardina Perera, Tamsin Holloway, Scott McAlpine, Hugh McAlpine and Finn Ambler. What a fine bunch of people.

The group would also like to thank all the other Nipper Age Managers, Newport SLSC Executive, The Newport Kinghorn Surf Racing Academy and our vigilant water safety crew for their support over the season.

Cheers and I hope to see you on the beach.

Ian Crutch (Crutchy)

### UNDER 6s

This year's U6s were keen and competitive from the start. We had some strong showings in the flag races each week and an eagerness to get into the surf and on the boards. Almost everyone managed to get their Nippers Proficiency, and it was great to see the beginning of some strong swimmers in the group. This season

we learned about surf safety, keeping our beaches and waterways clean, and the importance of always keeping an eye on others in the water. We can't wait to see each of our U6s in next year's U7s.

Charsley Pearce, Maddeline O Donoghue,  
Liz Gough and Pete Finn

## UNDER 7s

A bit of a soggy Nipper season, but fantastic to see our Super 7s turn up each week with smiling faces and plenty of enthusiasm. Water play was once again the highlight for many, and it was great to see so many have a go at different activities, including pool swims and boogie boards in the flags. Back on the sand, the kids continued to work on their flag and beach relay techniques and loved having a go at starting the races. Beach safety and cleanliness were also a top priority this season, with lots of signal practice and participating in "Take 3 for the Sea" events. As always, it's great to see the kids' confidence grow, in and out of the water, during the season.

A huge thank you to my fellow Age Managers, Chris Mcinerney, Anna Holmes and John Crawford, for their help and support throughout the season. Special thank you to our SRC girls who made some beautiful friendships with the kids, and a shout out to all the parents who get in the water every week, support on the beach and help out with the all-important BBQ. The kids love having mum and dad involved, and we couldn't run Nippers without you.

Looking forward to seeing all our Super 7s become our Awesome 8s next season.

**Gemma Eastwood**

## UNDER 8s

Another great year for this group, with over 30 kids receiving medals for meeting attendance and participation requirements. Despite being a pretty average year for weather, surf and pollution, we still managed to have a lot of fun every Sunday, with Nippers having a moment to shine somewhere during the season. Things started to get serious this year with the first year of club champs. Although most Nippers were just happy to be there, we did see some great talent starting to emerge on the sand. Evie Vale was a standout, who was not only Girls Club Champ but was clearly Nipper of the Year. But it was not all hot competition as our Under 8s began learning their signals, marking their position to stay between the flags, and identifying a rip. And when it wasn't theory,

we had some quality fun with 'Pool Noodle Ninja', 'Sand Dune Jumping', and a few bombs in the pool! Probably the most pleasing thing is the kids' desire to be in the water, which always makes things fun with the water safety crew and a strong contingent of parent participation. Congratulations to Oliver Hardy for Most Improved Award and Seb Quail for the Encouragement Award. Finally, a big thank you to my fellow Age Group Managers Abby Smith and Sam Capell, who never ever get tired of bringing smiles to the kids' faces (or my jokes!). One more thing! Thanks again to Sam for getting so many of our Under 8s onto boards for the first time. Our kids are rocking them! Bring on next season!

**Ryf Quail**

## UNDER 9s

It was great to see so many from U8s continuing. We welcomed some new Nippers too for a season of red and yellow at Newport.

The Nippers endured all-weather conditions, floods, hazardous surf and even a tsunami. They had an inspiring attitude and willingness to get on with it. When it was raining, the Nippers would say, "it doesn't matter; we're going to get wet anyway." If we can't go in the surf, that's okay too, and we do beach activities - with the favourite event being flags.

We worked our way through Surf Aware 2 SLSA programme: flags, signs, and signals.

The Under 9s learned fun new skills, including running to the surf, dolphin diving the breakers and swimming through the shore break. Then stiff as a board, body surfing back in.

The boards were challenging, with many of the Nippers attending board training. They learned to "bunny hop", pop, paddle, and Eskimo roll.

We had a season of personal achievements and improved confidence and skills. It really is waterproofing our kids.

Thanks to the parents, who get the kids to the beach and always lend a hand on the sand, in the water and at the barbecue. A good time was had by all.

Keep swimming through the winter, and we can look forward to swimming to the Water Activity Centre (WAC) next season.

**Warren Beveridge & Calvin Stollznov**

## UNDER 10s

Congratulations to all the U10s for a fun and productive season. Given the disruptions and challenging weather conditions at times, the kids have developed their skills and confidence remarkably. The enthusiasm that everyone brought this season was great to see. The group advanced their swimming and paddling capability, had fun doing beach activities and developed surf awareness skills such as reading rips and understanding and responding to signals.

