

Nipper Basin Camp 2026

FROM THE PRESIDENT

The clubhouse has certainly been buzzing with activity over the past few weeks, with our SRC Basin Camp, Skills Maintenance well underway, a fun Trivia Night hosted by our IRB team, and an intimate Back to the Beach evening catered for by one of our wonderful sponsors, Honest Chicken.

A big thank you to all our members who continue to support the Club by attending these functions. Your involvement and support really do make a difference.

Important SOPS Update

Before your next patrol, please take the time to read memo outlining the latest updates to the Public Safety Standard Operating Procedures:

Nippers Basin Camp 2026

We recently held this year's Nippers Basin Camp for our upcoming SRC group and were treated to a superb weekend of glorious weather.

The Nippers took part in a packed program of activities, supported by various groups from across our Club. This included introductory SRC training, rescue board practice, and trips around Pittwater on the jet ski, IRBs and surfboat. It was also wonderful to see last year's SRC group, now part of our Water Safety team, return to lend a hand. We were joined by our Dolphins and Marlins as well, making it a fantastic whole-of-club weekend.

A huge thank you to everyone who made the weekend possible, including our fantastic Club members, the Nippers' parents and the staff at the Basin campground.

FROM THE PRESIDENT

Pool to Peak

There's not long to go until our annual **Pool to Peak** swim.

If you're not planning on swimming, we would love your help on the day. There are plenty of ways to get involved and support what is always a fantastic Club event.

PCYC Youth Program

We're also pleased to welcome back the **Police Youth Program**, running from **Wednesday 21 October** through to **16 December**.

We need members to help us deliver the program. Bronze Medallion and SRC qualifications are preferred, but they are not essential.

If you are available to assist for a few hours on a Wednesday, at the Club, please contact to Guyren-
guyren.smith@newportsurfclub.com.au.

Newport Public School Picnic Day

Another important date for your diary is the annual **Newport Public School Picnic Day**, where our Club provides water safety for students spending the day at the Basin. We require **10-15 volunteers** with their Bronze Medallion or SRC qualification to assist with water safety.

The hours are logged as patrol hours, so this is also a great opportunity for anyone needing additional hours for competition requirements.

Tuesday 15 December, 10.00am-3.30pm
