

**Congratulations to Nick Rogers and Steve Middleton
who were jointly awarded the Michael Hill Memorial Trophy
for Club Member of the Year**

FROM THE PRESIDENT

At the end of May we saw our Awards of Excellence being hosted at the club house. It was great to see the club house at capacity, and the perfect way to cap off the season, while reflecting on what we have achieved as a club.

Thank you to Janet Dunn and Rod Stevens for all the work behind the scenes and making the night a great success. A special shout out to our helpers on the day - Karen Burns, Guyren Smith, Janet Dunn, Monty Pate, Brendan Capell, Jeremy Paul and Annette Willcocks.

The night would not have ran so smoothly if it was not for our amazing MC's – Analise Kibble and Piper Harrison. Thank you for providing your talents on stage and making our guests feel welcome.

As I mentioned on the night, everyone in the room deserved recognition and each member brings something unique to our club. The night is about highlighting each and every member and what we have achieved together. Saying that, the night does acknowledge some very well deserving recipients of awards.

Congratulations to our award winners. Please see over page for the full list.

Beach to Beach

Conversations have already started for Beach to Beach so save the date to either help at the club or give the run a go on Sunday 23rd August. Volunteers will be most welcome to help with set up as well on Saturday 22nd August. Stay tuned for sign up options.

CanToo

Our small pod from last season raised over \$10,000 toward cancer research. This is amazing. Talks have already started to start another pod next season. Stay tuned for more info.

Training

Our competitive Nippers have shown huge commitment and have not stopped training since the end of the season. Our senior athletes have returned to training after a short, but well-earned break. Please be mindful of surf craft if you are taking a winter dip when the Academy are training.

IRBS

Unfortunately, the team could not compete in round 3 as conditions were looking rather nasty in the lead up, so this carnival had to be cancelled. We wish them all the best at Swansea in the coming weeks.

Funding Raising Opportunities

If there are any groups within the club looking for fundraising opportunities, the club is available on every second and fourth Sunday or the month to run BBQ's etc in conjunction with the bar. The club covers the cost of bar staff if you wish to take advantage of this opportunity. Please contact Renee in the office for more information.

AGM – Sunday July 26th 3pm

Please keep an eye out for comms in relation to the upcoming AGM. We will be emailing nomination requests over the coming weeks.

See you at the Beach !