A big thank you to the Age Manager team: Anna Holmes and Ben Euers, and to all the water safety and parents that have helped out through the season.

Finally, a huge thanks to the kids for turning up with a super positive attitude and pushing themselves out of their comfort zone to get better every week.

Look forward to seeing you all next season for more fun and development.

**Paul Jacobsen**

## UNDER 11s

Well. It felt like we opened the book of excuses this year, and we kept turning the pages! From pandemic to a tornado, from tsunami to flood waters (we even threw in a real-life rescue)! It has been anything but uneventful. And yet our awesome little U11s kept turning up and giving it a go with a smile on their face... most of the time anyway. While our Nippers were kept out of the water for so much of the season, they still continued to improve in effort and skill. No small thanks to the best and most committed parent group on the beach...we really do mean that sincerely. None of it is possible without you. We encourage you all to keep swimming in the off-season. That way,

we can hit the beach come October, with some strength and endurance. Thank you to all the parents for letting us spend the time with such a polite, talented, encouraging group of kids. To our bunch of rambunctious, energetic, noisy little peeps, thank you for giving everything a go and making us all so proud (some of the waves caught on our last board session were INCREDIBLE)! We have a big season in store, and we'd love you to join us again. See you in the water or on the beach!

**Gavin Clarke, Brett McPherson & Petrina Nicklin**

## UNDER 12s

This was a real "coming of age" year for the U12s, which saw consistent efforts rewarded in club championships results. It shows that a lot can be achieved over time simply by giving your best year on year and coming to Nippers every week - no matter the conditions. We were very proud of the kids' efforts in challenging conditions on club championships day. It was particularly pleasing to see top places going to kids featured in the most improved and encouragement awards in recent years.

Despite restrictions due to COVID and the weather, we spent a lot of time on boards which will set us up nicely for U13s next year, where we will introduce the big yellow rescue boards and begin patient rescues. We also managed to swim all the

way out to Kylie! It's amazing how motivated the kids can be when given the opportunity to up-end an age manager on a rescue board!

As always, a huge thanks to the age managers - Cookie (Shane Cook), Thomas Polgar, Phil Pettitt and Jayson Polgar. And also to the parents for always helping out on BBQ, recording results, and helping coordinate and motivate the kids.

And lastly, a big thanks to the U12 kids. You've been a joy to manage this year, making our job easy so we can focus on developing and pushing the kids.

Keep up the efforts over winter - the waves are better, and the water is still warm! And see you back on the beach in September.

**Scott Bridges**

## UNDER 13s

The under 13s turned up in a year that basically spat on all humanity. Most sane people rolled over and gave in to despair (and a sleep-in) on the average Sunday morning that was presented to us this year. Not this lot!!! They turned up!

Split age groups due to COVID? "Don't have to worry about treading on those under 6s."

"Tsunami?" Can we take the boards out?

Beach closed again with sideways rain. "Pool noodle Jedi is on, and you're mine! "

In short, they were terrific. It's been a privilege to mentor this crazy bunch of emerging adults.

Thanks always to Uncle Al (Alan Carroll), who does things with computers that I can't even begin to understand and still turns up for the sandy stuff. Goosy Luci (Luci Bentley) and Emma Carroll have been outstanding role models for this wacky bunch. Despite their own commitments and interests, they're always there for them. We've been lucky with our support crew all the way through from under 6s.

Thanks to all the mums and dads who dragged stuff out, put stuff away and helped feed the masses via the BBQ. High fives all around, guys, we're almost there.

Our penultimate season has passed, and our SRC season beckons. Imagine – by this Christmas (only 278 shopping days left), the 5-year-olds who stumbled onto the sand years ago will be patrolling Newport beach! Rocking the red and yellow and giving back to the community. Inspiring one another, ignoring advice about sunscreen, protecting, and educating the public. Evolving. And don't forget the fun and friendships we've had. I'm proud to have been a small part of your journey and thank you all for the opportunity. There's more to come, whichever path you tread.

Thanks to all my fellow Nipper committee members, it wasn't easy, but we got it done peeps. Well done, ya'll.

**Brendan Capell, Alan Carroll,  
Emma Carroll and Luci Bentley**

## UNDER 14s

### Surf Rescue Certificate Year (SRCs)

This year, we had a fantastic group of teenagers to train and assist in passing their SRC course. Some of our SRC participants have been with us since they were under 6. Scotty, John, and I have had the pleasure of watching them get much bigger and turn out to be such beautiful young people. We couldn't be prouder of you as a group. We had quite a contingent of newcomers that joined for the SRC year, and while this had its challenges, our existing group welcomed the newcomers with great warmth, and everyone went out of their way to make our group inclusive and, as always, lots of fun.

We faced many weekends of terrible weather and big surf, but our group faced it each week (sometimes with a bit of fear) and continued to try and practice all their new skills. We were so proud that all our SRC team passed. Thanks to Jess Menzies and Lauren Budd for running the course. Many of the new SRC recruits have already become valued members of their patrol units. I know Patrol 7 certainly loves to have an enthusiastic group of SRC members that contribute to the smooth running of patrol each time.

Each year the new Nipper Captains are announced, and this year the honour was bestowed upon Alesha Lucey and Harrison White, who have

been long-time members of our group. Both Alesha and Harrison conduct themselves each week with a mature mentality that influences other Nippers around them. In January, Alesha and Harrison made our club proud by attending the annual Junior Lifesaver of the Year (JLOTY) awards. They both gave excellent presentations and conducted themselves with a level of maturity beyond their years. Congratulations to Harrison, who won the award this year.

Harrison will now have the opportunity to roll out his educational concept to some local schools. Alesha and Harrison led the SRC team with humility and enthusiastic leadership.

SRC indicates the end of Nippers, but it is just the beginning of an opportunity to make surf lifesaving part of your life by patrolling as an SRC member and then to be able to complete the Bronze Medallion and much more, in time.

After 21 years as Nipper parents and volunteers, Scotty and I will be retiring from Nippers (not patrol) at the end of this season. Growing up myself (Esa) in Newport gave me such a lovely life as a child, and now as an adult, I truly hope all our wonderful cohort of SRCs go on to make beautiful lives while giving back to the community as they are now. John is not yet finished and is already the age manager for

SRCs Signals Test

SRCs in Uniform

another lucky young group, so you will continue to see his smiling face for many more years.

A big thank you must be said to all the parents and loving carers who have transported their kids to the beach for so many years, encouraging them to have a go. Without you, there would be no Nippers.

**John Crawford, Scott Newey and Esa Fleming**

## YOUTH DEVELOPMENT OFFICER

Continuing on in the role this year and working with the JAC Nippers and Club Management Committees, I have worked with diverse aims of engaging and retaining youth involvement in the club and its activities.

Covid 19 restrictions made us all rethink much of the pre-Christmas season. Early planning for the Annual Basin Youth Camp had to be shelved again, as did a plan for a small-sided basketball competition involving other groups in the community. When restrictions allowed, we implemented a system to provide water activities to smaller groups of interested youth, allowing them to connect socially in an organised system employing an online booking system. Swimmers and board paddlers went in small groups and spaced out times to remain safely separated. Many thanks to Bec Capell and Guyren Smith, and others for help in this.

As the restrictions lifted and Nippers resumed, the Water Safety Group grew with the new SRCs joining many from previous years. Together there's a healthy group with new young Age Managers and BBQ helpers.

Again with the help of food, we held debrief sessions, discussions and season celebrations to promote the opportunities for youth at the club. This year we identified several youths to participate in training in First Aid awards and Patrol and Champion Lifesaver Competitions. They had impressive results over the year, with one of them winning gold at the Australian Championships in the u15 Female Champion Lifesaver event.

I look forward to continuing to connect the youth with the growing opportunities within the club and thank the club for the recognition of the role of Youth Development.

**Nick Rogers**

Dean Rogers, Logan Crookshanks and Leo Stevens

## JUNIOR COMPETITION

Once again, the Newport Junior Competition Team endured a disrupted season where global pandemics, weather, pollution and even COVID's poor cousin, the norovirus, conspired to keep our keen athletes out of the water and off the beach for large parts of the season! Despite the challenges, the 2021/2022 competition season was very successful for our small crew of dedicated nippers in the u9 to u14 age groups who represented Newport at competitions throughout the season.

The plan for winter training was very quickly cut short by the NSW COVID Lockdown and restrictions over the June - September 2021 period. This was a difficult time for our young junior group as they not only had to home school for 4 months and remain in lockdown but also were not allowed to train together and were restricted to training individually or in pairs over winter. Swimming pools were also closed, and athletes of all ages were often seen swimming in rock pools to keep up their fitness levels and prepare for the coming season. Special mention to those that continued the 5:30 am start times even in the dead of winter and those parents that braved the elements to join them and show solidarity and resilience.

Starting September 2021, our junior group were allowed to reconvene on Newport Beach, so the season began. Coached again by the indomitable Aaron Morris, the young athletes worked hard to regain their fitness and skills lost over the winter period and lockdowns. The new athletes in the u9s and other new joiners developed their skills in the lead-up to the first carnivals.

The season was regularly plagued by cancellations and further disruptions for weather, border closures, COVID and other factors which forced numerous carnivals to be cancelled or postponed. Newport sent representative athletes to the five local SNB carnivals, and athletes attended several carnivals outside SNB wherever possible. Despite small numbers, our Newport athletes benefitted from the dedicated training programme in all conditions at Newport. They often punched well above the club's weight in numbers, particularly in ironperson and team events.

SNB Junior Branch Carnival was held on 30 January 2022 at North Curl Curl. Our young Newport athletes from U9 to U15 age groups excelled; many made final events and enjoyed themselves on a sweltering, very long day.

Overall the Junior Newport team came 5th in the progressive point score with only 23 competitors. Congratulations to the following Branch Championship medallists on their achievements!

### SNB BRANCH MEDALLISTS

#### U14 MALES

- Noah Maggs - 4 x Gold; 1 x Silver
- Harrison Woodrow - 3 x Gold
- Niall Jaffrey - 2 x Gold

#### U13 FEMALES

- Charli Barbour - 4 x Gold; 3 x Silver
- Alannah Paul - 3 x Gold; 3 x Silver
- Sarah Song - 2 x Gold; 1 x Silver; 1 x Bronze
- Abi Capell - 2 x Gold; 1 x Silver; 1 x Bronze

#### U12 MALES

- Tom Shrivell - 2 x Gold; 1 x Silver; 1 x Bronze
- Jack Woodrow - 1 x Gold; 1 x Bronze

#### U12 FEMALES

- Sadie Maggs - 5 x Gold
- Matilda Young - 2 x Gold; 3 x Bronze
- Giselle White 1 x Silver

#### U10 FEMALES

- Molly Young 1 x Gold; 1 x Silver; 1 x Bronze
- Sarella Symonds 2 x Silver
- Sadie Whitaker 1 x Silver

NSW State Championships in 2022 were held locally on the Sydney Northern Beaches at Queenscliff/North Steyne/Manly beaches for the first time in many years. There was great excitement for the SNB clubs to host a State Championship after many years in the Central Coast and Hunter regions. Special State packs were handed out at our Newport State Presentation held at the club by James Brooks and some of our Nutrigrain athletes, who also shared their experiences and provided motivational advice to the Nipper group. The Newport State Competition Team decided to make a statement this season with bright yellow "Be Kind" shirts from an Australian company, Selfawear. They were promoting a positive message to themselves and the people around them, and they really stood out in their bright yellow shirts and maroon pineapple bucket hats.

Unfortunately, the excitement of a local State Championships on the Northern Beaches was dampened by predictions of rain, wind and difficult surf conditions. The younger age groups (u9 – u12) competed on the Thursday/Friday, and the older age groups (u13 – u15) were due to compete on the Saturday/Sunday in a block racing style format. The weather and surf arrived on Day 1 as predicted, and the usual chaos of the State Championships was

State Nipper Team

Skye Rylands, Matilda Young, Sadie Maggs and Jacana Symonds

Gold for our Under 15s Champion Lifesaver, Bella Cox

exacerbated by the frantic moving of tents and water areas. The surf conditions were challenging, and the water quality was poor, but that did not stop the spirited u9, u10 and u12s Newport crew from showing strong and excellent results on Day 1 and Day 2. Congratulations to the following NSW State medallists:

#### U12 FEMALES

- Sadie Maggs - 2 Gold; 1 x Silver; 1 x Bronze
- Matilda Young - 2 x Silver

#### U12 MALES

- Tom Shrivell - 2 x Silver
- Jack Woodrow - 1 x Silver

#### U10 FEMALES

- Molly Young - 1 x Silver

The Saturday competition for the older age groups arrived in moderately better weather, and surf conditions and expectations were high once the competition kicked off after the mandatory shuffling of tents and changing water areas in the damp conditions. Shortly after the competition began, the carnival organisers called a halt. They subsequently called off all competition due to a combination of poor water quality and a norovirus outbreak amongst some teams from days 1 and 2. No postponement or rescheduling was made due to further anticipated lousy weather, and the disappointment was palpable as the u13 – 15s were called off after barely a few heats had been run. Then, the Opens State Championships were also cancelled, and there was no opportunity to reschedule.

Overall, Newport came 10<sup>th</sup> at the 2022 NSW State Championships, albeit a severely curtailed event, but can be proud in that it beat out some much stronger junior clubs in the State, some with over 100 competitors. While that marked the end of the season for the u9 – u12 age groups, the u13 – 15s still had the Youth Aussies to look forward to in April.

#### RESULTS FROM THE 2022 YOUTH AUSSIES

##### GOLD

- U15 Champion Lifesaver, Bella Cox

##### SILVER

- U14 Ironman, Noah Maggs
- 2KM Ocean Swim, Noah Maggs

##### BRONZE

- U14 Board Rescue, Noah Maggs/ Harrison Woodrow
- U15 Champion Lifesaver, Zach Paul

##### TOP 6 FINISHERS

- 4th: U13 Board Race, Charli Barbour
- 5th: U13 Swim Race, Alannah Paul
- 6th: U13 2KM Ocean Swim, Charli Barbour

As always, we would like to thank our families, volunteers, officials, coaches, managers and all involved in a disruptive but successful season. We would also like to acknowledge the support and generosity from the Newport Surf Lifesaving Club, the Junior Activities Committee and the Newport Kinghorn Surf Racing Academy throughout the season.

Hilary Maggs

Noah Maggs, Zach Paul, Max Barbour, Harrison Woodrow and Niall Jaffrey | 3 April 2022

## SENIOR COMPETITION

### OPEN WATER & LIFESAVING

Well, who would have thought that after the 2020-21 season, which was an up and down with COVID-19 shutdowns, border closures and life being put on hold, it would have continued and created a new norm for sport and life in general. This was especially true for those in NSW as our fellow competitors in QLD could continue with their training regime whilst we had to get creative. We formed small groups of double-vaxed competitors and trained in rock pools in the middle of winter. It showed how mentally tough the Newport surf sports teams are as they shined when it came to the major competitions, and we finished 2<sup>nd</sup> in the point score at the Australian Championships for the second year in a row but more on these later in the report.

The season started with not being able to compete at the Coolangatta Gold. So SLSNSW put on the Bate Bay Gold for those NSW Competitors wanting to do a long-distance race. Jackson Borg won the Male Elite category, and Lizzie Welborn won the Female Elite category. Our Branch started with

Fast Five events in early November, and the series took place over four rounds. Matt Bell won the point score for the series.

The Nutri-Grain trials were our next event, held at Tugan the week before Christmas when the border restrictions between NSW and Qld were eased. We had an incredible weekend of racing with four automatic qualifiers into the series in Lizzie, Jackson, Zach Morris and Gemma Smith. Through the trials we had Maddie Spencer qualify to give Newport a total of five. Also representing the club at the trials were Jake & Mitch Morris, Thomas Doyle, Lachie Warrener, Conner Maggs, Bailey Clues, Katelynn & Kim & Emily Doyle, Analise Kibble and Piper Harrison. Well done to everyone with all of our competitors finishing in the top half of the point score and showing how strong the programme is at Newport.

The Nutri-Grain Iron Series was to be completed over two weekends with three rounds each weekend, with Channel 9 showing live coverage of each. On Friday, 7 January, the athletes turned up at North Bondi for rounds 1, 2, and 3 over the weekend. They raced in small surf on Friday and

A silver medal at Aussies for our Open Patrol Competition Team - Bec Capell, Sam Capell, Phoebe Savage, Guyren Smith, Kai Raffles, Travis Cox

Photo credit: Chris Borg

Saturday. COVID had also had an effect with some athletes withdrawing when we had a tsunami warning out of nowhere. Round three was cancelled and added to the Kurrawa event, and if it wasn't COVID or a tsunami warning, it was massive surf and something we haven't raced in for a while. At the end of the series, we had two competitors, Zach 7th and Jackson 8th, requalify and Lizzie, Jemma and Maddie, missing out on the requalification. Still, all raced well, with Lizzie getting a fourth in round one and Jemma a second in round six.

December and January are traditionally our representative season months with Inter-Branch and Interstate. However, this season, both events were cancelled, leaving our competitors to put all their training efforts into Branch, State and Aussies.

February brings on our SNB Branch Championships. The Open water competition was held at North Curl Curl, with Newport dominating the water and beach events again, so we came out on top in the point score.

Then the State Champs were cancelled as the NSW coast was smashed by rain and big surf for weeks, and we ended up with no beach and no competition.

So off to Aussies on the Gold Coast after it was moved from Perth due to border closures, and at one point, it was looking like we were not going to race. Still, we did, and yes, as I mentioned at the start, we finished second overall on the point score, and Mitch Morris again was crowned the male competitor of the carnival with 54 points. This was

for the second year in a row, and I don't believe any other male has done this before.

So, with the NSW Championships cancelled and our COVID restrictions disrupting our training schedule, some athletes might have questioned why they go to all this effort. However, the group fed off each other in training and somehow, they delivered an outstanding Aussies. I have taken some of what Nick Carroll wrote in the June edition of the Pittwater Life as he summed our Aussies up perfectly.

*"... epic team performances. Original Academy duo Max Brooks and Jayke Rees won the double ski, Newport's second gold in a row at this event. The open men's B-Team – now and forever known as The Killer Bees – blitzed through a super strong field to win the ski relay. Powerhouse Jemma Smith took gold in the champion lifesaver, silver in the individual ski, and was tangled up in numerous other team successes. Young Arabella Cox covered herself with glory with a gold in the under-15 champion lifesaver, and the super-team of Harrison Taurins and Bailey Clues won the under-19 double ski at their first attempt.*

*But it was the boys' Under-17s who blew minds: the team produced the highest overall points score for an age group in the carnival's history, in the process winning gold and silver in the hugely coveted Taplin teams event – a freakish achievement.*

*These were highlights of what might be the club's greatest team achievement to date. Let's see what they can do with clear training air ahead of them in the coming year."*

There were many outstanding results and personal achievements at Aussies. To all the athletes, well done! Our boats, beach, lifesaving and water teams all contributed to the outstanding result that the club had and should be very proud of this, as the club is of you.

I would like to thank all of our coaches: Trent Herring, Morrie (Luke Morrison), Nick Carroll and James Brooks; the officials and IRB support crews, as the team can't compete without you and

also Dave Rees and the parents who helped get the gear and the athletes to carnivals and setting up and packing up as it's very much appreciated by the team and finally a big thanks from myself as it's been a pleasure to be your Competition Manager. I have enjoyed every minute and look forward to supporting the team again next season.

Please see separate Beach, Surf Boats and Masters reports on the next few pages.

**Darren Warrener**

## RESULTS FROM THE 2022 OPEN AUSSIES

### 10 GOLD

- **Open Champion Lifesaver** Jemma Smith
- **Opens Ski Relay** Greg Tobin/ Luke Jones/Luke Morrison
- **U17 Ski Relay** Bailey Clues/ Jake Morris/Mitch Morris

## OPEN BEACH

On 7 April, under lights and with a strong wind blowing, the Aussies at Kurrawa began. The night-time atmosphere, music blaring, and club spirit set the tone for some fast sprinting. The beach sprints and relays have been an event held at the Aussies since the earliest days in 1919.

Newport was represented by a small but passionate group of athletes overnight. The highlight of the night for Newport was watching Jake Lynch make his 8th Aussies Open final. A feat that no other Newport competitor has achieved in our club's history and one that is rare at any club in sprints.

Jett Van de Wallen also represented Newport in the sprints, who narrowly missed a spot in the final after a lightning start. In the women's events, Newport was represented by Bailee Radford and Bethany Pate, who both gave admirable performances.

### AUSSIES RESULTS

- Silver: Open Flags – Blake Drysdale

## SURF BOATS

Aussies started on Wednesday, 6 April, with the Masters and for a change, they had the best of the conditions. SLSA had seen what was coming, so the whole event was moved to Nth Kirra. Well, the water events were at Nth Kirra, and boats were further along the beach at Bilinga. Two vastly different venues, more of that later.

The OC; Jack Holland, Bags (Craig Holland), Otmar Nouak and Torro (Stuart Torrington), with Rob Emerson sweeping, rowed out and back three times, stayed relatively dry and got a couple of nice long runs. Just missed the final – perfect.

The first of the schedule changes were made on Thursday. They decided to run 23s and 19s all the way through, the problem we had was that our juniors were not arriving until 0930. Anyway, they made it and had an interesting day, Jake the bowman hanging by his speedos on the rowlock was a highlight. They did get belted in between some solid rowing, just missing the cut. Ellis' u23 girls, 'the Nemos', all managed to improve their swimming and rollover recovery technique and unfortunately from three races bothered the finish judges just once.

Friday morning the surf was bigger again. Magicseaweed had Nth Kirra at 2-3 ft, and Bilinga at 5-7 ft which was the same as Kurrawa. A gnarly first break, long gutter then a filthy outside bank – not very wide, but swells jacked up and dropped hard. Then, of course, there was the wind, 20-25 knots

from the SE. A warmup and just one round for the open women 'Thunder', the race after ours only two boats finished out of five. The open men, 'Hellfish', got belted on the edge but still finished. Then the officials decided to wait until the tide came in, then waited again, then finally let us go home.

Saturday was bigger again and the boys were flying, getting through to Sunday. Open women held over and reserve women still twiddling their thumbs since Thursday. A nasty accident in the other area stopped racing for the day.

As predicted the swell dropped a bit and the wind swung around offshore on Sunday morning. The Ressie girls, 'Catfish', finally got a start and handled the conditions beautifully, making the top 12 before ending up under a block of flats. The Hellfish also failed in the round of 12, belted in the shore break not once, but three times, breaking the bow oar punching through the last one. Really disappointing – it was looking like their Aussies. The Thunder made the top eight, by way of a back shoot on the back bank, then breaking an oar out there in the next race. Unfortunately, in that semi, they got stuck in front of the back bank and couldn't go while the other end snuck over the shoulder.

Thanks to all the crews for their significant effort in what has been an extremely challenging season; covid, iso, storms, rain, wind, and carnivals cancelled. Plenty of good vibes in the tent and plenty of help moving boats, great stuff Team Newport.

## MASTERS BEACH, LIFESAVING & WATER

Every Masters' beach, lifesaving and water competitor came away with at least one medal! Congratulations to everyone listed below, especially Luke Jones and Greg Tobin, who used the Masters' events as a warm-up and then went on to win gold with Luke Morrison in the Open Men's Single Surf Ski relay the next day.

### BEACH

- Tristan Conn, gold: 40-44 yrs Beach Flags | silver: 40-44 yrs Beach Sprint | silver: 200 yrs min Male Beach Relay
- Ted Smithies, gold: 70-74 yrs Beach Sprint | silver: 200 yrs min Male Beach Relay
- Stephen Hatch, gold: 40-44 yrs Beach Sprint | silver: 200 yrs min Male Beach Relay
- Brett Budd, bronze: 60-64 yrs Beach Sprint | silver: 200 yrs min Male Beach Relay

Photo credit: Harvpix

Steve Hatch - gold in 40-44 yrs Beach Sprint and Silver in 200 yrs min Male Beach Relay

### LIFESAVING

- Rebecca Capell, gold: 40-49 Champion Lifesaver (also silver in the Open Patrol Competition)
- Guyren Smith, bronze: 50+ Champion Lifesaver (also silver in the Open Patrol Competition)

### WATER

- Nick Carroll, gold: 60-64 yrs Ironman
- Luke Jones, silver: 35-39 yrs Double Ski | bronze: 130 yrs Ski Relay | bronze: 130 yrs Taplin Relay (also gold in Open Ski Relay)
- Greg Tobin, silver: 35-39 yrs Ski | silver: 35-39 yrs Double Ski | bronze: 130 yrs Ski relay | bronze: 130 yrs Taplin relay (also gold in Open Ski Relay)
- Ashley Brown, bronze: 45-49 yrs Surf Race | bronze: 130 yrs Taplin relay
- Amanda Lehman, silver: 45-49 yrs Board Rescue | bronze: 45-49 2 km Beach Run
- Jan Proudfoot, silver: 45-49 yrs Board Rescue
- Pat Quinlan, bronze: 130 yrs Ski Relay
- Darren Warrener, bronze: 130 yrs Taplin Relay

### WHAT IS THE BERNIE?

In 2019, we started a new tradition at our Annual Awards celebration. Our major award winners all took home a "Bernie". The Bernie is a sculpture by local artist, Victoria Norman. Victoria used the lifesavers' motto "Vigilance & Service" as inspiration during the creation. The sculpture has been given the nick name "Bernie" in honour of our Life Member and legend Bernie Howard who retired from patrolling in 2019 after 25 years!

Bernie Howard at the 2022 Bernies with his former Patrol Captain, Eric Crooke

## IMAGES FROM THE 2022 BERNIES, 21 MAY 2022

				2020-2021	Jeremy Paul

### CLUBMAN OF THE YEAR - MICHAEL HILL MEMORIAL TROPHY

#### Matthew Edwards

- Matt has won this award due to his ongoing commitment to the club in all areas:
  - » Matt does an amazing job as our Power Craft Captain which involves organising water safety for all carnivals and events (often at truly short notice), and continually using his spare time to repair and improve the power craft used by the club.
  - » He is also a very enthusiastic Patrol Captain and IRB Trainer.
  - » Matt is always looking to pass on whatever knowledge he can to others as well as take on any advice that is imparted to him.

## NIPPER CHAIRMAN'S AWARD

### Harrison White

- Harrison was a responsible, mature, and reliable SRC candidate.
- He demonstrated leadership qualities and became one of our Nipper Captains.
- Harrison represented Newport at the Junior Lifesaver of the Year competition at the Branch and State level.
- He was always keen to learn while doing his SRC, and always showed respect to our trainers.
- Harrison also created an entertaining video to promote the benefits of kids joining our Nipper programme.

## TOM GUTHRIE – ROOKIE OF THE YEAR

### Zach Paul

- Good all-round contributor who has extended himself by competing in Champion Lifesaver.
- Zach regularly helps coach young Nippers
- Provides water safety and advice to our novice board paddles.
- He has been a reliable member of both patrol and water safety to Nippers.

## PETER DAWSON OAM – BEST NEW MEMBER

### Ryf Quail

- Ryf shows desire to learn.
- After taking on the Age Manager role last season for under 7s, he has gone on to complete his Bronze Medallion.
- He is a keen patrolling member and gives time to the club.
- He is always full of enthusiasm and positivity.

## PAUL STEVENS - JUNIOR CLUBMAN OF THE YEAR

### Samuel Capell

- Sam completed 37 patrol hours this season. He was an active member, regularly volunteering for roving patrols, IRB crew member roles, cleaning of the club showers after patrol, and checking of equipment such as first aid kits.
- He is the trainer for the developing Nippers who want to learn how to paddle shortboards. Sam conducted shortboard training at the beach before Nippers from 8 am to 9 am as chief trainer with multiple SRCs functioning as water safety. Sam consistently had 15-20 participants who have all enjoyed his programme. Sam is continuing this programme into winter for kids who want to further their skills before next season.
- He was Nipper Age Manager for the Under 8s all season and consistently assisted with the pack down of Nippers.
- Sam is also an U19s competitor, and won branch medals in the board relay, surf swim, Ironman and board.

- He also competed in Lifesaving events at Branch and Aussies. He won Branch for Champion Lifesaver and came 6th at Australian Titles. He was part of the Open Patrol Competition team that came 2nd at Branch and 2nd at the Australian Titles, their best result ever.

## JOHN HOLLAND SNR – COMMITTEE MEMBER OF THE YEAR

### Nick Rogers

- Nick is our Youth Development Officer and organised several events for our young members. It's awesome to see this happening as it has been needed for so long.
- Nick completed 36 patrol hours with patrol 4.
- He also regularly assists with electrical and other clubhouse issues.

## HANS TRUMM OAM – AWARD FOR PATROLLING EXCELLENCE

### Andrew Thomson-Ko

- Is a great, enthusiastic patrolling member.
- He commonly puts his hand up to cover shifts where required. Also, he is quick to assist with water safety requirements for club and external events.
- Andrew is diligent and maintains a high standard of patrolling and presentation.
- Andrew T-K is always looking to learn and be an active member of patrol.

## COMPETITOR OF THE YEAR

### Mitch Morris

- Mitch accumulated 54 points at Aussies with 5 gold, 1 silver and 1 bronze.
- He was the male athlete of the carnival for the 2nd year in a row.
- We are sorry to hear Mitch and his family, are moving to Queensland. We wish them all the best and hope their dreams come true!

## TIM FRANCIS JUNIOR COMPETITOR OF THE YEAR

### Noah Maggs

- Australian Youth Championships results:
  - » Silver: U14 Ironman & 2KM Ocean Swim.
  - » Bronze: U14 Board Rescue with Harrison Woodrow.

## MICHAEL KING SURF SPORTS TEAM OF THE YEAR

### Under 17 Male Water Team

- They amassed 75 points and finished second in the age group.
- Gold and Silver in the Taplin!
- Gold Surf Teams.
- Gold Board Relay.

## DISTINGUISHED SERVICE AWARDS

### GLEN BORG

Glen's record of service demonstrates his exceptional contribution to the club. In addition, Glen remained a patrolling member while being President for the last two years. Glen's continued service to the club and his previous outstanding service make him an ideal candidate for the Distinguished Service Award.

#### RECORD OF SERVICE

Guyren is very active in surf sports at all levels of championships including Patrol Competition, Champion Lifesaver and IRBs.

## LIFE MEMBERSHIP

### BRETT BUDD

Brett's record of service demonstrates his extraordinary contribution to the club. Brett continues to support the club as a patrolling member and works on the building committee. Brett also provides the surf club with IT support and IT oversight through his business ITeam Consulting and their generous support of the club.

Brett's continued service to the club and previous distinguished service make him an ideal candidate for the Life Membership of Newport Surf Life Saving Club.

- 2020-2021 Long Service Member, Building Committee, 100% Patrols

Life Members: John Guthrie, Bob Slavin, Greg Howard, Michael King, David Oatley, Bernie Howard, Gary Cook and Brett Budd

## LIFE MEMBERSHIP CONTINUED

As a Long Service member Brett:

- Still attends regular Patrols and over his years of service has mostly been part of the Top 10 Patrol Hours and 100% Patrol Hours groups.
- Instigated the induction and safety check-lists for our club to ensure all members can use the equipment safely and to minimise risk to the club.
- Hosts our IT and website services and he and his work team keep our IT systems up to date and functioning.
- From its inception until 2014-2015 completed the Risk Assessment and organised water and course safety for our Pool to Peak Ocean Swims
- Still serves on the Club's Building Committee and is helping to drive us towards our DA Submission.
- During Brett's time as Club Captain, he was integral to the development of Newport Surf Life Saving Club and the introduction of younger members becoming more involved in the running of the club.
- Brett changed the Vice Club Captain role on the management committee to include and encourage younger members to step up and become involved in the committee whilst being supported. This provided a platform for younger members to voice the ideas of their like-minded peers and showed them that the future of the club relied on them. This initiative paved the way for other younger members to consider contributing towards the club in other roles within the committee and continues to provide all facets of the club a different connection with the committee.
